## FROM THE MAYOR...

MAYOR  
DEBBIE WINN

As I sit today at my computer and write this article for the Ninety North Main newsletter, I am feeling very grateful for the snow that we have received the past few months. We so desperately need water to fill our aquifers so that we can have plenty of water for the hot summer months that are ahead. I am also feeling grateful today for city employees who are out clearing snow from our roads, sidewalks and parking areas; for our police officers and firefighters who are responding to emergencies and for those employees who are

supporting the efforts of others who are serving others today. Thank you to all of you for your dedication and hard work!

I want to update our residents on some projects that have been happening within the City. You may have noticed the large plastic sheeting covering the front of the Sons of Utah Pioneers Museum. Under the plastic is the beginning of the restoration project that will return the brick to its original state. We are excited to see this project through to completion and encourage residents to visit there this summer.

Have you noticed the new streetlights that were installed along west Vine Street and the one on south Third Street? We are moving forward with new street light installation in neighborhoods that don’t have lights. The utility fund has already repaired nearly 900 streetlights since 2016 and we have replaced non-working lights with more efficient, cost effective, LED lighting. This is a work in progress but staff is working

hard to bring light to new areas of town.

We will be moving forward with our #TakePrideTooee Spring Clean Up again this year in April and May. We have a list of community projects on our website. I would like to encourage people to participate in their own yards and neighborhoods or sign up as families, businesses or groups to do projects in our community. More information will be available in the coming months, but we are really looking forward to seeing our town become beautiful again! We will be offering an extra bulk waste day to residents in May, so watch the newsletter for the dates!

Thank you all for your support!

Find a list of Spring Clean Up projects and ideas on our website [tooelecity.org](http://tooelecity.org)

You can see a full color version of this newsletter online at [www.tooelecity.org](http://www.tooelecity.org)

@TooeleCity

To contact Mayor Winn, please call the Mayor’s Office at (435) 843-2104 or email her at [dwinn@tooelecity.org](mailto:dwinn@tooelecity.org)

City Council Meetings are held the 1st and 3rd Wednesdays each month. They are open to the public. City Council Meetings are also available online through Facebook Live.

435-843-2185 | [stacys@tooelecity.org](mailto:stacys@tooelecity.org)

## Security Tips from the Tooele City Police Department

Due to ongoing vehicle burglary and vehicle theft trends, the Tooele City Police Department would like to remind you of some very important security tips:

Remember to keep your personal belongings and valuables out of view in your vehicles. It is also important to keep vehicle windows closed and doors locked. Often, stolen items are left in plain sight within the vehicle making them a prime target for thieves. There have been several reports of unlocked vehicles being targeted, rummaged through and items stolen. Some of the items have been used later to commit other crimes, such as Identity Theft and Fraud.

Commonly vehicles that are stolen have been left to idle in a driveway or garage. Remember, never leave your car running and unattended, even to warm it up in the morning. Never leave your keys in the car and always park in a well-lit area, when possible.

Finally, don't hesitate to report suspicious activity. If you see a suspicious person who appears to be looking in vehicles, or loitering in a neighborhood or parking lot for no legitimate reason, call dispatch at 435-882-5600.

## Winter Reminders

City ordinance prohibits parking on city streets between the hours of 2:00 a.m. to 6:00 a.m. from November to March.

Keep your driveway and walks clear so that firefighters, medics and postal workers can reach your house or business.

When major storms occur, the fire hydrants nearest to our home should be kept clear so that firefighters can readily locate and use them.

Ensure your pets are kept safe and secure when outside temperatures are below freezing.
