NINETY NORTH MAIN

VOLUME XVI, ISSUE 9 SEPTEMBER 2015

Some Notes and Thoughts:
I’ll be very happy when the Main Street road construction project is complete.

I’m very grateful for Grantsville City Mayor Marshall, the City Council and staff for their hard work to prevent the prison from locating in our valley.

I’m pleased the County Commissioners reversed their decision of the pay increases. It might be time to consider a change in the form of government at the County. Many counties have a Council/Mayor or Council/Manager form that might be worth looking into.

I’m concerned with the

selection of the Chinese proposal on Miller Motorsports Park. Mayor Marshall and I both requested to sit in on the interviews and review the proposals — we both have a vested interest in what happens there (Tooele

Mayor
Patrick Dunlavy

City takes the wastewater and the facility itself is in the Grantsville City limits)

— neither of us were given that opportunity.

Because our publishing and mailing dates require me to write this a couple of weeks before you each receive it, I’ll just cross my fingers and hope the Miller issue turns out well and the prison remains in Salt Lake County.

Thank you all for your support, we’re working hard every day to protect and maintain the quality of life in our beautiful City.

As always, if you have questions or concerns, please contact me at my office at 435-843-2104 or email patrickd@tooelecity.org

The Tooele City Arts Council would like to thank all those who came to Fridays on Vine this year! It was a wonderful season with outstanding performers and great entertainment! We look forward to seeing you next year—Fridays on Vine!

Reminder — Garbage will not be picked up on Labor Day, Monday, September 7. Services will be delayed one day that week starting with the holiday.

Notice to Property Owners Regarding New Utility Account Setup Procedures

The Tooele City Finance Department recently implemented a new policy regarding the procedures for new requests for utility services. This change may affect homeowners with rental properties that have utilities under a tenant or manager name.

Ordinance 2015-20 was approved to allow only homeowners the ability to establish new utility services within Tooele City. With this recent change we are asking our citizens with rental properties located in the City to take note, effective August 1, 2015, Tooele City will no longer place utility accounts in any person's name, other than the homeowner.

If you are the homeowner/agent of a property and currently the utilities are under a name other than the property owner, be aware that in the event the water is turned off and taken out of this account name, services can only be restored by having the homeowner come into our office located at City Hall, 90 North Main Street, Tooele and initiating new service. If you are out of state or unavailable to come in, services can be initiated by mailing in a notarized copy of the Meter Deposit Record Form, along with the required information. Please allow sufficient time on mailed in requests to turn on water services.

Please feel free to visit our website at www.tooelecitey.org for more information on establishing a utility account or call us with any questions regarding this notice at 435-843-2150.

HOME Rehabilitation Program

Need to make home improvements? The Housing Authority of Utah County offers low interest rehabilitation loans to qualified homeowners. The primary purpose of this program / loan is to help citizens live in safe and adequate

housing. Loans can be used for roofing, plumbing, electrical, energy improvements, and code violations. Loans are available for Utah, Wasatch, Summit & Tooele Counties. For more information on this program, please contact Eric Jorgensen (801) 373-8333 ext. 307, or visit, www.housinguc.org. You may also pick up an application at 240 East Center Street, Provo, Utah.

Weatherization Program

This program is designed for low income families who need to have their homes weatherized. This program is multi-faceted in that it helps clients with energy education, practical experience, indoor air quality, combustion safety, increased energy efficiency, and the physical comforts of a fully weatherized home. Weatherization repairs may include wall, floor, ceiling and duct insulation; windows, caulking, door repair or replacement, weather-stripping, furnace tune-up and repairs or replacement, and carbon monoxide testing. For more information on this program, please contact us at (801) 214-3165 or by email at enez@slcap.org or visit, www.slcap.org. You may also pick up an application at 1665 West 2200 South, West Valley City, Utah.

Head Start is a free, comprehensive preschool program for children ages 3 & 4 years old. We are now

accepting applications for the 2015-2016 school year! For more information call 801-743-6450.

The local chapter of the Disabled American Veterans (DAV) meets the 3rd Thursday of each month at 8:00 p.m. at the Tooele Pioneer Museum located at 47 E. Vine St. (Rear Basement Entrance).

For more information, contact Commander Curtis G. Beckstrom at 435-840-0547 or Adjutant Ross C. Curley at 801-641-9121.

Serving American Veterans and their families. All welcome!

September is National Preparedness Month!

It is a time to prepare yourself and those in your care for emergencies and disasters. If you've seen the news recently, you know that emergencies can happen unexpectedly in communities just like ours, to people like us. We've seen tornado outbreaks, river floods, flash floods, historic earthquakes, tsunamis, and even water main breaks and power outages in U.S. cities affecting millions of people for days at a time.

Police, fire and rescue may not always be able to reach you quickly in an emergency or disaster. The most important step you can take in helping your local responders is being able to take care of yourself and those in your care; the more people who are prepared, the quicker the community will recover.

This September, please prepare and plan in the event you must go for three days without electricity, water service, access to a supermarket, or local services for several days. Just follow these four steps:

***Stay Informed:** Information is available from federal, state, local, tribal, and territorial resources. Access Ready.gov to learn what to do before, during, and after an emergency.

***Make a Plan:** Discuss, agree on, and document an emergency plan with those in your care. For sample plans, see Ready.gov. Work together with neighbors, colleagues, and others to build community resilience.

***Build a Kit:** Keep enough emergency supplies on hand — water, nonperishable food, first aid, prescriptions, flashlight, and battery-powered radio — for you and those in your care.

***Get Involved:** There are many ways to get involved especially before a disaster occurs. The whole community can participate in programs and activities to make their families, homes and places of worship safer from risks and threats. Community leaders agree that the formula for ensuring a safer homeland consists of volunteers, a trained and informed public, and increased support of emergency response agencies during disasters.
