FROM THE MAYOR...

Mayor Patrick

A great big congratulations to Chief Bucky Whitehouse for being named the Tooele Transcript-Bulletin's Person of the Year! The honor could not have gone to a more deserving

person this year. The fantastic work that Bucky did during and after the catastrophic fire in July made such a difference to this community and certainly to those living in the area.

On another note... with winter still upon us I wanted to remind you all that parking on the street from November 1st to March 31st between the hours of 2 a.m. and 6 a.m. is prohibited.

I realize between storms people wonder why they are not allowed to park on the street and the fact of the matter is simply this, the City

ordinance prohibits parking on the street between those dates regardless if it is snowing or not.

In fact, if we would not park on the street no matter what time of day it is, it would facilitate the snow removal work so it could be done more quickly and more completely, particularly during snow storms. Failure to follow the ordinance could result in a fine or a vehicle being towed.

Let's all do our part, driving in the winter is difficult enough! Thank you!

The Tooele City Curbside Recycling Program begins this month for residential customers who opted-in to the program during the opt-in periods. A pick-up schedule and a list of acceptable and non-acceptable items should have been delivered with your recycling receptacle. A pick-up schedule and a list of what you can and cannot put in your recycling receptacle is also available on our website www.tooelecity.org.

Recycling pick-up will begin the week of February 6, 2017 on your regular trash pick-up day.

If you have any questions, you may contact the Tooele City Finance Department at 435-843-2150 or ACE Disposal at 435-882-7009. Thank you!

"One voice can change a room. And if one voice can change a room, then it can change a city. And if it can change a city, it can change a state. And if it can change a state, it can change a nation, and if it can change a nation, it can change the world. Your voice can change the world."

Security Tips from the Tooele City Police Department

Due to ongoing vehicle burglary and vehicle theft trends, the Tooele City Police Department would like to remind you of some very important security tips:

Remember to keep your personal belongings and valuables out of view in your vehicles. It is also important to keep vehicle windows closed and doors locked. Often, stolen items are left in plain sight within the vehicle making them a prime target for thieves. There have been several reports of unlocked vehicles being targeted, rummaged through and items stolen. Some of the items have been used later to commit other crimes, such as Identity Theft and Fraud.

Recently, the Police Department has seen an increase in vehicle thefts. Commonly the vehicles that have been stolen have been left to idle in a driveway or garage. Remember, never leave your car running and unattended, even to warm it up in the morning. Never leave your keys in the car and always park in a well-lighted area, when possible.

Finally, don't hesitate to report suspicious activity. If you see a suspicious person who appears to be looking in vehicles, or loitering in a neighborhood or parking lot for no legitimate reason, call 435-882-5600.

Winter Reminders

City ordinance prohibits parking on city streets between the hours of 2 am to 6 am from November to March.

Keep your driveway and walks clear so that firefighters, medics and postal workers can reach your house or business.

If a major storm occurs, the fire hydrants nearest your home should be kept clear so that firefighters can readily locate and use them.

Ensure your pets are kept safe and secure when outside temperatures are below freezing.
