## MAYOR'S MESSAGE

**MAYOR DEBBIE WINN**

February is the time of year when Tooele City administrative staff are working with the Council on the annual budget. Last year, my staff created a budget book that made it easier for the public to understand the budget process and how the budget works on a municipal level. A copy of the budget book is available on our website. I would encourage residents to take a look at the book so they can have a better understanding of how the finances are handled by municipal governments.

I will be meeting with the Council sometime in the next few weeks to begin the process of making decisions on basic budget information so that I can begin to prepare the draft budget. As the budget officer, I am required by state law, to present the draft budget to the council at the first regular City Council meeting in May. The Council will then have approximately six weeks to review the budget and make any changes. The final budget will then be either approved at the second meeting in June or begin a truth in taxation process if they choose to adjust the property tax rate. If that happens, the budget will be approved in August.

During the next 3 months, I will be working with the director of each department to discuss their needs for fiscal year 2023. Our budget cycle begins on July 1st and ends on June 30th of each year. The budget process takes many hours to discuss, determine, and then prioritize how we can more efficiently provide services. The cost increase in services and supplies have greatly increased in the last few years; most of that is due to the COVID-19 pandemic. Wages throughout the country have increased and we will need to find a way to increase wages to retain our workforce. The budget process is challenging, to say the least. My staff and I commit to using tax dollars wisely to provide the services that our residents expect.

I always value your feedback, suggestions, and solutions. My contact information is listed below. Thank you!

*~Mayor Debbie Winn*

## THE ROLES AND RESPONSIBILITIES OF THE MAYOR AND THE CITY COUNCIL

Tooele City operates under a Mayor/Council form of government as determined by our City Charter and City Code. The Mayor is the Chief Executive Officer and the City Council is the Legislative Body. This system is modeled after the Federal Constitution structure of government. The Mayor and Council roles differ as they are separate yet equally important branches of the government, and together they work toward the well-being and betterment of our City. Here is a brief summary of the roles of each office:

### MAYOR

The Mayor is elected by residents separately from the Council and serves a four-year term with no term limit. The position is nonpartisan, full-time, and paid.

The Mayor is the Chief Executive Officer and Administrative authority of the City which includes:

- ⇒ As the Budget Officer of the City, the Mayor proposes a tentative annual budget to the City Council;
- ⇒ Oversees that all laws, ordinances, and resolutions are faithfully executed;
- ⇒ Appoints City Department Directors;
- ⇒ Manages the day-to-day operations of the City. The Mayor supervises all departmental activities through the Department Directors and has responsibility over:
  - ◆ The Finance Department, City Attorney’s Office, City Recorder’s Office, Human Resources Department, Police Department, Fire Department, City Hall, Community Development Department, Public Works Department, Parks and Recreation Department, Information Technology Department, Economic Development Department, and other administrative departments as may be created or amended from time to time;
    - Included as part thereof, the Mayor has direct supervision of the construction, improvements, repairs, and maintenance of streets, sidewalks, alleys, etc.; of sewers, drains, ditches, culverts, streams and water courses, and gutters and curbs; of all public buildings, boulevards, parks, playgrounds, squares, and other grounds and facilities belonging to the City; and the collection and disposal of waste materials.
    - To care for and preserve all machinery, tools, appliances, facilities, and property belonging to the City.
    - To oversee the issuing of building permits, the inspection of buildings, plumbing, and wiring, subject to uniform codes adopted by the City.
    - To act as the purchasing agent for the City through an authorized designee, to see that city codes and purchasing policies are adhered to, to approve all claims against the City less the \$20,000, and to see that all goods purchased by and for the City are received as per contract.

The Mayor also functions as the Executive Director of Tooele City’s Redevelopment Agency.

### CITY COUNCIL

The City Council consists of 5 nonpartisan members elected at large by residents. Council Members serve four-year terms with no term limit, work for the City part-time, and are paid.

The City Council exercises the legislative powers of city government, including:

- ⇒ Adopt the annual City budget and appropriate funds;
- ⇒ Propose and adopt ordinances (laws) and resolutions;
- ⇒ Approve Mayoral appointments of Department Directors;
- ⇒ Set appropriate tax levies, establish sewer and water rates, set other general tax and service rates;
- ⇒ Approve all purchases and contracts that are greater than \$20,000; and,
- ⇒ Set the Council meeting agendas.

The Council also functions as the Board of Directors for Tooele City’s Redevelopment Agency, the Municipal Building Authority, and the Tooele City Water Special Service District.

## SIDEWALK REPAIR MATCHING GRANT PROGRAM

Tooele City desires to work with property owners to replace damaged sidewalks for the safety of sidewalk patrons and for improved neighborhood appearance. Tooele City is offering a **Sidewalk Repair Matching Grant Program** in which Tooele City will retain a contractor and pay for City-approved sidewalk repair projects upon property owners paying a matching one-half of the cost of the projects.\*

\*Program implementation is subject to adequate funding, contractor availability, weather, project eligibility and approval, and other factors. Limited funds are available.

If you are interested in participating in the “50/50 Matching Grant Program” to repair the sidewalk that abuts your property, please submit an application or contact the Public Works Department at 435-843-2130 for an application or for more information. Applications are available on our website [tooelecity.org](http://tooelecity.org).

## Snow Event Parking Restrictions and Winter Weather Reminders

### Snow Event Parking Restrictions

**Tooele City Code 10-3-6(1) states:**  
It shall be unlawful to park a vehicle on any public right-of-way:

- (1) It shall be unlawful to park a vehicle on any public right-of-way:
  - (a) when snow is falling upon that vehicle; or,
  - (b) when snow or ice have accumulated in any amount on the right-of-way upon which that vehicle is parked.
- (2) Any vehicle parked in violation of this Section may be removed at the discretion of the Tooele City Police Department for creating public safety risks and for obstructing the City’s snow removal efforts.
- (3) The following are exempt from this Section:
  - (a) emergency vehicles and personnel in the performance of their functions and duties; and,
  - (b) Tooele City public works vehicles and employees in the performance of their functions and duties.

***Please do not park your vehicles on the street when snow is falling or when snow or ice have accumulated, your vehicle may be ticketed or towed!***

The civil penalty for parking violations: \$50 if paid within 15 days, and \$100 thereafter.

City Ordinances can be found on our website at [tooelecity.org](http://tooelecity.org) > Our Government > City Code

As a reminder, residential and business sidewalks must be cleared of snow, hail, ice, and sleet within 24 hours after a storm stops, this is especially important in areas that are school walking routes! Tooele City Code 4-11-15(1) states: *“It is unlawful for any person owning or exercising control over any real property abutting any public sidewalk to fail to remove or cause to be removed from such sidewalk all hail, snow, or sleet falling thereon, or ice forming thereon, with 24 hours after such hail, snow, or sleet has ceased falling or ice has ceased forming.”*

When the snow falls, don’t let our students fall! Please keep all sidewalks that border your property clear, including the sidewalk in your backyard along the street (see double frontage article from January’s issue). We need your help especially along school walking routes!

Do not place or propel snow, hail, ice and sleet in roadway or other portions of sidewalks. Tooele City Code 4-11-15(2) states: *“It is unlawful for any person to place or propel, or cause to be placed or propelled, snow, ice, hail, or sleet in the public way or in any manner which poses a hazard to vehicular or pedestrian traffic.”*

Please be courteous to your neighbors, do not blow leaves, snow or other debris into their yards.

Have questions or concerns, please contact our Ordinance Compliance Division at 435-843-2164.

### Tooele City Fire Department

We would like to congratulate Tooele City Fire Chief Jed Colovich, First Assistant Chief Kip Childs, and Second Assistant Chief Matthew McCoy who were sworn into office as the new Fire Chiefs during the Tooele City Council meeting on January 5, 2022.

The Tooele City Fire Department is a volunteer organization and each appointed Chief serves a two year term. Chief Colovich has been a member of the department for 23 years come this March. The Chief says he loves serving the citizens of Tooele, and appreciates the support of the Fire Department, the City, and especially his family.

The Tooele City Volunteer Fire Department consists of 50 active firefighters and over 50 senior status firefighters who are committed to providing the most efficient services possible. Last year the department responded to over 500 calls!

The Tooele City Volunteer Fire Department strives to provide the very best fire and rescue services in our community and is also committed to the safety, life, and health of our community and offers one of the largest fire prevention programs in the state of Utah. Each year the department hosts an annual open house to the public, visits elementary schools, daycares, home schools, and community events throughout the City—our department believes in being accessible and involved in our community.

We would like to thank each of our firefighters for their service to our community!

*Pictured left to right: Fire Chief Jed Colovich, Mayor Debbie Winn, 1st Assistant Chief Kip Childs, 2nd Assistant Chief Matthew McCoy*

### TOOELE CITY WATER DEPARTMENT

The Tooele City Water Department works to bring water to businesses and residents of our city. They are continually working to improve the city's water system. This includes the recently updated comprehensive water master plan. Tooele City is currently developing two new wells, Berra Well and Red Del Papa Park Well. These wells will bring an additional one million gallons of water storage and up to 2,500 gallons per minute source capacity combined. These additional wells are expected to be in operation this summer. The city also continues to look at plans for development of additional well sources and is compliant with all state and local requirements. The water master plan also includes an upgraded water model that can predict and monitor water flow. Water modeling can predict and monitor the water flow, pressure, demand, and fire flow through the system. There can be fluctuations in water pressure due to demand. This typically happens in the summer months when there is a high demand due to outdoor watering. If you experience any significant disruption to your water pressure please contact Tooele City at 435-843-2150 or [utilities@tooelecity.org](mailto:utilities@tooelecity.org).

### YOU CAN NOW REPORT CRIMES ONLINE THROUGH OUR ONLINE REPORTING TOOL!

The Tooele City Police Department now offers an Online Reporting tool for citizens of Tooele City to report crimes that have occurred within Tooele City limits. If the crime happened outside of Tooele City limits, please call dispatch at 435-882-5600, option #1 so the appropriate agency can respond. If your crime happened within Tooele City and you would rather file your police report online instead of meeting with an officer, go to the Tooele City Police website <https://tooelecity.org/city-departments/police-department/> and click on the "Make a Report" link under the Quick Links Menu. Read the instructions fully to make sure your case is eligible for online reporting.

Online reporting is not for: Reporting emergencies, crimes in progress, violent crimes, or if you need to speak with an officer quickly. For emergencies, please dial 911, if you need to speak with an officer and it is not an emergency, please call dispatch at 435-882-5600, option #1. If you have questions about the online reporting system you can contact Sgt. Jason Potter at 435-882-5907, Monday through Friday 8:00 am to 5:00 pm.

Here is a list of crimes that are eligible to be filed online: Credit Card Fraud, Identity Theft, Fraud/Scam, Lost Property, Found Property, Retail Theft, Telephone Harassment, Vehicle Burglary, Illegal Dumping, Graffiti, Vandalism, Property Damage, Hit and Run (no known suspect), Vehicle Accident (if damage is less than \$2500), Mail/Package Theft, Theft of Services, Theft.

Upon completion of the online reporting process, you will: Be given a police report case number and you will be able to print a copy of the police report to keep for your records.
