FROM THE MAYOR...

Mayor Patrick Dunlavy

Two weeks ago we all got another reminder of the dangerous times we live in. Another police

officer lost his life in the service of his community. Another person with a criminal background used a gun to end the life of a public servant, husband and father. I have to ask myself and each of you, what is it going to take to stop this madness? My prayers go out to Officer Barney’s family and to all the other wonderful officers here and across our

country. I am so very grateful every day for the exceptional men and women of our Tooele City Police Department—they are the utmost example of professionalism and bravery. I am so proud of each of them, as well as the other officers around the county and our country. Tell them thank you when you see them. We owe them our prayers and our appreciation.

Keep Your Pipes Open To Avoid Freezing

Every year when the weather turns cold the City sees a rash of reports of frozen pipes. The best thing that you can do to prevent this in your home is to keep the pipes open. Leaving a slow drip or trickle in a faucet overnight, when the temperature and water usage is lowest, can prevent the water in your pipes from sitting still and freezing. As the weather gets colder over a longer stretch of time, the ground freezes deeper and deeper and puts more homes at risk of frozen pipes every day. Yes, the slow drip or trickle may end up costing you a little extra on your water bill, but that amount will always be dramatically less than the cost to repair frozen pipes in your home and the water damage it can cause. Questions? Call our Public Works Department at 435-843-2130. For after hours (non life-threatening) emergencies, please call dispatch at 435-882-5600.

To contact Mayor Dunlavy, please call the Mayor’s Office at (435) 843-2104 or email him at patrickd@tooelecity.org

"One voice can change a room. And if one voice can change a room, then it can change a city. And if it can change a city, it can change a state. And if it can change a state, it can change a nation, and if it can change a nation, it can change the world. Your voice can change the world."
~President Barack Obama

Security Tips from the Tooele City Police Department

Due to ongoing vehicle burglary and vehicle theft trends, the Tooele City Police Department would like to remind you of some very important security tips:

Remember to keep your personal belongings and valuables out of view in your vehicles. It is also important to keep vehicle windows closed and doors locked. Often, stolen items are left in plain sight within the vehicle making them a prime target for thieves. There have been several reports of unlocked vehicles being targeted, rummaged through and items stolen. Some of the items have been used later to commit other crimes, such as Identity Theft and Fraud.

Recently, the Police Department has seen an increase in vehicle thefts. Commonly the vehicles that have been stolen have been left to idle in a driveway or garage. Remember, never leave your car running and unattended, even to warm it up in the morning. Never leave your keys in the car and always park in a well-lighted area, when possible.

Finally, don't hesitate to report suspicious activity. If you see a suspicious person who appears to be looking in vehicles, or loitering in a neighborhood or parking lot for no legitimate reason, call 435-882-5600.

Winter Reminders

City ordinance prohibits parking on city streets between the hours of 2 am to 6 am from November to March.

Keep your driveway and walks clear so that firefighters, medics and postal workers can reach your house or business.

If a major storm occurs, the fire hydrants nearest your home should be kept clear so that firefighters can readily locate and use them.

Ensure your pets are kept safe and secure when outside temperatures are below freezing.
