Tooele City Corporation

July 2017

From the Mayor . . .

Last month I wrote about getting outside and enjoying the warm, sunny days of summer. At that time I did not think it was going to be 100 degrees, so if the excessive heat continues with those temperatures, please be careful out there.

Much thanks goes out to Carol LaForge and her crew and all of the wonderful performers in this year's summer play, "The Little Mermaid." Each year the great work Carol does adds so much to our community.

The 4th of July week, as usual, has many fantastic

events and activities scheduled. I hope you will all participate and you and

Mayor Patrick Dunlavy

your families enjoy the celebrations!

We have such a special community with wonderful activities, check out the

rest of the events on our website at tooelecity.org.

As always thank you for your support! Managing a growing, diverse city has many challenges and your support and input helps so much.

Please feel free to contact me at my office at (435) 843-2104 or email me at patrickd@tooelecity.org.

Water Conservation Schedule

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn—contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, each specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.
