From the Mayor....

Thanks for your patience as we work to complete our road maintenance and utilities upgrades. I only wish we could do more, but we are working within the available funding. These projects are very expensive, but doing them is vital to us all.

We're very excited construction is underway on the Skyline Nature Park Project. It will be a special addition to our city. There are other park projects planned to be completed when funding is identified. The Skyline Park project was made possible because part of the funding came from the settlement with Rocky Mountain Power on the East bench transmission line. We are also working on the completion of Phase II of the Wastewater Treatment plant expansion project. These projects and

others are very important for the future of our city. Planning for the future is absolutely essential; we must continue to meet the demands of a growing, vibrant community.

MAYOR PATRICK DUNLAVY

Lastly, I would ask you to vote in November. There will be "Meet the Candidate" nights before the election; I encourage you and your neighbors to at-

tend them. Your vote on the local level is so important. Knowing the candidates, and hearing them respond to questions about their qualifications and accomplishments is important in making an informed decision about your city's leadership.

Our work here at City Hall never stops. My dedication to each of you never stops. We'll continue to protect your interests and your tax investment in our city. I'm very grateful to serve each of you. If you have questions or concerns please call me at 435-843-2104 or e-mail me at patrickd@tooelecity.org

FRIENDS OF
THE
TOOELE
COUNTY
CHILDREN'S
JUSTICE
CENTER

Hello from the Friends Board and staff of the Tooele County Children's Justice Center. It's that time of year again! Our annual **Black Tie Blue Jeans Fundraiser** will be held at the **Deseret Peak Convention Center** on **November 4th, 2011**. This year we are excited to present **'Murder at the Juice Joint'**, a themed Mystery Dinner.

The Children's Justice Center provides a child-friendly atmosphere designed to help children feel safe and comfortable while they are being interviewed regarding alleged abuse.

We would like to request your continued support by making an investment in this fundraiser. We are involving all in the community who have made past efforts and who want to continue making Tooele County a safe place for families and children. Fortunately, this is not a difficult task in a community as supportive as this one.

Whether you would like your business to participate by giving your time, services, or donations; we have included a list of ways you can help that will make this event a success. Please include your business card with your donation so that we may be able to advertise your business.

Once again, thank you for supporting the Children's Justice Center and thank you for investing in the future of the children of Tooele County.
