Tooele City Corporation

July 2016

From the Mayor . . .

On June 15th the 2016-2017 Fiscal Year Budget was adopted by the City Council. I am very grateful to the Council for the support of the budget as it was presented. No new taxes were proposed. We are living within our means, at the same time the services provided by the City continue without cutbacks.

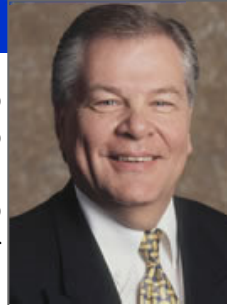

As our City continues to grow so will our ability to effectively manage that growth. I'm grateful not only to the members of the City Council, but also to the staff and employees of the City—they do a wonderful job.

The first recycling bin has been delivered to the lot behind City Hall. The first few days it has been heavily used; unfortunately, a lot of the materials being put into the recycling dumpster are not recyclable items. It is very important that people only use this bin for the intended purpose. You can find a list of acceptable and non-acceptable items on our website www.tooelecity.org or listed on the container itself. My hope is we not only use it as it was intended but to expand to more than just one.

I also want to remind you to check our schedule of events for the

week leading up to the 4th of July. THERE ARE MANY GREAT AND FUN THINGS TO DO THIS YEAR! Remember our concert and fireworks will be on July 2nd. Thanks to all the staff for their hard work. Please enjoy and be safe!

Please feel free to contact me at my office at (435) 843-2104 or email me at patrickd@tooelecity.org.

Mayor Patrick Dunlavy

Water Conservation Schedule

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn—contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, each specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.
