Fallen leaves can get into the storm drain systems, clogging them, and in some cases cause flooding. As property owners and homeowners, it is your responsibility to maintain the curb and gutter throughout your property. Do not propel leaves, debris or snow out into the street or gutter area. It is important to keep the gutters clean and clear for storm water to flow freely. If you bag your leaves and they do not fit in your garbage can, they will be picked up on your regularly scheduled bulk waste day.

There will be no garbage or bulk waste pickup on Christmas or New Year's Day. If your regularly scheduled garbage pickup day falls on either Christmas or New Year's Day, it will be picked up the following day instead. If you have any questions, please call Tooele City 843-2150, or Ace Disposal 882-7009.

Plan ahead... mark your calendars now!
