## MAYOR’S MESSAGE

**MAYOR DEBBIE WINN**

My heart is filled with gratitude as I look back at the opportunities that I have had this past year to serve you. It is a great pleasure to serve as your Mayor.

I appreciate the members of the City Council that I have worked with this past year and look forward to the great things we will accomplish together in the future. I appreciate their dedication and commitment to serve all of you.

I wish to express my deep appreciation to the staff at Tooele City. They are a very extraordinary group of individuals who truly care about serving the residents. This year we will continue to work together as a team to provide the services that our residents expect and deserve.

As I work with the Council and staff to set our goals for 2022, I wish to remind all residents that I am here to listen to your concerns. I value your ideas and opinions. You are welcome to call my office at 435-843-2104 or email me at [dwinn@tooelecity.org](mailto:dwinn@tooelecity.org). I look forward to the budget process for the next several months and will commit to making the best decisions possible.

Happy New Year to each one of you!

*~Mayor Debbie Winn*

### **THE COUNCIL'S CORNER**

**BY COUNCIL MEMBER ED HANSEN**

As the year 2021 comes to a close, I like many of you, look forward to a new year and a chance to start over with resolutions and goals. As your City Councilman, I am excited about the future of our City. There are many great things happening and I would like to share a few with you.

On January 3rd at noon, in the Council Chambers at City Hall, the City will hold its swearing in of Mayor Debbie Winn for another four year term, followed by Councilwoman Maresa Manzione, who replaced Councilman Scott Wardle for the final part of his term. After a successful election, she will now serve another four years. We welcome Dave McCall back as a councilman to serve a four year term after a two year absence. We appreciate Melodi Gochis' service to the City of Tooele as a Councilwoman, and Council Chair. Mayor Winn has now appointed Melodi to serve on the Planning & Zoning Commission.

I am very excited about the newly revived Downtown Alliance, under the direction of Jared Stewart, Tooele City Economic Development Administrator. This group has been selected to be part of the new Utah Main Street program. This group is excited to bring economic vitality back to our historic downtown. For those of you who were raised in Tooele you remember when Main Street was filled with shops and sidewalk sales — we hope to breath that life back into the heart of Tooele City. We have many exciting things that have happened because of this group, including a huge mural by Tooele artist Marcus Medina of Engine 11 on the west side of Another Man's Treasures. In the spring we hope to unveil painted Buffalo statues along the Historic Downtown that will be adopted by local businesses and private individuals. You may have seen other cities in Utah do similar projects, including Park City, Ogden, and St. George. As we work to make downtown more appealing by featuring art, we hope that you will support our downtown small businesses and enjoy the revitalized heart of our City.

I love where we live. This is the greatest City on Earth, and it's because of all of you. The City is moving in the right direction, and I am confident you will see incredible things happening. In thinking of your New Years resolutions, I hope you will all consider becoming more involved in what's happening here at home. You can volunteer, and serve your community in many ways — let your ideas be heard, and help take our City into the future.

Thank you,  
*~Ed Hansen*

**Snow Event Parking Restrictions and Winter Weather Reminders**

**Snow Event Parking Restrictions**

**Tooele City Code 10-3-6(1) states:**  
It shall be unlawful to park a vehicle on any public right-of-way:

- (1) It shall be unlawful to park a vehicle on any public right-of-way:
  - (a) when snow is falling upon that vehicle; or,
  - (b) when snow or ice have accumulated in any amount on the right-of-way upon which that vehicle is parked.
- (2) Any vehicle parked in violation of this Section may be removed at the discretion of the Tooele City Police Department for creating public safety risks and for obstructing the City's snow removal efforts.
- (3) The following are exempt from this Section:
  - (a) emergency vehicles and personnel in the performance of their functions and duties; and,
  - (b) Tooele City public works vehicles and employees in the performance of their functions and duties.

*Do not park your vehicles on the street when snow is falling or when snow or ice have accumulated.*

In August, the Tooele City Council approved Ordinance 2021-09, which amended the civil penalty for parking violations during a snow event. The civil penalty is now the same as for all other parking violations: \$50 if paid within 15 days, and \$100 thereafter.

City Ordinances can be found on our website at [tooelecity.org](http://tooelecity.org) > **Our Government** > **City Code**

As the winter months approach we want to remind you that residential and business sidewalks must be cleared of snow, hail, ice, and sleet within 24 hours after a storm stops, this is especially important in areas that are school walking routes! Tooele City Code 4-11-15(1) states: *"It is unlawful for any person owning or exercising control over any real property abutting any public sidewalk to fail to remove or cause to be removed from such sidewalk all hail, snow, or sleet falling thereon, or ice forming thereon, with 24 hours after such hail, snow, or sleet has ceased falling or ice has ceased forming."*

When the snow falls, don't let our students fall! Please keep all sidewalks that border your property clear, including the sidewalk in your backyard along the street (double frontage—see article below)! We need your help especially along school walking routes!

Do not place or propel snow, hail, ice and sleet in roadway or other portions of sidewalks. Tooele City Code 4-11-15(2) states: *"It is unlawful for any person to place or propel, or cause to be placed or propelled, snow, ice, hail, or sleet in the public way or in any manner which poses a hazard to vehicular or pedestrian traffic."*

Please be courteous to your neighbors, do not blow leaves, snow or other debris into their yards.

Have questions or concerns, please contact our Ordinance Compliance Division at 435-843-2164.

**DOUBLE FRONTAGE LOTS — STREET/SIDEWALK ABUTS THE BACK OF THE PROPERTY**

**WHAT IS A DOUBLE FRONTAGE LOT?**

A double frontage lot is defined as a lot that has primary frontage, the street in front of your property, and also has secondary frontage which is an additional street that abuts your property (Tooele City Code 7-19-7.1). This usually means that your lot has a street in the front and back of your property. If you have a double frontage lot you are responsible to keep the sidewalk on the back of your property clean in addition to the sidewalk in front of your property.

Please remember that Tooele City Code 4-11-19 requires that residential and business sidewalks must be cleared of obstructions such as, but not limited to garbage, plants, leaves, dirt, and construction materials. Tooele City Code also requires that snow, hail, ice, and sleet be removed within 24 hours after a storm stops.

The responsibility to keep sidewalks clear also applies to sidewalks on corner lots as well as double frontage lots. If you have a corner lot you are responsible to keep the sidewalk on the side of your property clean in addition to the sidewalk in front of your property.

Please help keep Tooele City safe and clean by making sure that your sidewalks are clear for pedestrian traffic. Thank you!

## ALL ABOUT THE ECONOMIC DEVELOPMENT DEPARTMENT

In Tooele City, significant new commercial, industrial, and residential development typifies recent growth. Tooele City has been experiencing a surge in population in the past three decades. Comprehensive planning initiatives have been used to guide and attract development that produces rich and abundant community amenities.

We are proud to announce that approximately \$1.2 million in grants for trails, parking, sidewalks, and small business training has been awarded to Tooele City over the past 14 months! The focus on new business recruitment has facilitated the arrival of companies such as Carvana and Plastic Ingenuity which will bring many needed jobs to our community. The Economic Development emphasis on small businesses included trainings in small business bookkeeping and marketing and facilitated the revival the Tooele City Downtown Alliance.

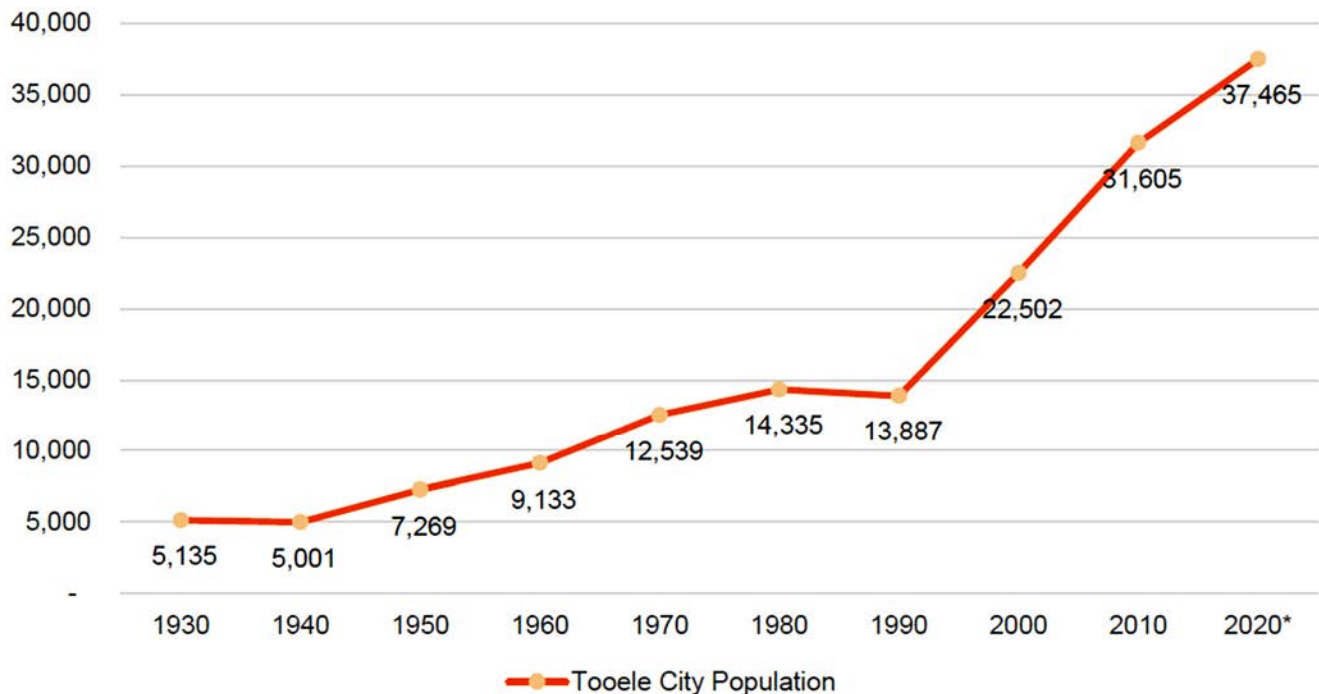

A new Economic Development Strategic Plan has been adopted which outlines plans to attract new business, support local and small business, encourage workforce training, and maintain Tooele City's high quality of life. These strategies will generate tax revenue that will assure economic viability for future generations of Tooele residents. With these numerous accomplishments, a solid foundation will be established that will target quality development and attract a sustainable tax base. Current Economic Development efforts focus on collaboration with the State of Utah, the Wasatch Front Regional Council, Tooele County, the Tooele Chamber of Commerce, education partners such as Tooele Technical College and Utah State University, and local businesses and development organizations.

Tooele City received a Development Ready Community Award on December 14, 2021 by the Economic Development Corporation of Utah. Development Ready Communities is a five-stage program designed to prepare Utah communities to attract and grow competitive, high-value companies and foster the expansion of local businesses. Completion of the program brings an in-depth understanding of competitive advantages, a strategic plan to improve economic development efforts, community marketing materials, economic development training, and a seat at the state's economic development table.

**Please Help Us Serve You Better By Doing The Following:**

- Put your cans out by 6:30 a.m.
- Place cans 3 feet apart
- Do not overload cans
- Do not place cans directly against the curb (when the cans are being set down, if they hit the curb it damages the wheels).
- Promptly pull in your cans after they have been dumped—this helps our snowplow drivers to remove snow more efficiently from your street.
- On windy days, please take care to ensure there is no loose garbage that may blow away and litter the streets.

**We appreciate your efforts to help us maintain a safe, clean, and beautiful city!**

If a solicitor is not wearing a badge, call Dispatch at 435-882-5600. Please be sure to give a complete description of the individual and the direction they are headed. Thank you!

**Keep Your Pipes Open To Avoid Freezing**

Every year when the weather turns cold the City starts receiving a number of reports of frozen pipes. The best thing that you can do to prevent this in your home is to keep the pipes open. Leaving a slow drip or trickle in a faucet overnight, when the temperature and water usage is lowest, can prevent the water in your pipes from sitting still and freezing. As the weather gets colder over a longer stretch of time, the ground freezes deeper and deeper and puts more homes at risk of frozen pipes every day. Yes, the slow drip or trickle may end up costing you a little extra on your water bill, but that amount will always be dramatically less than the cost to repair frozen pipes in your home and the water damage it can cause. Questions? Call our Public Works Department at 435-843-2130. For after hours emergencies (non life-threatening emergencies), please call dispatch at 435-882-5600.
