A Message from Mayor Winn...

Mayor
Debbie Winn

The end of 2018 is quickly approaching! As we begin the holiday celebrations, let's remember how blessed we are to live in a community that includes many fine people who care about others.

On Saturday November 10th, the City was presented a beautiful statue entitled "Proud". It was placed at the Tooele City Veterans Memorial Park located on the corner of Main and Vine streets. The

statue was completed by artist Dan Snarr and the funds to pay for the statue were raised through the fine people with the Life's Worth Living Foundation. Jon Gossett and his team raised the money in less than ten months, with generous donations coming from local businesses and residents. The statue will serve as a reminder that we need to continue each day to support our active military and those veterans who have returned home. We lose veterans each day to suicide. Just one is too many. Let the statue serve as a reminder to our community that we care and love one another and that we will commit to taking care of those in need.

I wish each of you a Happy Holiday season! Thank you for the opportunity to serve!

You are always welcome to contact me at my office at (435) 843-2104 or email me at dwinn@tooelecity.org.

What to do when you see an Emergency Vehicle approaching!

This may seem like common sense to some, but when dealing with emergency situations we commonly see drivers panic and over-react or react incorrectly when they see an emergency vehicle with lights and sirens approaching them. Here are some rules to remember:

1. You must yield the right of way.
2. Drive to the far right edge of the curb.
3. Clear the intersection.
4. You must STOP!

When you see an emergency vehicle approaching, (if possible) pull your vehicle to the far right side of the roadway. If you can't pull right then leave room for the emergency vehicle to get by. If you are already stopped, stay put! Once the emergency vehicle has passed, be sure to re-enter the travel lane with caution. Always keep the intersection clear because you don't know which way the emergency vehicle will have to go. As curious as you may be, do not follow an emergency vehicle leaving a scene. Finally, if you come to an intersection blocked by emergency vehicles, slow down! Watch for directions given by police personnel on the scene and proceed as directed.

Just a reminder as the winter months approach, residential and business sidewalks must be cleared of snow, hail, ice, and sleet within 24 hours after a storm stops. Please do not blow or shovel your snow out onto the streets. Tooele City Code 4-11-15 (2) states: "It is unlawful for any person to place or propel, or cause to be placed or propelled, snow, ice, hail, or sleet in the public way or in any manner which poses a hazard to vehicular or pedestrian traffic."

Please be courteous to your neighbors, do not blow leaves, snow or other debris into their yards.

Thank you!

Parking on City Streets

Tooele City reminds citizens of an ordinance prohibiting parking on any city street from **November 1st to March 31st** during the hours of 2 am to 6 am.

City snow plow drivers can't remove snow from your street if there are cars and trucks parked in their way. You could be ticketed!

Please help City snow plow drivers by not parking on the streets and keeping things like basketball hoops off the streets. Thank you!

Is your dog a nuisance?

Just a quick reminder to be a good neighbor and do your best to keep your dog from

becoming a nuisance. City code describes a nuisance as an animal that barks, whines, howls or makes other noises in an excessive, continuous, disturbing, or untimely fashion. Your help in taking good care of your pets is greatly appreciated.

Keep Your Pipes Open To Avoid Freezing!

Every year when the weather turns cold the City sees a rash of reports of frozen pipes. The best thing that you can do to prevent this in your home is to keep the pipes open. Leaving a slow drip or trickle in a faucet overnight, when the temperature and water usage is lowest, can prevent the water in your pipes from sitting still and freezing. As the weather gets colder over a longer stretch of time, the ground freezes deeper and deeper and puts more homes at risk of frozen pipes every day. Yes, the slow drip or trickle may end up costing you a little extra on your water bill, but that amount will always be dramatically less than the cost to repair frozen pipes in your home and the water damage it can cause. Questions? Call our Public Works Department at 435-843-2130. For after hours (non life-threatening) emergencies, please call dispatch at 435-882-5600.

The local chapter of the Disabled American Veterans (DAV) meets the 3rd Thursday of each month. Executive Committee meetings are at 7:00 p.m. and General Meetings are at 8:00 p.m.

Vine St., Tooele (rear basement entrance). **No meetings are held in July or December.** For more info., contact Commander James G. Yale at jimjulieyale@msn.com or call 435-849-0521 or call Adjutant Penny Larsen at 801-644-6002. Serving American veterans and their families. Veterans & spouses welcome!
