

Ninety North Main

FROM THE MAYOR

Mayor Patrick

Finalization of the 2010/2011 budget is almost done. There are a few facts I would like to share with you. First, revenues unfortunately continue to decline in spite of all of the positives you hear from the media. Sales tax has declined an average of 6% from July 2009 to March 2010. Parks, Arts and Recreation fees are down during the same period, along with other sources of revenue. I, along with

many of you, was optimistic the recovery from the worst recession in the history of Tooele City would end, and revenues would begin to ease their way back to a more positive position. Because of these factors we face another very tight budget year. Again this year some capital projects will remain on hold. Equipment for the most part will have to get by another year. We will not be hiring any new positions. Employee wages will not change for the second year in a row and the council and I will not be receiving an increase in pay for the third straight year. We are making the necessary

reductions so your taxes do not need to be raised. The Council and I understand the effect of the economy on all of you. Adding to your taxes is not an option in this year's budget. I hope you all understand and appreciate the hard work and dedication it takes to continue to provide quality and timely public services under these circumstances. Hopefully things will begin looking up. Thanks for your support, as always if you have comments or suggestions contact me at patrickd@tooelecity.org or call at 435-843-2104.

WATER CONSERVATION SCHEDULE

- Area #1** All water users North of Vine and West of Main water Wednesdays and Saturdays.
- Area #2** All water users North of Vine and East of Main water Tuesdays and Fridays.
- Area #3** All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn, contact Tooele City at 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and school may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Thanks for your help in conserving water, a precious resource.

2010 Watering Schedule		
#1 North of Vine, West of Main Wednesday & Saturday	M a i n	#2 North of Vine, East of Main Tuesday & Friday
Vine Street		
#3 South of Vine Monday & Thursday		

Ninety North Main

The Tooele City Arts Council will start the summer concert series on Friday, June 4th at 7 pm! Concerts will continue every Friday through August 27th.

June's schedule includes: June 4: Cold Creek, from American Fork, Utah, has been playing together for many years. They have toured internationally and have 2 albums. Their instrumental and vocal skills combine to form a truly spectacular music group.

June 11: Come and enjoy the high school jazz bands from GHS, THS and SHS!

June 18: N-Step Dance, Flute Choir, then John Needham. N-Step Dance will perform first, followed by a flute choir from Excelsior Academy, then the Cowboy John Needham will perform!

Note: There will not be a Fridays on Vine concert on June 25 — please support the Tooele Arts Festival!

Many downtown stores have extended Friday hours, including Granny's Closet, Homebodies and Sweet Peas. Shop, dine and be entertained Fridays on Vine!!

Sponsored by:
