# Ninety North Main

## FROM MAYOR WINN

Mayor  
Debbie  
Winn

Thank you to those who participated in this year's #TakePrideTooele Spring Clean Up! It was a great success and the THANK YOU parade on May 16th was so much fun! The Council Members and I loved getting out to thank those who signed up and for all of the hard work that they have been doing to make our City a beautiful place to live, work, and play!

We are busy working on the City budget. This is always a challenge, but this year with the uncertainties of the economy with Covid-19 it is especially challenging. Many departments have had to cut their budgets, while we adjust to the projected loss of revenue. I want to thank our employees for working with our means and for providing

excellent service even under difficult circumstances.

I am excited to announce the placement of the "Seek On" statue that was placed in Veterans Memorial Park (see page 2 of this newsletter). If you have not had a chance to visit the park and see the statue, I encourage you to take that opportunity.

I am looking forward to the summer. Even though our 4th of July celebration will look different this year, we hope this year gives you the opportunity to celebrate with your families and perhaps start some new holiday traditions. We will all miss the parade, but I am certain it will make us love and appreciate it even more next year! We are still planning a fireworks show on July 4th that we hope you will enjoy! Page 4 of this newsletter has some of the activities that we are planning that you can enjoy virtually and safely with your families. Continue

watching our website and our social media sites for more information.

As of the date of this publication, we were in the low risk "yellow" Covid-19 phase. Our parks and playgrounds are open, and we plan to start re-opening our public buildings. We encourage you to continue practicing the social distancing and health guidelines that are in place.

I am so proud of the community we live in! I know that the past few months have been difficult ones. Thank you for your patience and your diligence to help keep our community safe and healthy. So many people take care of each other and take pride in our City—I thank you for that and I hope you enjoy a great summer!

If you have comments or concerns, please call my office at 435-843-2104 or email me at [dwinn@tooelecity.org](mailto:dwinn@tooelecity.org).

**COVID-19 Updates:** City Hall will reopen to the public on June 1st. The Pratt Aquatic Center plans a soft re-opening on June 1st with limited capacity and schedules for classes and lessons are still being planned. The City Library will be opening soon with modified hours and operations. Parks and playgrounds are open. Social distancing is still recommended. Please use caution and make sure you wash or sanitize your hands often especially when touching high touch surfaces. Check our website, [tooelecity.org](http://tooelecity.org), frequently for updated information regarding City services and operations during the COVID-19 pandemic. You can always call City Hall at 435-843-2100 for more information.

## Water Conservation Schedule

**Area #1** All water users north of Vine and west of Main water Wednesdays and Saturdays.

**Area #2** All water users north of Vine and east of Main water Tuesdays and Fridays.

**Area #3** All water users south of Vine water Mondays and Thursdays.

**Outdoor watering is not permitted on Sundays.**

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn, contact Tooele City at 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, each specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.

We will have an official ceremony to celebrate the statue at a later date.

The sculptor of the statue is Marvin Hitesman, a lifelong Tooele City resident. The Tooele City Arts Council is still accepting donations for this beautiful statue honoring our military members. ### June 30 Primary Election Information

Ballots for the upcoming Primary Election will be coming to your mailbox the 2nd week in June. I can't express how important it is that you vote the ballot that comes to you. Please vote and mail your ballot or get it into a ballot drop box as soon as you can. Once the ballot gets to the Clerk's Office it has to sit for 3 days before we can process it due to Covid-19. To protect everyone, there have been other changes as well:

- \* The last day to register or update an address by any method is June 19th.
- \* There will be no Early Voting for this election.
- \* There will be no in-person polling locations.
- \* On Election Day there will be a mobile polling location at the County Building. This will be for the disabled, for those who did not receive a ballot, and for emergencies only. If you did not get a ballot due to your address being incorrect, you will not be allowed to vote.
- \* There are only two ballots available for this election: The Republican Party ballot and a non-artisan School Board Ballot for those living in School Board District #1.
- \* If you are a registered Republican, a ballot will be sent to you.
- \* Unaffiliated voters who want to vote the Republican Ballot will have to affiliate with the party by June 19th.

We will do everything we can to help you vote, however, we are bound by the law. Please vote the ballot you receive in the mail. If you have moved, re-register before the June 19<sup>th</sup> deadline. Questions? Please contact me at [mgillette@tooeleco.org](mailto:mgillette@tooeleco.org) or 435-843-3148.

#### WE LOVE OUR VOLUNTEERS!

A special shout out to Tooele City Volunteer Firefighter Adam Shosted who went above and beyond the call of duty last month – and did you catch it – he's a volunteer. When a fire scene necessitated police involvement, he jumped in to support our police officers with a physical and potentially dangerous situation. A few days later, he responded to a call for service where the EMT's explained that they both needed to ride in the back of the ambulance and Adam was asked if he would drive. Rumor has it that there was some behind the scenes joking that he has achieved many young man's dream in one week – working as a firefighter, police officer, and ambulance driver. For those of us who have had the pleasure to work with Adam in some capacity, we know this is just who he is. He sees a need and fills a need showing love for others and this community. This is a classic example of someone whose character shines when the need arises. Thanks Adam!

- Do your part to prevent runoff into the storm drain system,

**CENSUS 2020—A COMPLETE COUNT—EVERYONE NEEDS TO BE COUNTED!**  
The 2020 Census is easier to take than ever before. For the first time, it can be done in minutes online including on your phone. The census can also be completed easily by phone or mail. However you decide to complete it, be sure to be counted. You matter. Your information is required by law and your information is protected.

#### THREE WAYS TO TAKE THE 2020 CENSUS

1. Fill it out online at <https://my2020census.gov/>
2. Call by phone 844-330-2020
3. Send questionnaire by mail

Beginning in June, census field workers may begin making door-to-door visits to people who have not completed the survey. The census plays a part in every day for Utahns from education and roads to healthcare and politics. The

outcome of the census can determine electoral representation down to the local level, including school boards and city councils. Infrastructure decisions and funding, from road repairs to transit development, use information based on census counts. Public safety uses these numbers to guide decisions about service areas, fire stations, police precincts and hospitals. The census impacts every part of life in Utah, so be counted because you matter. For more information visit [census2020.utah.gov](http://census2020.utah.gov).

# "Red, White, & Blue-tiful"

Out of an abundance of caution, and with the hopes of minimizing the spread of Covid-19 in our community, we are modifying our traditional week-long 4th of July celebration. Tooele City's 4th of July Parade, Concert, formal park activities, and the Tooele Tri (triathlon) have been postponed until 2021. We know celebrating the 4th of July together as a community is a time-honored tradition; therefore, we are working hard to plan patriotic activities and events in which residents can celebrate virtually and safely – "staying apart, but staying together." We hope you will participate in and enjoy the activities listed below. All of our events are still in the planning stages, so please visit our website, [tooelecitey.org](http://tooelecitey.org), and our Facebook page ([www.facebook.com/tooelecitey](http://www.facebook.com/tooelecitey)) for updated information and details.
