*From the Mayor....*

The following is a message from Tooele City and the Utah Transit Authority (UTA)...

Using funding from Prop 1 for design and construction, UTA in partnership with Tooele City and the Tooele County Health Department will be installing new bike lanes and other pedestrian safety striping along 100 East and Vine Street in the coming month of October.

When complete, the project will connect the northeast corner of Tooele City (Middle Canyon Elementary School and England Acres) to the southwest corner of Tooele City (USU—Tooele) with safe and designated bike lanes and

shared lanes. The project will also paint new stop bars along the route where stop signs currently exist to help motorists see the 4-way stops better.

**MAYOR PATRICK DUNLAVY**

Last year UTA painted bike lanes along 1000 North and as a

result there has been a decrease in auto/pedestrian accidents of which many included young children walking to school. We are very excited for this project and more materials and information will be distributed to the community shortly.

Another quick note — with the Main Street reconstruction project near full completion, we are excited to bring back Downtown Trick-or-Treat this year! Please join us!

As always, if you have questions, comments or concerns, please contact me at my office (435) 843-2104 or send me an email at [patrickd@tooelecitey.org](mailto:patrickd@tooelecitey.org).

The Tooele City Curbside Recycling Program Opt-In Form is enclosed. In order to opt-in to the curbside recycling program, you must return your form before October 31, 2016. See our website [www.tooelecitey.org](http://www.tooelecitey.org) or the enclosed form for details.

# Tree Maintenance

While trees and vegetation contribute to the beauty of our neighborhoods and community, they may also create unintended obstacles and hazards when not maintained properly. Trees that hang over the street or over the sidewalk can create nuisances and in some cases hazards. Please maintain the trees on your property, particularly the trees in the park strips, to make sure your trees are not creating some of these obstacles:

- Obstructed snowplow, garbage truck & large vehicle clearance;
- Blocked Mailboxes;
- Blocked Sidewalks;
- Blocked streetlights, markers and signs.

Thank you for your help!

Dear Tooele City Resident,

Tooele City has entered into negotiations with Ace Disposal to provide our citizens with a curbside recycling program. Participating citizens will receive a blue recycling receptacle which will allow for plastics, metals, paper products, and cardboard to be recycled. These items will need to be empty but will not have to be rinsed, cleaned, or sorted prior to placing them in the recycling receptacle. Green waste, electronics, plastic bags, styrofoam, and glass will not be recycled through this program. The cost of this service will be approximately \$4.75 to \$6.00 per month, depending on the level of citizen participation. The pick-up of the recycling receptacle will be every other week on the same day as your waste service.

**The opt-in period will be from September 1, 2016 through October 31, 2016.** In order to be a viable program for both the City and Ace Disposal, at least 20% of the Tooele City utility accounts must opt-in to this program. The projected start date for this service is January 2, 2017. After the opt-in period ends and service begins, citizens will only be allowed to opt-in or opt-out on an annual basis between January 1<sup>st</sup> and January 31<sup>st</sup> of each year.

The Tooele City Council will discuss the curbside recycling program at their business meetings on September 21, 2016 and October 19, 2016 at 7:00 p.m. These meetings are open to the public.

If you choose to opt-in, please return the bottom portion of this letter by mail or in person to the Finance Department at Tooele City Hall located at 90 North Main Street, Tooele, Utah 84074. You may also email the form to [utilities@tooelecity.org](mailto:utilities@tooelecity.org), fax it to (435) 843-2159 or submit the form online by clicking on the "recycling" link at [www.tooelecity.org](http://www.tooelecity.org).

If you have any questions or concerns or need additional information, please contact the Tooele City Finance Department at (435) 843-2150 or email [utilities@tooelecity.org](mailto:utilities@tooelecity.org).

---

### Tooele City Curbside Recycling Program Opt-In

I understand that by submitting this form I have agreed to a 1 year commitment for curbside recycling and that I will be charged a fee of \$4.75 - \$6.00 per month for the recycling service and receptacle.
