Volume XVII, Issue Twelve

## A Message from Mayor Dunlavy...

Does it seem to you as it does to me that this year has gone by very quickly? Here it is December already — Christmas time, presents, decorations, family dinners and parties. What's next? 2017! I'm still trying to figure out where 2016 went. I guess as you get a little older, time moves at a much faster pace. I'll look back on this year with a smile and a feeling of anticipation for the upcoming year.

I know I'm very fortunate to be privileged to serve as your Mayor, we really have accomplished

Mayor Patrick Dunlavy

much this year, and I'm proud to say we did not raise your property taxes once.

I'm very grateful for the wonderful staff and employees who give so much to serve our community. Thank you to my absolutely super family, I love them very much. Thanks also goes to the great people who live in our beautiful City. I wish you all a Merry and Safe Christmas Season!

You can reach me at my office at 435-843-2104 or [patrickd@tooelecity.org](mailto:patrickd@tooelecity.org).

## CURBSIDE RECYCLING IS COMING TO TOOEELE CITY!

At the Tooele City Council meeting on November 2nd, Chairman Brad Pratt announced that even though only 17% of the utility account holders opted-in to the curbside recycling program, Mayor Dunlavy and the Tooele City Council have decided to implement a curbside recycling program in Tooele City. Only those who have opted-in will have this service available to them which will be billed on their monthly utility bill.

There will be another opt-in period January 1 - January 31, 2017. An opt-in form will be available with January's newsletter, online at [www.tooelecity.org](http://www.tooelecity.org), or at City Hall (90 N. Main Street, Tooele). If you opted-in during our initial opt-in period (during October & November), please do not return another form.

ACE Disposal will begin delivering recycling cans during the month of January 2017 and the pickup service will begin February 2017. A pick-up schedule and a list of items that may be put in your recycling can will be delivered with your can and will also be available online at a later date. Billing for February's services will be on your March utility bill. If you have any questions, you may contact the Tooele City Finance Department at 435-843-2150. Thank you!

### What to do when you see an Emergency Vehicle approaching!

This may seem like common sense to some, but when dealing with emergency situations we commonly see drivers panic and over-react or react incorrectly when they see an emergency vehicle approaching them. Here are some rules to remember:

1. You must yield the right of way.
2. Drive to the far right edge of the curb.
3. Clear the intersection.
4. You must STOP!

When you see an emergency vehicle approaching, (if possible) pull your vehicle to the far right side of the roadway. If you can't pull right then leave room for the emergency vehicle to get by. If you are already stopped, stay put! Once the emergency vehicle has passed, be sure to re-enter the travel lane with caution. Always keep the intersection clear because you don't know which way the emergency vehicle will have to go. As curious as you may be, do not follow an emergency vehicle leaving a scene. Finally, if you come to an intersection blocked by emergency vehicles, slow down! Watch for directions given by police personnel on the scene and proceed as directed.
