Race Day Timeline

4:15-5:45 p.m. Race Check In: Racers should check in with a parent/guardian. You will be given a race bib along with safety pins. Please attach the bib number to the front of your shirt. At this time you will also have your race number written on your arm. During this time you will need to rack your bike in the transition area. You will be assigned a spot in the transition area to rack your bike. All of the items that you will need for the race should be left in your allotted space. Items you will want to leave in the transition area include: bike, helmet, towel, shoes & socks, and shirt with your number on it. You may also consider a pair of shorts and a water bottle. (There will not be any water on the bike route. There will only be water available at the end of the running route.) Be sure to leave yourself plenty of time to check in and prepare for the race.

5:45 p.m. Race Orientation: Racers and parents are asked to attend the orientation. Race directors will go over the rules, race route, and explain how the race will proceed.

6:00 p.m. Race Begins: The race will begin with swimming. Racers will be lined up by number in the swim start area. The 11-12 year age group will be started first. When the pool is cleared the 9-10 year age group will start. The 8 and under will go last. Please be sure that you are with the appropriate age group to start.

Post Race Activities and Awards: At the end of the race each child will receive a Finish Medal. There will be snacks for race participants. After all participants have finished the race, times will be tabulated. An awards ceremony will be held to recognize the top three finishers in each age group for both boys and girls.

- Participants will be allowed to wear life jackets during the swim portion of the race.
- Participants must enter the water feet first.
- There is NO RUNNING in the pool area.
- Bike helmets must be worn and buckled during the bike portion of the event. Racers will not be allowed to leave the transition area for the biking portion without his/her helmet on and buckled.
- When entering and exiting the transition area riders must walk their bikes. You should push your bike completely out of the transition area before mounting, as this area is very congested. Upon returning into the transition area you need to dismount your bike before entering.
- Parents will not be allowed in the transition area during the race. (If your child needs help with his/her helmet or shoes, please meet them outside the pool area before they enter the transition area.) Older kids need to put on their own shoes and helmet in the transition area. Remember the transitions are part of the race.
- Parents are asked to not run or bike alongside their children. We will have several volunteers throughout the race route.
- Participants need to run and ride their bikes along the right side of the road, not down the middle. Traffic needs to be able to pass them.
- The use of headphones, radios, and personal audio devices are strictly prohibited during the bike and run.
- Participants must finish all three legs of the race to be eligible to place in their age group.
- It is recommended that before the race you place a full water bottle in your child's transition area and remind him/her to drink during transitions.
- Participants can be disqualified for safety violations.
