## A MESSAGE FROM OUR MAYOR...

MAYOR  
DEBBIE WINN

My heart is filled with gratitude as I look back at the opportunities that I have had this past year. It is a great pleasure to serve as your Mayor. I appreciate the members of the council that I have served with for several years. Thank you to outgoing council members Steve Pruden, Dave McCall and Brad Pratt, for their commitment and service to all of you.

As this new year begins, I am looking forward to serving with the new City Council members Ed Hansen, Justin Brady and Tony Graf, along with current council members Melodi Gochis and Scott Wardle.

I wish to express my deep appreciation to the staff at Tooele City. They are a very extraordinary group of individuals who truly care about serving the residents. This year we will continue to work together as a team to provide the services that our residents expect and deserve.

As I work with the Council and staff to set our goals for 2020, I wish to remind all residents that I am here to listen to your concerns. I value your ideas and opinions. You are welcome to call my office at 435-843-2104 or email me at [dwinn@tooelecity.org](mailto:dwinn@tooelecity.org). I look forward to the budget process for the next several months and will commit to making the best decisions possible.

Happy New Year to each one of you!

### Keep Your Pipes Open To Avoid Freezing

Every year when the weather turns cold the City sees a rash of reports of frozen pipes. The best thing that you can do to prevent this in your home is to keep the pipes open. Leaving a slow drip or trickle in a faucet overnight, when the temperature and water usage is lowest, can prevent the water in your pipes from sitting still and freezing. As the weather gets colder over a longer stretch of time, the ground freezes deeper and deeper and puts more homes at risk of frozen pipes every day. Yes, the slow drip or trickle may end up costing you a little extra on your water bill, but that amount will always be dramatically less than the cost to repair frozen pipes in your home and the water damage it can cause. Questions? Call our Public Works Department at 435-843-2130. For after hours (non life-threatening) emergencies, please call dispatch at 435-882-5600.

### Announcement: Lockbox

For those of you who pay your utility bills by mail, you may have noticed the address on your remittance envelopes has changed. Xpress Bill Pay is our new Lockbox provider and has been providing secure online payment services to the City since 2008. Now they will also be receiving and processing the City's mailed payments at their secure Lockbox processing facility. All mailed payments should be sent to:

**PO Box 320  
Pleasant Grove, UT 84062**

Utility payments are also accepted at our payment drop box, located on the southeast side of Tooele City Hall, by calling our free payment by phone system at 1-866-785-8383. And of course, customers are always welcome to stop and see one of our friendly office staff in the Finance department, located at 90 N Main Street, Tooele.

Utility Customers are also encouraged to take advantage our convenient and free online service that can be accessed at [www.tooelecity.org](http://www.tooelecity.org). Customers can enroll in paperless statements, set up auto payment, set up new utility service, and much, much more. Questions? Call 435-843-2150.

- Put your cans out by 6:30 a.m.
- Place cans 3 feet apart
- Do not overload cans
- Do not place cans directly against the curb (when the cans are being set down, if they hit the curb it damages the wheels).
- Promptly pull in your cans after they have been dumped—this helps our snowplow drivers to remove snow more efficiently from your street.
- On windy days, please take care to ensure there is no loose garbage that may blow away and litter the streets.

## United States CENSUS DAY IS APRIL 1, 2020 Census 2020

Beginning in mid-March, people will receive a notice in the mail to complete the 2020 Census. For the first time ever, the U.S. Census Bureau will accept responses online, but you can still respond by phone or mail if you prefer.

In May, the U.S. Census Bureau will begin following up in person with households that haven't responded to the census. Completing the census is required. It is a way to participate in our democracy and say, "I COUNT!" The Census impacts our ability to plan for the next decade. Your response matters! Health clinics, fire departments, schools, roads and highways — the census results help determine how billions of dollars in federal funding flow into states and communities each year. Make sure you complete your census to ensure that we count everyone once, only once, and in the right place.

Find more information online at <https://2020census.gov/en.html>.

When the snow falls, don't let our students fall! Please keep all sidewalks bordering property clear, including the back yard sidewalk along the street! We need your help especially along school walking routes! Thanks!

### Friendly reminder of snow removal.

Section 4-11-15 of Tooele City code states: (1) it is unlawful for any person owning or exercising control over any real property abutting any public sidewalk to fail to remove or cause to be removed from such sidewalk all hail, snow, or sleet falling thereon, or ice forming thereon, with 24 hours after such hail, snow, or sleet has ceased falling or ice has ceased forming. (2) It is unlawful for any person to place or propel, or cause to be placed or propelled, snow, ice, hail or sleet in the public way or in any manner which poses a hazard to vehicular or pedestrian traffic. Sidewalks must be cleared of snow, hail, ice, and sleet within 24 hours after a storm stops. Do not place or propel snow, hail, ice and sleet in roadway or other portions of sidewalks.

2020 reservations for park pavilions will open ONLINE on our website [tooelecity.org](http://tooelecity.org) or will also be taken in person at the Tooele City Parks and Rec.
