From the Mayor....

I want to take this opportunity to acknowledge and thank some very special people for their wonderful acts of unselfish giving to our community.

Stansbury Girl Scout Troop 46, are young ladies who are in the 4th and 5th grades. They were working on earning the Girl Scout Bronze Award and they decided to collect donations for the Tooele City Animal Shelter. While taking a tour of our shelter, led by our shelter director Julie Higgins, they learned about the shelter and the programs we have there. They then set out to collect donations. They did an amazing job collecting 442 pounds of dry dog food, 3½ pounds of dry cat food and 67 cans of cat food; along with leashes, collars, cat toys, dog and cat treats and many other items.

I want them to know how much I appreciate each of them and their leader, Catherine Blomquist. This wonderful act of service is what makes our valley so exceptional!

MAYOR PATRICK DUNLAVY

One other group I would like to mention are the members of the LDS Tooele Valley View Stake. They have volunteered many hours working on the England Acres Park area. Their

efforts, under the leadership of Stake President Craig Sellers and project coordinator Adam Draiss, have done so much to enhance the area around the park. I express my sincere appreciation for their wonderful volunteer efforts!

Without being able to name them all, I would like to acknowledge and thank the many other individuals and groups that help make our City the great place that it is!

I'm so proud to be able to live and work in this beautiful city. Thank you to all of you. I'm grateful for your support. As always, if you have questions or ideas, please e-mail me at patrickd@tooelecit.org or call my office at 435-843-2104. Thank you!

GREAT FUTURES START HERE.

THANK YOU!

As we come to the completion of another season of road improvement work, we appreciate your patience as this work has been getting done. We understand that road work can be impactful to residents living in these areas but we make every effort possible to get the work done as quickly as possible.

We regularly get asked about how we select the work that will be done in any one year. As a quick explanation, every road is evaluated every year. Roads that are in need of work are prioritized by the condition of the road. Roads with structural concerns are further prioritized: (1) based on the condition of the road, (2) whether an overlay (paving like was just completed on Utah Avenue) or a full rebuild project is needed, and (3) the typical traffic volume of the road. Other roads are identified for slurry seal projects. Slurry seal is a very effective method used to preserve and extend the life of roads that are holding together well. Slurry seal is a very thin application (approximately 1/8") that doesn't affect the function of the road (slurry seal corrects and prevents problems and the road is ready to use just hours after application). All of this has to be balanced against the available budgets for such projects.

Mayor Dunlavy and the administration have done a marvelous job of keeping our City financially strong while maintaining our ability to do a certain amount of these projects each year. The money to do road projects comes largely from state road maintenance funds, not the City's general fund. Following the administration's lead, we must be prudent with the money spent on such projects. Slurry seals cost around 10% of an overlay per square foot and rebuilding usually doubles the cost of overlaying. We would love to do more paving and rebuilding, but that just isn't possible with the funds we have available so we have to prioritize and work smarter.

Again, we thank you for your patience and support!

Who: Kids 5 & under and Parents

When: Monday Mornings from 10 - 11 a.m.
 October 7: Going on a Bear Hunt
 October 14: Not so scary Halloween Games
 October 21: Tricks for Treats

Where: Dow James Building
 (438 West 400 North, Tooele)

What: This **FREE** program is designed for parents and children to stay physically active together during the cold weather months. (And to get the wiggles out!) Be prepared to find your inner child with your child! Each week will feature a fun structured activity as well as free play time. (Please note that this is not a drop off activity. Parents are required to stay and participate in the activities).

Let's Play!!!

No pre-registration is needed. For more information please contact Tooele City Parks and Recreation at (435)843-2142 or at terras@tooelecity.org.

DATE: MONDAY, OCTOBER 7, 2013

TIME: 4-6:00 P.M.

PLACE: USU EXTENSION (151 N. MAIN)

The 4-H Community Club is for youth in the 3rd grade and older. We will meet every Monday from 4:00 p.m. - 5:30 p.m. from October 14 — December 2, 2013 at the USU Extension Auditorium (151 North Main Street).

There is a \$10 registration fee. Space is limited, be sure to attend the open house! If you have any questions, please call Tooele City Parks and Recreation at 843-2142.

Business License Required

Anyone Offering a "Service" from their home, for compensation, requires a Tooele City Business License. Call the Tooele City Recorder's Office (435) 843-2110 for more information. ALL door-to-door salesmen (Itinerant/Transient Merchants) must be licensed with Tooele City and must have a **2013 ORANGE Tooele City ID Badge** on and in plain sight. If salesmen aren't wearing a badge, please report them to (435) 843-2110 or (435) 882-5600. Thank you.
