

NINETY NORTH MAIN

FROM MAYOR DUNLAVY....

A terrible tragedy took place on Tuesday, July 19th when the homes of some of our citizens were damaged or lost to a most devastating fire. My heart goes out to those effected.

Some wonderful positives sometimes result from these types of terrible circumstances. The outpouring of support from the community has been truly humbling. We live in a City of unselfish, kind people. People just wanted to help—bringing water to fire and police officers, food, clothing and other items for the displaced families—it was so great to see.

I can tell you our Tooele City Firefighters and Police Officers and the officers and firefighters

of the other agencies that assisted in this major event appreciated it so much.

I speak for myself and the members of the City Council and our entire City when I say thank you so much.

Mayor
Patrick Dunlavy

My gratitude for the courageous efforts of our fire-

fighters—fighting a very dangerous fire cannot be measured and because of their skills and bravery, they saved lives and property. We are truly fortunate to have each of them protecting us from danger. The police officers who assisted the residents in getting evacuated, saved lives. The other agencies that came to our assistance, saved lives and property. Thanks to each of them as well.

We live in a beautiful place. I am very proud of all of them and you.

If you have concerns or questions about the City, please call my office at 435-843-2104 or e-mail patrickd@tooelecity.org.
