From the Mayor....

Recently I was invited to Sterling Elementary to speak to the second grade classes about the Constitution. What an honor! We discussed the reason for the creation of the Constitution by our founding fathers. Our government was formed to ensure the rights and freedoms of the people. The preamble to the constitution begins with "We the people" because the people get to say how they want the government to be run. I provided each student with my phone number and address at City Hall and invited them to contact me when they wanted to share their feelings on things we can do to improve our city.

We also discussed the importance of rights and freedoms. These students understood that although the Constitution guarantees many rights, we should be respectful of

others and their rights too.

In the last few months, I have received multiple complaints from residents that some of their neigh-

MAYOR DEBBIE WINN

bors are not taking care of their property. Tooele City has laws that require weeds to be cut below 6 inches and to not allow garbage

and junk to collect on property. It is an overwhelming task to notify, wait for compliance, follow-up, issue fines and possibly abate the property.

I am asking all residents to do their best to maintain their property in a way that will not infringe on the rights of their neighbors who just want the neighborhood to look nice and be safe. I am also asking those who are able, to help their neighbors whenever possible and be patient as we work through these issues.

We are blessed to live in a free country, but those rights require a responsibility on our part to protect the freedoms of all people.

If you have questions or concerns, please reach out to me at my office at 435-843-2104 or by email at dwinn@tooelecitey.org. Thank you!

Tree Maintenance

While trees and vegetation contribute to the beauty of our neighborhoods and community, they may also create unintended obstacles and hazards when not maintained properly. Trees that hang over the street or over the sidewalk can create nuisances and in some cases hazards. Please maintain the trees on your property, particularly the trees in the park strips, to make sure your trees are not creating some of these issues:

- Damage to vehicles, particularly large vehicles such as snowplows and garbage trucks;
- Injury to persons;
- Blocked mailboxes;
- Blocked sidewalks;
- Blocked streetlights, markers and signs.

“LAUNCH MY LITERACY” STORY TIME: Monday, October 7 • 11:00–12:00 pm
 Launch literacy with 10 techniques in 10 tales at this supercharged story time for kids 0-6 and their parents. The higher number of words a child hears before kindergarten is a strong predictor of school success. In addition to hearing stories and learning simple success strategies, you can: Join the “1000 Books before Kindergarten” Club; Turn in your 1000 Book progress; and hear more stories to count toward your book goal.

BACK TO SCHOOL NIGHT—GET READY TO CONQUER “DUE TOMORROW” HOMEWORK 24/7:
 Monday, October 7 • 6:00–7:00 pm “I need your help... It’s due tomorrow!” Parents hear it, our kids say it, and your librarians can help. When they frantically ask for your help at bedtime – we want you to be ready with information and passwords to many of the library’s most popular online homework resources available 24/7.

LIBRARY AFTER-HOURS FOR ADULTS—PUNCH AND PAINT NIGHT:
 Friday, October 11 • 6:30–8:30 pm Come enjoy a paint night and create a delightful fall flower. All supplies provided. Light refreshments. Adults only 18+. Registration opens October 1. Call the library to pre-register.

BLOOD DRIVE: Monday, October 21 • 1:30–6:30 pm
 Make your donation appointment at www.redcrossblood.org

 Engage, enjoy, and be inspired by art work from local artists.

The Library will be closed on October 14th in observance of Columbus Day.

SOLAR STREETLIGHTS!

We recently installed our 1st two solar streetlights in Tooele City! These lights were installed in a neighborhood with no current street lighting. Residents have been requesting streetlights, but because there is no nearby access to power, estimates were well over \$10,000 per light to install; instead, we were able to install solar lights at less than half that cost! We are now purchasing an additional 20 solar streetlights as a great solution to install streetlights in locations where we have had challenges providing streetlights in the past! Questions? Call 435-843-2104.

NEW Bike Lanes!

Utah Transit Authority (UTA), in partnership with Tooele City, has constructed bicycle lanes on 100 East from Vine Street to 1000 North and on Vine Street from 1100 West to 100 East. In some areas, the bike lane will be shared with a travel lane. These areas will be marked with green paint and a bicycle symbol. The intent of the shared lanes is to inform cyclists where to ride to avoid both flung-open car doors and vehicles passing too closely, as well as alerting drivers to the likely presence of bicycles in the lane. If a car comes up behind a bicycle, they must follow at a safe distance behind the bike. Find more information about bike lanes on our website tooelecity.org.

TRASH/DEBRIS:

Tooele City Code Section 8-4-4 1(b) and (e) states trash/debris will be deemed a nuisance if: (b) the accumulation of garbage, refuse, or unsightly or deleterious objects or structures upon real property, unless contained in connection with an association lawfully situated and licensed for the same; (e) any other unsightly or deleterious condition that gives rise to a threat to human health or safety. Any garbage/debris/unsightly objects must be properly disposed of within a timely manner.

Tooele City provides a BULK WASTE PICKUP PROGRAM to help you dispose of items which do not normally fit into your trash container. The pick up day is once a month based on your regular trash pick up day. There is no additional cost to use this program. Please do not put items for bulk waste out on the curb more than 24 hours in advance. If you have items for bulk waste pickup, please call ACE Disposal at 435-882-7009 to get on the schedule. You can find the pick-up schedule and more information on our website tooelecity.org.

INOPERABLE/ABANDONED VEHICLES:

Tooele City Code Section 8-4-4 1(c) and (d) states that junked, wrecked, or inoperable vehicles may not be kept upon real property for longer than 72 hours. Only two inoperable motor vehicles may be kept upon real property if they are placed behind a screened fence, or in an enclosed building. Vehicle coverings are not considered in compliance with this code.

The full text of the above referenced City Codes can be found on our website tooelecity.org. You may also contact the Tooele City Code Enforcement Officer at 435-843-2130 if you have questions or for more information.

Have you ever wondered who is responsible when your sewer lateral or water service line needs repair? City Code 8-6-13 states "All building sewers, including the connection to the POTW sewer, shall be maintained by the property owner". Property owners are responsible for their own sewer laterals up to the wye connection to the main sewer line. City Code 9-4-6 states "Tooele City shall maintain the service pipe from the main line to and including the water meter and other apparatus within the meter box." Property owners are responsible for their own water lines from the meter box connection into the property and structure. Did you know that Utah law requires the City to educate the citizens on this? If you have any questions, please feel free to contact the Public Works Department at 435-843-2130.

\$2 FRIDAYS

Every Friday at the Pratt Aquatic Center admission is only \$2!

Public Swimming 2:30 p.m. — 8:00 p.m. Lap pool opens at 6:30 p.m.

As the days get shorter and the weather gets colder, now is the perfect time to make sure your heater and vents are clear and in optimal working condition. The best way to not run into problems is to mitigate them if you can. Gathering supplies for warmth just in case is wise. Also having extra coats or blankets in your car is a good way to prepare for winter to come.

Business License Required

Anyone offering a "Service" from their home, for compensation, requires a Tooele City Business License. If you have any questions regarding obtaining a business license, please call (435) 843-2110 or e-mail lisac@tooelecity.org for more info.

DOOR-TO-DOOR SALESMEN

ALL door-to-door sales persons (Itinerant / Transient Merchants) must be licensed with Tooele City and must have a 2019 ORANGE Tooele City ID Badge on and in plain sight. If a sales person isn't wearing a badge, please call 435-843-2110 or Dispatch at 435-882-5600 (after 5 p.m. and on weekends). We will need a description of the individual, along with the direction they are headed. Thank you.
