July 2021

From the Mayor . . .

MAYOR'S ANNUAL GOLF TOURNAMENT
Mayor Winn held the Tooele City Mayor's Annual Benefit Golf Tournament on June 18th. The tournament collected over \$22,000! Proceeds will go toward Leadership Scholarships at Tooele High School and youth recreation programs within the City. We will have more information in August's issue about how funds will be distributed to youth recreation programs in our community.

Pictured above are Mayor Winn and players from Ford Performance Racing School, the first place winning team.

Thank you to our many generous sponsors for making this year's tournament a success!

Water Conservation Schedule

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses — such as newly planted sod or lawn — contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, each specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.

Due to the ongoing drought and extremely dry conditions, fire authorities and city officials are urging extreme caution this year when handling fireworks. Each year, the Tooele City Fire Department publishes a Fireworks Restrictions Map. This year's map is posted below and can also be found online at www.tooelefire.org. We are encouraging our residents to enjoy the City's fireworks show on Friday, July 2nd instead of lighting their own fireworks. Professional shows are much safer and more controllable than personal fireworks, which is why city officials are urging residents to leave the fireworks to the pros this year. If you choose to light your own fireworks, we encourage you not to light fireworks that leave the ground. We urge our residents to be extra careful, especially this year, and always use common sense. Please be safe!

If you choose to light fireworks and live in an area where fireworks are not allowed, you may go to the Dow James Park (438 W. 400 N., Tooele) to light your fireworks. Please use the designated dumpsters and clean up your mess. By order of the Tooele City Fire Chief—Fireworks are not allowed to be discharged in any other Tooele City Parks. Please be safe!

NUISANCE WEEDS:
Per Tooele City Code Section 8-4-4 1(a), any weeds/grass on real property under 5 acres must be cut and maintained under 6 inches in height. Property owners are responsible for park strip area(s) adjacent to their lot. Any lot larger than 5 acres must have a border of 30 feet cut and maintained under 6 inches in height.

Fines may be assessed for properties not in compliance with City Code! The full text of the above referenced City Code can be found on our website tooelecity.org. You may also contact the Tooele City Code Enforcement Officer at 435-843-2164 if you have questions or for more information.

The Museum is open June 4 through Sept. 4

Tues. • 10 am — 5 pm
Wed. • 10 am — 5 pm
Thurs. • 1 pm — 6 pm
Fri. • 10 am — 5 pm

HELP KEEP OUR PARKS BEAUTIFUL!

You can help keep our parks and playgrounds looking good by identifying and reporting problems and also sending us recommendations!

Helping out is easy: 1. Visit tooelecitey.org; 2. Click on the Parks and Recreation home page (found under City Departments); 3. Under the Quick Links Menu find the Parks & Facility Maintenance Request link or look for the icon; 4. Fill out the form and describe the problem or your suggestion; and, 5. Submit.

We also encourage residents if you SEE SOMETHING, SAY SOMETHING! We are experiencing an increase in vandalism and graffiti in our parks. Please help us out and if you SEE SOMETHING, SAY SOMETHING! We spend thousands of taxpayer dollars each year to repair vandalism and clean up graffiti. This past month we have had to close many of the restrooms at the parks due to vandalism and damage, leaving the restrooms unusable for the public. Water valves have been manually turned on and water has been left running for hours. Please help us try to stop this and if you see suspicious behavior, call dispatch immediately at 435-882-5600.

Tooele City offers a \$250 Reward for information that leads to the arrest of the person(s) responsible for graffiti or vandalism. Contact the Tooele City Police Dept. through Dispatch at 435-882-5600 or the Tooele City Parks Dept. at 435-843-2143 with information.

STREET SWEEPER! Our new street sweeper is expected to arrive in the early part of July! The City hasn't had a functioning street sweeper for a very long time. This purchase was approved in the FY21 Budget and we ordered our new street sweeper last fall—we've waited a long time for it to be built and for its arrival—and we are anxious for it to get here! We have drivers lined up and ready and we will have it operating most days throughout the summer! Watch for the new street sweeper to come sweep a street near you!

During drought, little changes make a big difference! Here's one action we can all take to do our part: Water Less!

It takes approximately 3,000 gallons of water each time you water the average quarter-acre yard. The goal during extreme drought conditions isn't lush landscapes but rather "survival watering" to keep high-value plants alive like trees and shrubs. **Grass is resilient and can survive with as little as 1" of water a month.** It won't be green and will enter dormancy during times of drought and high temperatures but will recover when conditions improve. Learn more at slowtheflow.org and conservewater.utah.gov or tooelecitey.org.
