Mayor Debbie Winn

MAYOR'S MESSAGE

MAYOR DEBBIE WINN

Last month on November 11th, I attended the annual Veteran's Day event sponsored and hosted by Tooele Lodge No. 1673, Benevolent and Protected Order of Elks. A breakfast was served to several local veterans and their families. Dugway Proving Ground Commander, U.S. Army Colonel Brian Hoffmann was the featured speaker. He talked about his family members who have served in the military for several generations. His inspiring speech showed his gratitude for all those who have served and who currently serve our country. The Tooele County Quilters presented over 50 quilts to local veterans. The beautiful quilts were all hand made with love by

these special people. I was honored to have been asked to sing the National Anthem after the colors were presented by members of the Rodney M. Davis Detachment #1251, Marine Corps League. Opening and closing prayers were offered by Reverend Rafael Ventura, Pastor, St Marguerite Catholic Church. As I talked with members of our community that day, I realized what a wonderful City we live in! We have numerous volunteers who serve our community every day. We show respect to each other and serve where we can. I am grateful to live in this wonderful community and serve alongside the many residents who understand the importance of taking care of one another. I wish to express my appreciation to all who have served and who are serving today to ensure that our country continues to be a free nation where we can enjoy the blessings of living in the greatest nation on earth!

I wish each of you a wonderful holiday season and hope that you stay heathy as you serve your friends and neighbors.

~Mayor Debbie Winn

DECEMBER 2022

MAYOR'S COMMUNITY RECOGNITION AWARD

Congratulations to Diana Black who was awarded the Mayor's Community Recognition Award in November 2022. Diana was nominated by Vivian Rose. Here is what Vivian said about Diana, "I would like to nominate my colleague Diana Black. She is located at the center of our school in the library. She also is the centering person for so many of our faculty. When asked what her job is at the school many might reply librarian, yet she fills a lot of different roles. She was given the extra duty of taking care of all the chrome books that our school received when Covid-19 appeared. She has been front and center for school activities such as our end of year carnivals. When we are desperate for help in the front office, Diana is called

to help and does an excellent job. Her hats are varied and fill so many voids. I believe one of her most distinctive attributes is her ability to make everyone feel welcome and valued. From students to staff, she has a welcoming smile, a listening ear, and empathy to spare. Many times, I will find her in the library working late in order to complete or prepare for the next day. She gives a lot of her own time and even recruits her family so things will run smoothly for our school. If I haven't said enough there are other factors besides her tireless work at the school. She also does volunteer work with a large women's organization. I think she really deserves the Mayoral award." Congratulations Diana!

Watch upcoming issues of our newsletter to learn how you can nominate a deserving Tooele City resident for the Mayor's Community Recognition Award.

City Council meetings are generally held the 1st and 3rd Wednesdays of every month at Tooele City Hall. Meetings are open to the public and are available through livestream on YouTube (Search "Tooele City Channel"). Meeting agendas, minutes, and video links for the meetings are available on our website tooelecity.org.

THE COUNCIL'S CORNER

BY COUNCIL MEMBER ED HANSEN

This is my favorite time of year to be a resident of Tooele City. There is nothing like the holidays to bring community together. With each year, my love for my hometown grows. I see the generosity and kindness of others and it makes me proud. I am thrilled with the planning being accomplished through our Downtown Alliance, where we focus on small businesses and how to make them flourish especially during this time of year. I enjoy seeing small businesses open their doors in our downtown, and seeing properties renovated. It takes me

back to a time where our downtown was special.

The Annual Santa Parade kicks off on Saturday, December 3 at 10:00 a.m. This has always been a Tooele City favorite. I enjoy watching the kids' excitement as they see Santa. Each year we hold a holiday concert at the Tooele High School Auditorium. This year our Christmas Concert features "Party Rock Project" on December 5th at 7:00 p.m. You can get in with a can of food. These are just a few things I have been looking forward to this season.

As we enter this holiday season, I hope you will find the magic that I find. I see it in the joy of little children, the kindness of a neighbor, the love of tradition and spirit of Christmas and the hope of a better tomorrow. Thank all of you for making Tooele City so great. It is because of you.

~Ed Hansen

2022 General Election Results

Snow Event Parking Restrictions and Winter Weather Reminders

As a reminder, the City Council changed the snow parking ordinance in May 2020. The ordinance no longer prohibits parking on City streets from November 1st to March 31st during the hours of 2:00 am to 6:00 am.

The ordinance now reads...

"10-3-6. Snow Event Parking Restrictions"

- (1) It shall be unlawful to park a vehicle on any public right-of-way:
 - (a) when snow is falling upon that vehicle; or,
 - (b) when snow or ice have accumulated in any amount on the right-of-way upon which that vehicle is parked.

(2) Any vehicle parked in violation of this Section may be removed at the discretion of the Tooele City Police Department for creating public safety risks and for obstructing the City's snow removal efforts.

- (3) The following are exempt from this Section:
 - (a) emergency vehicles and personnel in the performance of their functions and duties; and,
 - (b) Tooele City public works vehicles and employees in the performance of their functions and duties.

Do not park your vehicles on the street when snow is falling or when snow or ice have accumulated.

In August, the Tooele City Council approved Ordinance 2021-09, which amended the civil penalty for parking violations during a snow event. The civil penalty is now the same as for all other parking violations: \$50 if paid within 15 days, and \$100 thereafter.

City Ordinances can be found on our website at tooelecity.org > Our Government > City Code

As the winter months approach we want to remind you that residential and business sidewalks must be cleared of snow, hail, ice, and sleet within 24 hours after a storm stops, this is especially important in areas that are school walking routes! Tooele City Code 4-11-15(1) states: "It is unlawful for any person owning or exercising control over any real property abutting any public sidewalk to fail to remove or cause to be removed from such

sidewalk all hail, snow, or sleet falling thereon, or ice forming thereon, within 24 hours after such hail, snow, or sleet has ceased falling or ice has ceased forming."

Do not place or propel snow, hail, ice and sleet in roadway or other portions of sidewalks. Tooele City Code 4-11-15(2) states: *"It is unlawful for any person to place or propel, or cause to be placed or propelled, snow, ice, hail, or sleet in the public way or in any manner which poses a hazard to vehicular or pedestrian traffic."* Please be courteous to your neighbors, do not blow leaves, snow or other debris into their yards. Thank you!

Please do not park your vehicles on the street (or on the park strip or the sidewalk—they are also the right-of-way) when snow is falling or when snow or ice have accumulated. Streets need to be clear of vehicles, basketball hoops, and other obstructions for plows to safely and efficiently clear the streets. Trees should be trimmed to at least a 12'6" minimum so they do not obstruct or damage plows. Also, as a reminder, if your basketball hoop is on the park strip, please make sure the hoop itself doesn't hang over the street where it can get snagged on the snow plows.

SEMI-TRUCKS — Per Tooele City Code, semi-trucks, shall not park overnight on city streets other than designated truck routes. In section 10-2-7(3) the following are designated truck routes: "(a) SR-36 (Main Street); (b) SR-112; (c) Tooele Boulevard (1100 W. St.); (d) Droubay Road; (e) Pine Canyon Road; (f) other streets as designated by express written permission of the police chief..."

Emergency Vehicles

When dealing with emergency situations we commonly see drivers panic and over-react or react incorrectly when they see an emergency vehicle with lights and siren's approaching.

Here are some rules to remember:

- 1. You must yield the right of way.
- 2. Drive to the far right edge of the curb.
- 3. Clear the intersection.
 - 4. You must STOP!

When you see an emergency vehicle approaching with lights and sirens, (if possible) pull your vehicle to the far right side of the roadway. If you can't pull right then leave room for the emergency vehicle to get by. If you are already stopped, stay put! Once the emergency vehicle has passed, be sure to re-enter the travel lane with caution. Always keep the intersection clear because you don't know which way the emergency vehicle will have to go. As curious as you may be, do not follow an emergency vehicle leaving a scene. If you come to an intersection blocked by emergency vehicles, slow down! Watch for directions given by police personnel on the scene and proceed as directed.

When approaching a stationary emergency vehicle, drivers need to reduce their speed, provide as much space as possible, and make a lane change into a lane not adjacent to the authorized emergency vehicle. This is generally a bigger issue for emergency personnel than failing to yield the right of way. Emergency personnel are hit by vehicles almost every year in Utah. We would like to remind the public to slow down and change lanes to provide a safer work environment for our emergency personnel.

HOLIDAY RECYCLING TIPS

(1) Plain wrapping paper is recyclable but if the wrapping paper has glitter, foil, or other embellishments it is not recyclable. (2) Bows and ribbons, plastic or cloth, are not recyclable! Reuse bows and ribbons if you can. (3) Like wrapping paper, plain paper gift bags are recyclable if the handles are removed; however during the holidays we see more bags made of other types of materials that aren't recyclable. Reuse bags instead! (4) String lights are recyclable, but not in your recycling bin! They can be taken to a local metal recycler for recycling! (5) Recycle all cardboard boxes but toss any bubble wrap/styrofoam/ pillows in the trash!

City Offices will be closed in observance of the holidays.
