## MAYOR'S MESSAGE

MAYOR DEBBIE WINN

I recently attended the Tooele City Fire Department Annual Banquet to recognize and thank our firefighters for their dedication to serve our residents. During the event, I read the story of the tragic loss of two of our own residents in 1975 during a wildland fire near Stockton. Many people in the city have never heard this story. I believe that it is time for us to construct a permanent memorial that will tell the story and remind our residents of the sacrifice that Mr. Dow and Mr. James made in their efforts to protect life and property. We are in the process of working with members of the Dow and James families to design a memorial that will be placed at the Dow James Park near the building. We have set up an account here at City Hall to accept donations to make this memorial a reality. You may donate by calling Tooele City Finance Department at 435-843-2150; come to City Hall in person at 90 North Main Street, Tooele; or mail a check to Tooele City Corporation, PO Box 89, Tooele, UT 84074 (please indicate on the check that the payment is for the Dow James Memorial). We will share the full story and a rendering of the memorial in next month's newsletter. I am deeply grateful for the service of our dedicated volunteer Fire Department members. May this memorial also serve as a reminder of the service that they provide on a daily basis.

Thank you to all who attended our first Monday with the Mayor event in person at City Hall or via Facebook Live. We had a great presentation and discussion on speeding and graffiti issues in our city. Several of our residents had great ideas and questions. On Page 3 of this newsletter you can read an email we received from one of our residents on their perspective after participating in our first meeting. Your participation is greatly appreciated! I wish to thank our Tooele City Police Department and their increased effort to address both of these problems. I look forward to meeting with you on Monday, May 2<sup>nd</sup> to talk about water conservation and our plans to address the continuing drought in our valley. Thank you!

City Council Meetings are generally held the 1st and 3rd Wednesdays of every month at Tooele City Hall.

Meetings are open to the public and available through livestream on Facebook @tooelecity.

Meeting agendas, minutes, and Facebook video links for the meetings are available on our website tooelecity.org.

## THE COUNCIL'S CORNER

BY COUNCIL MEMBER TONY GRAF

Spring is an exciting time of year even if our Utah weather can't fully leave winter behind. I am excited to see our community embrace neighborhood clean-ups throughout the city under the #TakePrideTooele Spring Clean Up . If you haven't participated, reach out to us to learn how your neighborhood can have a trailer delivered to your neighborhood with all the tools and implements to help spruce up the neighborhood. We also have our annual #TakePrideTooele Day on May 21, 2022. I hope you can participate in this annual celebration with us. If you know neighbors who do an excellent job with their yards, be sure to reach out to us to nominate them for recognition on or before May 8th.

I am also excited about the recent groundbreaking at the Deseret Peak High School located in the Overlake area. Deseret Peak High School will be our second high school in the city and will serve future generations of youth as they further their education. The high school is scheduled to accept its first group of students in August of 2025.

I also want to recognize our Tooele City Police Department. They began the ten-week Tooele Citizens Academy for leaders and residents of Tooele. This course is designed to educate and inform on various aspects of criminal justice and how our police department serves our community. I appreciate the time and effort to run this program and their outreach to the community.

Finally, we as a City Council are actively involved in working with Mayor Winn and the city administration in the budget process to ensure that Tooele City continues to provide the needed services to serve you all. I encourage all of you to become involved and share your feedback with us at our City Council meetings held the first and third Wednesday every month. We want to hear from you and hope you will continue to share your thoughts.

*~Tony*

## TELL US ABOUT LIFE IN TOOEELE

Your participation in this survey will inform the city's planning processes and give us a better understanding of wellbeing across Utah.

**WELLBEING SURVEY: USU's Utah Wellbeing Project has partnered with many cities and towns throughout Utah to conduct a public wellbeing survey. Tooele City encourages you to take 10 minutes to provide your feedback. You must be age 18+. Disponible en Español. Please share with others in your household and the Tooele City community. ## HELP KEEP OUR PARKS BEAUTIFUL!

Help us keep our parks and playgrounds looking good by identifying and reporting problems.

Helping out is easy: 1. Visit tooelecity.org (or click on the QR Code); 2. Select the Parks and Recreation home page (found under City Departments); 3. Under the Quick Links Menu find the Parks & Facility Maintenance Request link; 4. Fill out the form and describe the problem or your suggestion; and, 5. Submit.

We encourage residents, if you SEE SOMETHING, SAY SOMETHING! We spend thousands of tax payer dollars each year to repair vandalism and clean up graffiti. Please help us try to stop this. If you see suspicious behavior, call dispatch immediately at 435-882-5600. Tooele City offers a \$250 Reward for information that leads to the arrest of the person(s) responsible for graffiti or vandalism. Contact the Tooele City Police Dept. through Dispatch at 435-882-5600 or go online to tooelecity.org >City Departments >Police Department and choose "Make a Report".

## Why participate in Monday with the Mayor?

The following is an excerpt taken from an email we received from a resident who attended our first Monday with the Mayor meeting. It is an excellent summary of the meeting, and a great perspective from one resident. We hope after reading this many of you will also want to participate in our Monday with the Mayor meetings and discussions and will find them informative and beneficial. Monday with the Mayor is held on the first Monday of each month at 7:00 p.m. at City Hall or you can participate on Facebook Live.

*"I attended in person and want to thank you for offering monthly meetings with the Mayor. I like that the topics are limited to a few subjects which allows time for in-depth presentations and discussion. Also, I appreciate the opportunity to shake hands and meet with Mayor Winn, Chief Day, City Council Maresa Manzione, and City Council Ed Hansen.*

### **GRAFFITI:**

*My eyes were opened to how difficult it is to identify the perpetrators, prove their guilt, and how minimal the consequences are. You could say I have a change of heart as to how much time our police should dedicate to this issue. Our police are short-staffed and budgets are tight. I believe our police have more pressing issues. Thank you to our police department for their hard work in keeping the peace.*

### **Graffiti Takeaways:**

1. Invest in higher resolution security cameras at my home. Without solid proof of a crime, it's nearly impossible to hold a person accountable.
2. I support dedicated graffiti walls. Maybe even post their work on social media and possibly in the Transcript-Bulletin to recognize their skills and to encourage them to display their craft in legal venues. It's possible that not all graffiti is a complete disregard for property, but could be one's need to create public art. I agree with Chief Day in that public art should not contain, what is widely regarded as, offending words or graphics.

### **SPEEDING:**

*We all do it at some point, (hahaha there are some seniors or a select few who maybe don't). I believe our world has changed and we are expected to accomplish more, in less time, and with many distractions. I don't believe, as a general rule, that people choose to leave inadequate time to get to their destinations, but rather allow it to happen with poor choices leading up to their departure time and most likely make this a habit. I'm shocked to learn that my definition of speeding, 5 mph, and sometimes 10 mph over the posted speed limit on long trips, is not in line with others, who are comfortable with an insane speed and apparently have a total disregard for public safety. Again, I don't believe they fully contemplate the disastrous possibilities, but would surely carry lifelong, deep regret when they finally kill someone.*

### **Speeding Takeaways:**

1. I'm less likely to speed now that I'm recently retired and have fewer time constraints along with the ability to live more in the here and now. I know my years of commuting to Salt Lake City entailed habits of speeding due to the pressures of rush hour.
2. I'm in favor of a photo cop that issues a letter to the owner of a speeding car. That would scare me enough to focus on maintaining a legal speed limit for the mere fact it would hurt to throw money away should I get caught in person, and know I was observed speeding. I believe that it's human nature to respond or change when we feel pain or fear. I wish we could make better decisions without that, but we typically don't.
3. Speed bumps may provide some positive impact on the issue of speeding, however, I learned in this meeting that they are mainly used on private property and that on city roads there is a potential for lawsuits. Also, they are susceptible to snowplow damage. This I've seen happen when I've done volunteer, meals on wheels, to trailer courts. So as a citizen of Tooele, I would like us not to risk a lawsuit by having them on our roads. Also, I feel that they are great for private property where the speed limit is maybe 5 or 10 mph. A speed bump on a 25 or more mph road would be aggravating to encounter.
4. I had some thoughts after our speeding discussion. I believe in our working years, many of us lose sight of the reason a particular speed limit is imposed. For example, going faster than the posted 35 mph or 40 mph on our busy Main Street makes it difficult and risky for our neighbors to join in from an East or West adjoining road. Also Highway 36 really doesn't have a "fast" lane as it has exits from both lanes, like leaving Tooele City to turn into Home Depot or coming into Tooele County from the North and needing to exit East to Erda. There was a time when if you pulled out of your driveway, and a car turned a corner to suddenly appear, they would gladly wait for you rather than honk. The scenario is typically no one's fault. We both have a few seconds to be safe and friendly.

*Again, thank you. I look forward to future meetings with Mayor Winn, to educate myself on the issues at hand, and do what I can to make this a better place to live, not just for myself, but for all of us."*

*~Tooele City Resident*

On Saturday, March 19, 2022 the Tooele City Fire Department held their annual banquet. At this year's banquet they honored Rowe Harrison and Gary Vario for 40 Years with the Fire Department! Also honored was Past Chief Chris Shubert who served as Fire Chief in 2020 and 2021.

Mayor Winn, the Tooele City Council, and the residents of Tooele City would like to thank all of our volunteer firefighters for their service to our community!

## **THANK YOU HAROLD GALLOWAY!**

Tooele City would like to thank Harold for over 30 years of service to Tooele City! Harold began his career at Tooele City in 1990 as a temporary laborer in the cemetery. That same year he was hired on as a regular status employee. He moved to the Parks Maintenance division in 2002 and then in 2009 he returned to the cemetery when he accepted a temporary promotion as Cemetery Sexton when a vacancy occurred. After that time ended he remained at the cemetery as one of our most valued, experienced, and senior employees until his retirement on April 1, 2022. Harold is known for his smiling face, his caring attitude, and his understanding of this special job caring for our loved ones in their final resting place.

## OUTDOOR WATER CONSERVATION SCHEDULE

### 2022 Watering Conservation Schedule

**Area #1** All water users North of Vine and West of Main water Wednesdays and Saturdays.

**Area #2** All water users North of Vine and East of Main water Tuesdays and Fridays.

**Area #3** All water users South of Vine water Mondays and Thursdays.

**Outdoor watering is not permitted on Sundays.**

Visit [slowtheflow.org](http://slowtheflow.org) for great indoor and outdoor water wise tips!

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses-such as newly planted sod or lawn, contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.

<b>#1</b> North of Vine, West of Main  Wednesday and Saturday	M A I N  S T R E E T	<b>#2</b> North of Vine, East of Main  Tuesday and Friday
		VINE STREET
<b>#3</b> South of Vine Monday and Thursday		

The above schedule is a voluntary outdoor watering guide for Tooele City residents. As you are aware, the Western United States is in a historic drought. Now more than ever water conservation is so important! At this time Tooele City is not implementing mandatory restrictions, but ask our residents to follow the voluntary schedule and take steps on their own to conserve water. We will continue to monitor the situation daily. If our system gets to a point that tank levels are unable to maintain a sustainable rate we will reassess and make decisions at that time.

Find water conservation tips and resources on our website [tooelecitey.org](http://tooelecitey.org). There are great resources available to educate residents on how to save water both indoors and outdoors. We will also post tips and resources weekly on our social media sites so follow us on Facebook, Instagram, and Twitter.

Tooele City is implementing water conservation and water wise practices. We are switching our parks and facilities to automated irrigation systems with smart controllers. We removed the grass at the Youth Center on 7th Street and are in the process of putting in conservation landscaping that requires less water to maintain. We have taken out some of the unused, decorative grass at the Animal Shelter and will add additional parking. We are trying to do our part, and we ask that you please do yours!

## SPRING CLEAN UP 2022

*working together for a strong community*

### Ideas to Clean Up & Beautify Your Yard

- Sweep sidewalks, curbs, and gutters.
- Mow, pull or spray weeds\*.
- Clear away fallen limbs, branches, and leaves.
- Cut back overgrowth (bushes, vines, trees, shrubbery).
- Clear your yard from trash, debris, and clutter.
- Clean up and re-edge flower beds and borders.
- Great time to prep lawns for spring growth (rake, aerate, fertilize, and seed).
- Mow grass and redefine borders of the lawn.
- Neaten up hardscape surfaces (sidewalks, driveways, pathways, patios, porches).
- Clear obstruction (trees, vines, bushes) from sidewalks and roads.
- Patch, replace, or paint worn fences and gates.
- Add a final touch! Plant flowers and plants to add color, beauty and fun to your home!

\*Section 8-4 1(a) of Tooele City code states any weeds/grass on real property under 5 acres must be cut and maintained under 6 inches. Property owner is responsible for park strip area(s) adjacent to their lot. Any lot larger than 5 acres must have a border of 30 feet cut and maintained under 6 inches. Violation of this code may result in fines and/or a class B misdemeanor.

### Ideas to Clean Up Your Neighborhood

- Offer assistance to someone in your neighborhood who could use a little help or are unable to clean up their own property.
- Organize a neighborhood group to clean up common areas, double frontages, roadways, alleyways, and nature areas.
- Clean up sidewalks and gutters in front of vacant lots.
- Reserve the #TakePrideTooele Neighborhood Cleanup Trailer free of charge at [tooelecity.org](http://tooelecity.org) for your neighborhood cleanup project.

**FREE PIZZA PARTY FOR FIRST 10 NEIGHBORHOOD CLEANUP TRAILER RESERVATIONS FOR NEIGHBORHOOD CLEANUPS!**

You bring your neighbors and we will bring the trailer full of tools and the pizza! Register today at [tooelecity.org](http://tooelecity.org).

### Ideas to Clean Up Your Community

- Visit [tooelecity.org](http://tooelecity.org) or call or contact Tooele City at [terras@tooelecity.org](mailto:terras@tooelecity.org) or at (435) 843-2142 for a list of community projects (beautify the cemetery, parks, landscaping, etc.) where your family or organization could volunteer.
- Do you have suggestions or ideas for a project? Contact Tooele City for project coordination at [terras@tooelecity.org](mailto:terras@tooelecity.org) or at (435) 843-2142.
- We encourage businesses and organizations to clean up their store fronts and properties!

**Thank You! Citizens and businesses play a critical role in beautifying our community!**

# RESIDENTIAL BULK WASTE PICK UP

**Box It!**  
**Bag It!**  
**Bundle It!**

## Frequently Asked Questions

### When does Bulk Waste Pick Up?

Tooele City provides a monthly bulk waste pickup program year-round. The pick up day is once a month (Based on your normal garbage pickup day) for those items which do not fit into your trash container. This service is provided at no additional cost to Tooele City residents and will go a long way in cleaning up our City and keeping it clean. This May you will get an extra bulk waste pick up day. See the schedule below.

### Will Bulk Waste pick up old furniture and appliances?

Yes! Bulk Waste accepts old appliances (items must have Freon removed and a label placed indicating removal), mattresses, furniture, carpet, and couches.

### Can I put yard waste out for bulk waste pickup?

Yes! Bulk Waste will take your yard waste, such as branches, limbs, and shrubbery but it MUST be bagged, boxed or bundled (with rope or twine), and branches and limbs must be less than 4 inches in diameter and be less than 5 feet in length. Items cannot exceed 75 lbs.

### Will Bulk Waste accept hazardous waste?

No! Do not put items such as paint, solvents, batteries, or pesticides out to be picked up by bulk waste. The Hazardous Waste Collection Day will be held on Saturday, September 10, 2022. Please visit [tooelehealth.org](http://tooelehealth.org) for more information.

Residential customers: The Bulk Waste Program is offered year round! Take advantage of your extra bulk waste pick up day during May—at no additional cost to you! Please make sure everything is out on your curb before 7:00 a.m. the day of your bulk waste pickup, but not more than 24 hours prior. There is no need to call Tooele City or ACE Disposal to schedule a pickup. If by chance your bulk waste pickup was missed on your pickup day, please call ACE Disposal directly at 435-882-7009. If your items are out of compliance, ACE Disposal will leave a tag on your door indicating the reason they were unable to pick up your items. For a complete list of acceptable & unacceptable items, and specific requirements, please visit our website [tooelecity.org](http://tooelecity.org).

## Some Do's & Don'ts

For this type of pickup it requires to BAG, BUNDLE, or BOX your items. Your boxes, bundles, and bags cannot weigh more than 75 lbs. Bulk waste will not pick up anything that is marked "FREE" or "PLEASE TAKE" or "GIVING AWAY". Bulk waste will not pick up anything that is leaning against fences or mailboxes. Do not park cars or other vehicles in front of your bulk waste or it may not be picked up. We ask you to set out your bulk waste the way you would want to pick it up.
