## FROM THE MAYOR: CITY EMPLOYEES GIVE ALL YEAR LONG

During 2007, Tooele City Employees donated to a fund through a program called, "Dollars for Denim." This program allowed city employees to wear jeans on Fridays after donating a dollar to the fund. City employees were able to raise enough money to donate a tree and sponsor a family for the Tooele High School Winter Tree Festival, take gifts to the nursing home, and help 8 other families during Christmas.

The employees did other fundraisers during the year donating to the Breast Cancer Awareness Fund and to the local food bank.

City employees started new fundraisers in January and will continue to give all year long! Their unselfishness is a tribute to each of them.

## Protect those Pipes!

Pipes that freeze most frequently are those that are exposed to severe cold, like outdoor hose bibs, swimming pool supply lines, water sprinkler lines and water supply pipes in unheated interior areas like basements and crawl spaces, attics, garages or kitchen cabinets. Also, pipes that run against exterior walls that have little or no insulation are also subject to freezing. Surprisingly, ice forming in a pipe doesn't typically cause a break where the ice blockage occurs. It's the radial expansion of ice against the wall of the pipe that causes the break.

- ◆ Letting a faucet drip during extreme cold weather can prevent a pipe from bursting.
- ◆ Open kitchen and bathroom cabinet doors to allow warmer air to circulate around the plumbing.
- ◆ Keep the thermostat set to the same temperature during the day and night.
- ◆ Vulnerable pipes should be fitted with insulation sleeves or wrapping.
- ◆ Cracks and holes in outside walls and foundations near water pipes should be sealed with caulking to keep cold wind away from the pipes.
- ◆ Leaving the snow on your meter can serve as a blanket, insulating the meter.
- ◆ If you turn on a faucet and only a trickle of water comes out, call Tooele City at 843-2150. Tooele City will send out a service technician. If you have a problem with frozen pipes and it is after regular business hours, please call dispatch at 911. Or, you can call a licensed plumber.

## Free Tax Return Preparation and Electronic Filing for Low Income Households!

Volunteer Income Tax Assistance (VITA) is available in Tooele at 66 West Vine Street (SLCC).

To make an appointment please call 843-4350 or 211. Walk-ins also accepted.

Taxes are done by Curtis Beckstrom. If you would like to volunteer to help prepare tax returns, call 843-4350.

## Business Owners—Renew Business Licenses Before February 1st

If you have not yet renewed your 2008 Business License, you have until the end of January to renew. A late penalty of 50% of the total amount of the license fee will be assessed on February 1st. If there have been any

changes (address, phone #, number of employees, or if you have closed your business) please note that change on your form and return all paperwork with your fee to the Finance Department. They will process

your payment and return the paperwork to the Recorder's Office. Your Business License certificate will be sent to you by mail. If you have questions, please call the Recorder's Office at (435) 843-2110. Thank you!

## Tooele City Police Department would like everyone to follow these winter driving safety tips:

### Driving Safely on icy roads:

- ◆ Decrease your speed and leave yourself plenty of room to stop. You should allow at least three times more space than usual between you and the car in front of you.
- ◆ Brake gently to avoid skidding. If your wheels start to lock up, ease off the brake.
- ◆ Turn on your lights to increase your visibility to other motorists.
- ◆ Keep your lights and windshield clean.
- ◆ Use low gears to keep traction, especially on hills.
- ◆ Don't use cruise control or overdrive on icy roads.
- ◆ Be especially careful on bridges, overpasses and infrequently traveled roads, which will freeze first. Even at temperatures above freezing, if the conditions are wet, you might encounter ice in shady areas or on exposed roadways like bridges.
- ◆ Don't pass snow plows and sanding trucks. The drivers have limited visibility, and you're likely to find the road in front of them worse than the road behind.
- ◆ Don't assume your vehicle can handle all conditions. Even four-wheel and front-wheel drive vehicles can encounter trouble on winter roads.

### Winter Driving Survival Kit

It's a good idea to keep a winter survival kit in your vehicle. Having essential supplies can provide some comfort and safety for you and your passengers should you become stranded. Recommended items:

- |                               |   |
|-------------------------------|---|
| Ice scraper/snowbrush         | Fire extinguisher   |
| Shovel                        | Small tool kit  |
| Sand or other traction aid    | Extra clothing and footwear   |
| Tow rope or chain             | Blanket   |
| Booster cables                | Matches   |
| Road flares or warning lights | Candle and a small tin can  |
| Gas line antifreeze           | Non-perishable energy foods, like chocolate or granola bars, juice, |
| Flashlight and batteries      | instant coffee, tea, soup, water                                    |
| First aid kit                 |   |

In blizzard conditions, especially overnight, make sure one person stays awake because help could take some time to arrive. Maintain circulation by moving your feet, hands and arms.

## VOTER CARD CORRECTION

All registered voters will be receiving a postcard reminding them of their precinct and polling location. The card also reminds voters about early voting, the dates, times and locations. On Friday, February 1st, early voting will close at 5:00 p.m. rather than 7:00 p.m. Please make a note of the correction.

Thanks for voting!  
Marilyn K. Gillette  
Tooele County Clerk

## DOOR-TO-DOOR SALESMEN

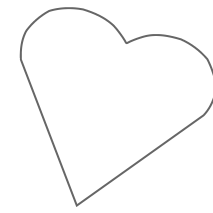

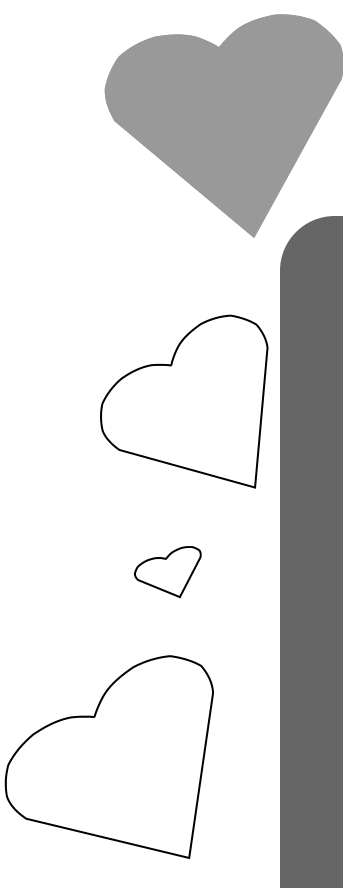

It is a new year and a new year brings door-to-door salesmen (itinerant/transient merchants). ALL door-to-door salesmen must be licensed with Tooele City and must have an ID Badge

on and in plain sight. This year you will be seeing a VIBRANT BLUE badge on people who are licensed to go door-to-door. Of course, if they aren't wearing a badge and it is dur-

ing the day, you can call the Recorder's Office at (435) 843-2110. If it is the weekend you can contact Dispatch at 882-5600 and they will have a police officer in your area.
