

Ninety North Main

Volume XVI, Issue 7

Tooele City Corporation

July 2015

From the Mayor . . .

A great big thank you for your patience as the Main Street construction projects continue. None of us like to change old habits; but, and I know this is easy for me to say, it really will be worth it. I would ask you to continue to visit and shop our Main Street businesses. While you may not be able to get to them as conveniently as you did before the construction, you can still get to each business on Main Street. The first thing I do each morning is drive the construction area to see where they are working, to know which intersecting streets are opened or closed, and for the last 4

weeks I've randomly chosen different Main Street businesses and driven to them. I can tell you there isn't one I could not get to relatively easily—you just need to plan ahead. They are working hard, we all need to support them.

The 4th of July is here, enjoy all the great activities, and the super parade! Remember we will be reducing the parade route to Utah Ave. Enjoy and please be safe during the holidays!

One final comment, CONGRATULATIONS Mayor Marshall and the members of

the Grantsville City Council for the great job you are doing protecting your city against the prison being located there. Tooele City stands with you, let's hope the right decision is made.

If you have questions or comments, please feel free to contact me at my office at (435) 843-2104 or email patrickd@tooelecity.org.

Mayor Patrick Dunlavy

Water Conservation Schedule

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn—contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, each specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.

"No Motorized Vehicles Allowed"

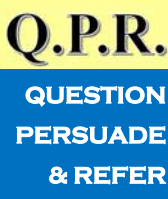

Tooele City is dedicated to preserving our open space. Over the past several years, the City has acquired hundreds of acres of property on the south bench in order to protect our open space from development. We are asking for your help to protect that land. "No Motorized Vehicles" signs are posted at the access points of this property. Please feel free to walk and hike through that area and enjoy it—that is the purpose for which it is intended. However, motorized vehicles are damaging the mountainside and are not permitted on the city's property—drivers could be fined up to \$1,000. If you see anyone taking 4-wheelers, dirt bikes, etc. up through these areas, please contact the police at (435) 882-5600. Thank you for helping us protect our open space!
