## FROM THE MAYOR

Mayor  
Debbie  
Winn

Spring is here and summer will be here before we know it! The cooler weather has helped to slow the snow from melting too quickly. I am grateful for the staff that have prepared for potential flooding. Sandbags are available to residents if needed.

As the warm weather has seemed to bring people outdoors, we have seen an increase in vandalism to our parks facilities. It is so disappointing that some people feel the need to destroy public and private

property. Please keep an eye out for any suspicious activity at our parks and report it to dispatch at 435-882-5600.

Recently we held a ground breaking ceremony for the new police station, which will be located behind city hall. It was a great event and it is exciting to see the progress taking place each day. Next spring, we will be holding a special ribbon cutting and open house for the public to come see their new building!

Completion of several parks projects is finally a reality! Upgrades at the Red Del Pappa field includes a new concession building, new dugouts and lights! Thanks to Chartway Federal Credit Union for their

generous donation to help us with this project! Pickleball courts at Elton Park, restroom facilities at the park just in time for Fridays on Vine, and a new pavilion at the Oquirrh Hills Golf Course! Thanks to funding from the PAR tax for all of these projects.

I am so proud of the community we live in! So many people take care of each other and take pride in our city. Thank you for your support of the efforts of the administration and council. Have a great summer!

If you have comments or concerns, please call my office at 435-843-2104 or email me at [dwinn@tooelecity.org](mailto:dwinn@tooelecity.org).

## Water Conservation Schedule

**Area #1** All water users north of Vine and west of Main water Wednesdays and Saturdays.

**Area #2** All water users north of Vine and east of Main water Tuesdays and Fridays.

**Area #3** All water users south of Vine water Mondays and Thursdays.

**Outdoor watering is not permitted on Sundays.**

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn, contact Tooele City at 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, each specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.
