

FROM THE MAYOR

Mayor Debbie Winn

I am grateful for the thousands of people who have been serving the community for the past several weeks as we have all dealt with the changes that have taken place in the world.

Thank you to the healthcare workers who have worked many hours to take care of those who are suffering from sickness. Thank you to the many people who have prepared thousands of meals for the elderly and the children.

Thank you to the public safety officers and

firefighters who continue to protect our community. Thank you to the leaders of governments, religious organizations, charities and families! Your service has kept us going through this difficult time. Thank you to the business owners and the employees who have been able to work and for doing all you can to keep our economy going. And thank you to each of you for doing your part to help keep one another and our community as safe and healthy as possible.

As I look out my window today, the sun is shining. The City Staff and I are prepared to begin the process of getting back to some type of normal. For the past two years, May has been a time to begin our #TakePrideTooele Spring Clean Up program to beautify our City. In the past we have asked for groups to help us with

many projects in the City. This year will be a little different as we continue to adhere to social distancing guidelines. We are asking families to work together to clean up their own properties. Don't forget to sweep out the gutters in front of your home! As a family group, we also ask for your help to clean up yards of your neighbors who are elderly or unable to do the work. The City Council and I will be participating in a parade (each in our own vehicle) on Saturday, May 16, 2020 beginning at 9am. We will drive through the

streets of Tooele to recognize those who are participating in this event. If you are interested in participating, please see the information on the insert page of this newsletter then go online and register or give us a call if you have any questions!

As always, I welcome your comments, questions, and concerns. You are welcome to email dwinn@tooelecity.org or call my office at 435-843-2104.

At this time, we are optimistic that events and programs listed in this publication will be held as planned. However, due to concerns surrounding coronavirus (COVID-19), event information may be out of date, may be postponed, or cancelled. Please visit our website for the most current information or contact our offices at 435-843-2100.

Our public meetings are scheduled to take place on the following dates:

May 6 & 20: City Council
May 13 & 27: Planning Commission

In an effort to limit public gatherings, we encourage those who wish to attend public meetings to do so by joining us live on Facebook at Tooele City <https://www.facebook.com/tooelecity/>

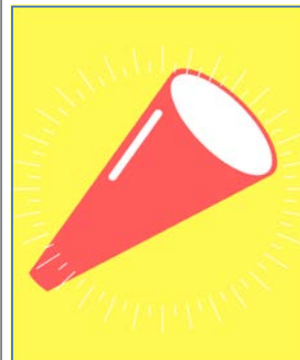

We care greatly for our community's health and want to implement precautions at this time, yet we still want to encourage public participation. If you would like to make a comment during the public comment period or during the public hearing items, you may be emailing:

cmpubliccomment@tooelecity.org for City Council Meetings and

pcpubliccomment@tooelecity.org for Planning Commission Meetings.

Please know that emails will only be read at designated points in the meeting.

This information is subject to change, so please check our website for updated meeting agendas, schedules, and information.

#TakePrideTooele Day

THANK YOU PARADE

WATER CONSERVATION SCHEDULE

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

Visit www.waterwiseutah.org for great water wise tips!

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

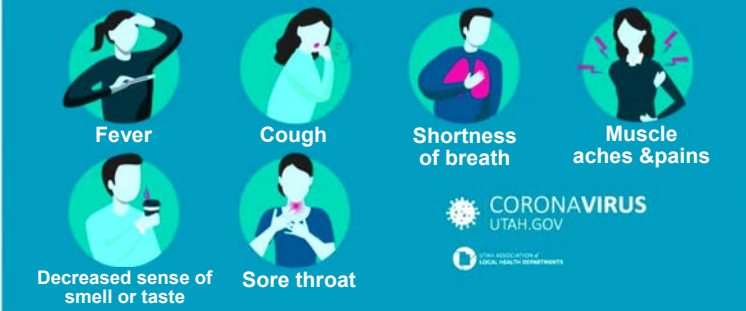

If there are special circumstances that require a modified schedule for residents or businesses-such as newly planted sod or lawn, contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Information about the June Primary Election

As with everything else, the June Primary is an event in motion. Let me bring you up to date on some of the changes passed by the Legislature in their special session.

- There will be no Early Voting for this election.
- There will be no In-Person polling locations.
- On Election Day only, there will be a mobile polling location – by appointment only – at the County Building. Call 435-843-3155 for an appointment. Appointments will be for the disabled, for those who did not receive a ballot, and for emergencies only.
- Because State Conventions have not taken place yet, we do not know which political parties will have elections. That information will be advertised mid-May.
- Unaffiliated voters who want to vote in this election will have to affiliate or designate a party ballot 11 days before the election, as there will be no affiliating or requesting on election day.
- The Republican Primary Election will be closed except to those who are affiliated with the Republican party or who do so. The Democratic Primary Election will be closed except to those affiliated with the Democratic party and unaffiliated voters who request a Democratic ballot.

We are living in difficult times. The Clerk’s office will do everything we can to help you vote, but we must follow the law. Please be patient with us as we will be with you. Be safe!

You matter.
Be counted.

It is not too late to participate in the 2020 Census!

The 2020 Census is easier to take than ever before. For the first time, it can be done in minutes online including on your phone. The census can also be completed easily by phone or mail. However you decide to complete it, be sure to be counted. You matter. Your information is required by law and your information is protected.

THREE WAYS TO TAKE THE 2020 CENSUS

1. Fill it out online at <https://my2020census.gov/>
2. Call by phone **844-330-2020**
3. Send questionnaire by mail

The census plays a part in every day for Utahns from education and roads to healthcare and politics. The outcome of the census can determine electoral representation down to the local level, including school boards and city councils. NEW FENCE AT THE TOOELE CITY CEMETERY!

At the request of many of our residents over many years, we are excited that we have finally been able to replace the fence around the cemetery! We anticipate that the new fence will be complete by Memorial Day.

CEMETERY MEMORIAL DAY DECORATIONS

Memorial Day decorations will be allowed to be placed on the grass outside of the concrete border/lawn mower strip four (4) days prior and five (5) days after Memorial Day. A complete clean-up of the Cemetery will take place beginning the Monday following Memorial Day and allowing one week for entire clean-up. Vases and/or trinkets made of glass, porcelain, or pottery will not be allowed in the cemetery and cannot be glued to monuments or markers. No wire, nails, hangers, steel rods, tent stakes, etc. will be allowed to secure decorations to the ground. Thank you for your help in keeping our cemetery beautiful and clean.

Happy Memorial Day—Monday, May 25th

Our deepest gratitude goes out to our fallen heroes. May their courage and dedication never be forgotten. Let us also remember those who have served and are serving to protect our country and our freedom.

Tooele City would like to wish you a safe and happy Memorial Day holiday. Garbage will not be picked up on the holiday. Trash pickup services will be delayed one day that week starting with the holiday. Check the bulk waste schedule on the insert of this newsletter for extra bulk waste pick up days in May.

Responsibilities of Members of the Historical Preservation Commission may include:

- ✦ Survey and Inventory of community historic resources;
- ✦ Review proposed nominations to the National Register of Historic Places;
- ✦ Provide advice and information to public officials regarding identification and protection of local historic and archeological resources;
- ✦ Work toward the continuing education of citizens regarding historic preservation and Tooele City's history, and;
- ✦ Enforcement of state historical preservation laws.

If interested, please submit a resume or letter of interest by May 14, 2020 to City Hall, Attn: Terra Sherwood, 90 N. Main St., Tooele, UT 84074 or fax to 435-843-2109 or email to terras@tooelecit.org.

Recycling Tip!

Keep Labels On!

Did you know you can leave the labels on? When it comes to recycling your food cans, plastic bottles and jugs, the most important thing is to make sure that those items are clean, empty and dry. When containers that still contain food waste are tossed in recycling bins, they contaminate otherwise clean recycling, sending more items to the landfill that could have been recycled.
