## FROM THE MAYOR

"This - n - That"

As the weather gets warmer, spring projects are beginning and major projects are coming to a close.

Skylight Park is getting closer to completion; it will be worth the wait. Phase II of the Wastewater Treatment Plant

Expansion is completed and will start up in the next couple of weeks. Construction has begun on the brand new Tooele Applied Technology College—I can't wait to cut the ribbon and start providing a wonderful place to educate and train our citizens.

Fridays on Vine concerts will be starting soon, check the schedule, I'm sure you'll be as excited as we are for the entertainers who are scheduled. Also

Mayor Patrick Dunlavy

this year, the return of the Tooele Arts Festival—congratulations to the committee for their hard work, we missed it last year. It will be great to have it back.

The 4th of July celebration will be special. We're adding a Miss Tooele City scholarship pageant, so all you wonderful young ladies please enter. Information on the concert and activities will be coming soon.

We're working hard to make this summer exciting and fun for everyone. Please join us—it's what makes our beautiful city so great!

Thanks for allowing me the privilege of serving each of you. If you have any comments or ideas, please call me at 435-843-2104 or e-mail [patrickd@tooelecity.org](mailto:patrickd@tooelecity.org).

Garbage will not be picked up on Memorial Day, Monday, May 28th. Services will be delayed one day starting with the holiday. As always, you can get event information, agendas and minutes from our website: [www.tooelecity.org](http://www.tooelecity.org).

## WATER CONSERVATION SCHEDULE

**Area #1** All water users North of Vine and West of Main water Wednesdays and Saturdays.

**Area #2** All water users North of Vine and East of Main water Tuesdays and Fridays.

**Area #3** All water users South of Vine water Mondays and Thursdays.

**Outdoor watering is not permitted on Sundays.**

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn, contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and school may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.
