November 2016

From Mayor Dunlavy...

Mayor Patrick Dunlavy

This year's election has been very difficult to watch — no matter which candidate you support.

I have followed local, state and national elections very closely for many years, and this year's election on the national level is so disappointing. We are the greatest country in the world and these two candidates for president are the best the country can do?

I'm concerned for our future. That's why it is so important to elect quality leaders at the

state and local levels. If you are not registered to vote, get registered and vote. All of us who are registered need to vote this year—it is vitally important.

There is a proposition on this year's ballot to initiate a study of the form of government for Tooele County. It is time to take a look at what's happening there, to see if the current form of government best serves us. I encourage you all to support having a study done.

As always, if you have comments or questions, please contact me at my office at (435) 843-2104 or send me an email at patrickd@tooelecity.org.

Happy Thanksgiving

Scam artists in the U.S. and around the world defraud millions of people each year. They use the phone, email, postal mail, and the internet to trick you into sending money or giving out personal information. Here are 10 ways to avoid fraud:

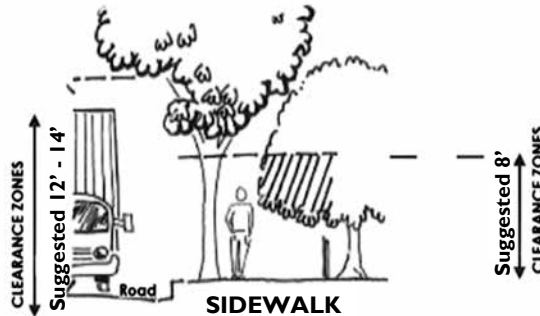

- (1) Know who you're dealing with;
- (2) Know that wiring money is like sending cash;
- (3) Read your monthly statements;
- (4) After a disaster, give to only established charities;
- (5) Talk to your doctor before you buy health products or special treatments;
- (6) Remember, there is no sure thing in investing;
- (7) Don't send money to someone you don't know;
- (8) Don't agree to deposit a check and wire money back;
- (9) Don't reply to messages asking for personal or financial information;
- (10) Don't play a foreign lottery.

For a list of the most recent scam alerts, visit: <http://www.consumer.ftc.gov/scam-alerts>. To report a scam, visit: <http://www.ftc.gov/complaint>. If you are the victim of a scam, contact the Tooele City Police Dept. at 435-882-8900.

Tree Maintenance

While trees and vegetation contribute to the beauty of our neighborhoods and community, they may also create unintended obstacles and hazards when not maintained properly. Trees that hang over the street or over the sidewalk can create nuisances and in some cases hazards. Please maintain the trees on your property, particularly the trees in the park strips, to make sure your trees are not creating some of these obstacles:

- Obstructed snowplows (so we can get our plows closer to your curb), garbage truck & large vehicle clearance;
- Blocked Mailboxes;
- Blocked Sidewalks;
- Blocked streetlights, markers and signs.

Thank you for your help!
