A MESSAGE FROM OUR NEW MAYOR...

MAYOR
DEBBIE WINN

Thank you to all of the residents of Tooele City for placing your trust in me to serve as your Mayor for the next four years. It is a great honor to serve in my hometown. I love Tooele! Tooele City is a great place to live!

During the past few months, I have observed the generosity of so many good people as they have given of their time and prosperity to help those in need. Individuals, civic organizations, businesses and religious groups have all worked together to ease the burdens of others. That is exactly what makes our city great!

I know that as we begin a new year, those people who choose to continue to help others will always make a difference for good. I wish to extend my thanks to each and every one of you who serve one another.

I would like to take this opportunity to wish everyone a happy and prosperous new year!

Mayor Winn welcomes your questions and comments, please feel free to contact her at her office at (435) 843-2104 or email her at dwin@tooelecity.org.

The Tooele City Curbside Recycling Program began in February 2017. This service is available for residential customers who have a utility account with Tooele City. You may opt-in to this service at any time. A list of acceptable and non-acceptable recycling items is available online at tooelecity.org. The cost of this service is \$5.65 per month per recycling receptacle. The pick-up of the recycling receptacle is every other week on the same day as your waste service. The 2018 pickup calendar/schedule will be available on our website soon or you may pick up a copy in person at Tooele City Hall in the Finance Dept. Opt-in online at tooelecity.org or contact the Tooele City Finance Department at 435-843-2150 if you have any questions. Thank you for making this program a success over the past year.

Keep Your Pipes Open To Avoid Freezing

Every year when the weather turns cold the City sees a rash of reports of frozen pipes. The best thing that you can do to prevent this in your home is to keep the pipes open. Leaving a slow drip or trickle in a faucet overnight, when the temperature and water usage is lowest, can prevent the water in your pipes from sitting still and freezing. As the weather gets colder over a longer stretch of time, the ground freezes deeper and deeper and puts more homes at risk of frozen pipes every day. Yes, the slow drip or trickle may end up costing you a little extra on your water bill, but that amount will always be dramatically less than the cost to repair frozen pipes in your home and the water damage it can cause. Questions? Call our Public Works Department at 435-843-2130. For after hours (non life-threatening) emergencies, please call dispatch at 435-882-5600.

Thank you Sterling Elementary 2nd graders for coming & entertaining the employees at City Hall with your beautiful voices! We loved the Christmas Carols you sang for us!

Please Help Us Serve You Better By Doing The Following:

- Put your cans out by 6:30 a.m.
- Place cans 3 feet apart
- Do not overload cans
- Do not place cans directly against the curb (when the cans are being set down, if they hit the curb it damages the wheels).
- Promptly pull in your cans after they have been dumped—this helps our snowplow drivers to remove snow more efficiently from your street.
- On windy days, please take care to ensure there is no loose garbage on the top that may blow out and litter the streets.

We appreciate your efforts to help us maintain a safe, clean and beautiful city!

City ordinance prohibits parking on city streets between the hours of 2 a.m. to 6 a.m. from November 1st through March 31st. Please help city snowplow drivers by not parking on the streets and keeping things like basketball hoops off the streets! Thanks!
