A MESSAGE FROM MAYOR DUNLAVY....

What a super 4th of July celebration we had this year! I thought the turnout for the parade was fantastic. Thanks for your waves and great smiles—I appreciated words of encouragement as I went through the parade. I'm very grateful to you all.

What a special place we live in! The crowds at the park were bigger than I can remember. The concert on Saturday and the fireworks after were spectacular. Much thanks to all who helped make it such a success, especially Kathy Bell and the Parks Department staff; the Arts Council; the Police and Fire Departments; the Streets Department; and all the great volunteers who helped in any way.

Because our fireworks were Saturday, I had the opportunity to watch the fireworks in Grantsville on Monday. Way to go Mayor Marshall and your staff for the great job you did with your celebration. I hope we all appreciate the high level of activities and fun things we have available to

us in our community.

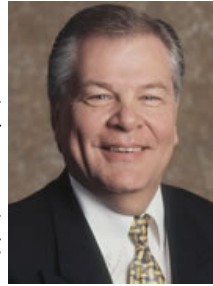

I need to also acknowledge the super work and preparation by Tom McKay and the Water Service Department; the Streets Department under the direction of Mark Busico; Brian Roth and the Golf Course Maintenance crew; and especially Paul Hansen, our City Engineer, and other staff members for the work they did on the potential flooding issues this spring and summer. We were prepared for the worst; fortunately, the weather helped us a great deal. Our preparation was outstanding—mitigating any potential issues from much larger amounts of water had it come.

I'm very proud of the way your city is being managed—we are financially sound; the employees are outstanding. The City Council, lead by Chairman Scott Wardle, Steve Pruden, Dave McCall, Mike Johnson and Shawn Milne are truly engaged in what we do as a city.

I've had the opportunity over the years to work with some outstanding Council members, and these men are right at the top. We've had significant challenges; yet, we've accomplished really incredible things. I appreciate them so much.

The Redevelopment Agency, under the direction of Board Chairman Steve Pruden, has never had the level of success this Board has had, and I look forward to the exciting things to come.

Our work will continue. I'm very grateful to serve each of you. If you have questions or concerns, please call me at 435-843-2104 or e-mail me at patrickd@tooelecity.org.

FRIDAYS ON VINE

For a complete description of Fridays on Vine Concerts, please log on to www.tooelecity.org

August 5 *Barbershop Belles, then the Butcher Brother Band.* The Barbershop Belles quartet is comprised of local talents Ann Vorwaller, Connie Jacobsen, Laurel Young, and Leslie Taylor. Ann is an exceptional entertainer, and has served as a Nauvoo missionary, performing in the shows there. Connie Jacobsen adds much to the quartet as she has an exceptional musical ear—she's the one who keeps them in tune. Laurel Young has a natural talent for singing the baritone, and Leslie Taylor is a great tenor! Leslie has actually sung opera in the past.

The Butcher Brother Band has been playing across Northern Utah for LESS than 200 years. They pride themselves in the energy and enthusiasm of their Dixieland Style Music. They love to play for audiences of all shapes and sizes. They have played for various community events and shows across Northern Utah. People have requested them from as far away as Ibapah, Utah.

In 1974, they were voted the 2nd best band in all of Erda, Utah. Their motto is "Butcher Brother Band, known throughout the land!"

August 12 *Kerry Christensen* is not your typical yodeler. His concerts and events this year will take him to as many as 23 US states and two or three countries internationally. He recently lent his unique classical yodeling talent to a full-length Disney animated feature called "Home on the Range." Kerry is perhaps the only full time yodeler in the world that specializes in all styles of yodeling.

August 19 *Red Desert Ramblers* perform bluegrass, classic-country and swing music. Past performances include - Southern Nevada Bluegrass Music Association (Logandale, Nevada); Bannock County Bluegrass Festival (Pocatello, Idaho); Darrington Bluegrass Festival (Washington), and they were the first Utah band ever chosen to perform at the

International Bluegrass Music Association Fan Festival Convention in Nashville.

August 26 *The Soulistics and the Chamber of Commerce Barbeque.* Known throughout the Intermountain West as the ultimate R&B review. The *Soulistics* bring to the stage the best in soul music from the 60's and 70's. This 10 piece power house of soul will take you back in the day when real bands played real music! Get ready for 90 minutes of soul satisfaction! **This is the final Fridays on Vine concert this year, so come grab a hot dog or hamburger (barbeque begins at 6 pm) and listen to some great music!!**

Thanks to all the performers and those who supported Fridays on Vine! See ya next year!
