Volume XIV, Issue 11

November 2013

From Mayor Dunlavy...

Mayor Patrick Dunlavy

Maybe never before are elections as important as they are now. In light of the total dysfunction of the U.S. Congress and the lack of citizen involvement, our country is truly struggling. That is the reason the local elections are now so very important. Issues that directly affect you, your family, and your neighbors are made in the municipal elections. The direction and shape of your community is made by your local officials.

Tooele City elections have suffered a great deal because of voter apathy. The percentage of registered voters who actually go vote is getting lower and lower. This is such a wonderful City to live in, I ask each of you to let your voice be heard and get out and vote. It matters that you get involved in your community.

Voting, actually going to the election poll and voting, allows your voice to be heard. It matters that you get to know as much about the candidates as you can. You should know what they've accomplished, the knowledge and the experience they bring to the

position. So I ask each of you, please stand and be counted this year. Choose your candidate and go vote on November 5th. It really is very important!

Thank you to all of you. I'm grateful for your support. As always, if you have questions or ideas e-mail me at patrickd@tooelecity.org or call 435-843-2104.

Tooele City Arts Council Grant applications will be available soon! Watch our website www.tooelecity.org (click on the arts council logo) for more information or call 435-843-2142.

If you have any questions, you can contact Tooele County Clerk, Marilyn Gillette, at mgillette@co.tooele.ut.us or call 435-843-3140.

Let your voice be heard! Thanks for Voting!
