# Ninety North Main

VOLUME XII, ISSUE 9 SEPTEMBER 2011

## A Message from Mayor Dunlavy . . .

I hope you all have had a great summer. Can you believe school has started? Time goes by so quickly!

It's also election time for the City Council. This is such an important decision we all have the right to help make. I encourage each of you to study the candidates—find out their experience and qualifications. Ask who they are and their involvement in our community. Do they understand the issues, or do they have one issue or a personal agenda?

When elected, these people have a direct effect on each of us. Ask the questions, "What

exactly have they done for this city? Where do they see the City going in the next few years?" Most importantly please vote! It's very important!

Mayor Patrick Dunlavy

As I have mentioned before, I've been very fortunate as Mayor to have exceptional City Council Members—together we have accomplished so much. Councilman Mike

Johnson has made the decision to not seek re-election this year. I want to personally thank Mike for his service and his friendship. His judgment, expertise and experience have been vital to the successes we've enjoyed. I will miss him very much. Thank you Mike for your outstanding public service.

Our work will continue, I'm very grateful to serve each of you. If you have questions or concerns please call me at 435-843-2104 or e-mail me at patrickd@tooelecitey.org

*The Tooele City Arts Council would like to thank all those who came to Fridays on Vine this year! It was a wonderful season with outstanding performers and great entertainment! We look forward to seeing you next year—Fridays on Vine!*

Reminder—Garbage will not be picked up on Labor Day, Monday, September 5. Services will be delayed one day starting with the holiday.

### Alcohol Use Among 6th & 8th Graders 2011 SHARP Data

Over (70) sixth grade students indicated in the March 2011 SHARP survey that they had tried alcohol at least once or twice in their lifetime. Almost (90) eighth grade students indicated the same. Would you like information on how to keep your kids alcohol free? Proactive parents are the #1 reason most kids don't drink, smoke, use drugs or get into trouble.
