Mayor Debbie Winn

MAYOR'S MESSAGE

MAYOR DEBBIE WINN

Tooele City is a great place to live, but it is also a great place to work. Our employees work very hard to provide a safe, healthy, fun, and active community and are responsible for the health, welfare, and safety of our residents.

I want to acknowledge our Public Works Department. Sometimes we overlook the important work they do and take for granted the jobs that they do. These are the employees who keep our water system, sewer system, streets, and fleet running and in good condition. Most work 40 hours per week but many are always on call and often work more than 40 hours. When there are emergencies, they are who we call, along with our first responders.

On Saturday, August 6th, the Public Works crews were called out during the rainstorm to help clean up from the flooding. They helped clear gutters and storm drains, replaced manhole covers, and cleaned up the roads that were full of debris.

On Sunday, August 7th they were called out again. This is an email we received from one of our residents, "I called Sunday about 3 pm, saw a leak in the middle of 805 Broadmore Way. The Police Dept. Dispatcher said she would get it to the Water Dept. About 1 hour later they showed up. There were about 5 guys. Back hoe/dump truck you name, they had it. Great bunch of men. They worked their butts till about 11:30 pm and got it fixed. I just wanted you to know and maybe send them a THANK YOU from me. They are a Class Act... sincerely Tooele City Resident."

We have also received emails in appreciation of the chip seal and new striping on Skyline Drive and how nice it looks and how it will help deter speeding and illegal passing on that road. Another resident emailed to thank our streets crews for installing a "Dead End" sign on their street, and said how much it has already helped.

Many of these tasks often go unnoticed, so I appreciate the emails I have received from our residents. I would also like to thank each of these employees for their hard work and their dedication to our City.

PUBLIC WORKS ADMINISTRATION: Jamie Grandpre, Tiffany Day, Laura Bankhead, Marisa Snyder, Ryann Willardson, Jack Cochrane, Julie Ann Prescott

STREETS: Geoff Allred, Mark Hervat, Dave Beck, Levi Mascarenas, Robert McMain, Corey Soderman, Josh Erickson, Logan Moyes, Colt Youngdell, Roland Pyne

WATER RECLAMATION: Troy Meyer, Ray Henninger, Robert Adams, Colton Tate, Miguel Sandoval, Jason Martinez, Jason Allred, Taylor Jorgensen, Saxon Carter, Hunter Sherburne

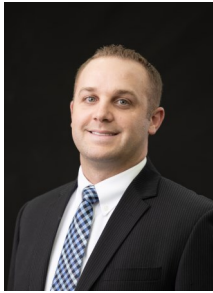

WATER: Morgan Evans, James Lawless, Jon Wexels, Kameron Rockwell, Nick Mansanarez, Jason Faudree

SHOP: Scott Miller, Justin Richardson, Scott Allred, Mark Davidson

City Council meetings are generally held the 1st and 3rd Wednesdays of every month at Tooele City Hall. Meetings are open to the public and are available through livestream on YouTube (Search “Tooele City Channel”). Meeting agendas, minutes, and video links for the meetings are available on our website tooelecity.org.

THE COUNCIL’S CORNER

BY COUNCIL MEMBER MARESA MANZIONE

There are many ways to be involved in the Tooele City community! Summer is winding down and we have had several events that gave opportunities for residents to gather together. The July 4th events were well attended. From the triathlon, 5k, hot dog dinner and car show to concert and fireworks and the parade and rodeo, Tooele’s weeklong celebration continues to be a great community event that builds community pride. Fridays on Vine are weekly concerts (paid for by PAR money) that draw hundreds of people out to sing, dance, relax, and enjoy food from the food trucks. Although a couple concerts had to be cancelled due to rain, the bands who came to play were very complimentary of the crowds who attended the concerts. They enjoyed the fun atmosphere and audiences of Tooele.

Fall is coming up and there will be new opportunities to be involved – through high school sporting events, neighborhood clean-ups, food drives, and more. There will be an upcoming opportunity to comment on Mid-Valley Highway phase 2 that is being planned by UDOT and a Tooele Active Transportation Plan that is being developed through a state grant. I hope that part of community involvement also includes listening to or attending an occasional City Council or Planning Commission meeting. It is great to have people in the audience and to hear comment on possible solutions to issues we have in the community.

Another great way to be involved in the community is to shop local. When we shop at our local stores, more sales tax money stays in Tooele. Covid was a trying experience for everyone, but one of the good things that happened was that our residents shopped in Tooele more than they ever had before. This puts local money back into the local economy, rather than to Wasatch Front cities. The Tooele City Council is very committed to bolstering the business community in Tooele.

We have recently had a Downtown Alliance Committee form and begin to plan events, renovation ideas, and economic expansion in our Downtown and Broadway areas. They have received over \$450,000 in grant money so far to further these goals. Stop by some of our Main Street small businesses and see what they have to offer.

The Council is also recruiting other businesses that will benefit our community and give more shopping choice – restaurants and retail stores bring property tax revenue as well as much needed sales tax revenue to Tooele City.

Building a great community takes everyone! I hope you will find ways to be involved and invested in Tooele City. If you have ideas or solutions we love to hear them.

~Maresa

OUR MEETING BROADCASTS ARE MOVING!

BEGINNING AUGUST 24, 2022 WE SWITCHED OUR LIVESTREAM PLATFORM FOR OUR PUBLIC MEETINGS FROM FACEBOOK LIVE TO OUR YOUTUBE CHANNEL.

YOU CAN STILL JOIN OUR MEETINGS ELECTRONICALLY!

SEARCH FOR "TOOELE CITY CHANNEL" ON YOUTUBE TO WATCH OUR CITY COUNCIL MEETINGS AND OUR PLANNING COMMISSION MEETINGS LIVE MOST WEDNESDAY NIGHTS!

NEW TRAFFIC LIGHT and REDUCED SPEED LIMIT

The new traffic light at Lodestone Way and Utah Avenue was energized and began operating on August 16, 2022. This is the very first traffic light that is owned and operated by Tooele City. All other traffic lights that you see in City limits are on State Roads and the traffic lights are owned and operated by UDOT. The traffic light at Lodestone Way and Utah Avenue was installed as a result of the growth that has taken place at the Peterson Industrial Depot/Ninigret Depot. With the addition and expansion of several companies, such as Carvana and Plastic Ingenuity over the past few years, the number of large vehicles, employees, and traffic has increased in the area.

With the new traffic light, the speed limit has been reduced on west Utah Avenue from 60 mph to 45 mph between the railroad tracks and the traffic light at SR112 (1000 North).

As always - when driving - please be attentive, safe, and courteous! Thank you!

West Vine Street Sidewalk Project Update

At approximately 470 West Vine Street, along the north side of the road, Tooele City applied for grant funding to have a new sidewalk installed along the property as part of a Safe Routes to School grant program through the State of Utah Department of Transportation (UDOT). The following is a timeline and update on that project:

- In September of 2021 Tooele City was awarded \$90,000 through UDOT's Safe Routes to School (SRTS) grant program to install a new sidewalk on Vine Street.
- The funding was to become available at the start of Fiscal Year 23 (July 1, 2023).
- The funding would cover construction of sidewalk, curb and gutter, as well as tree removal on the north side of Vine Street between Coleman Street and 400 West where a sidewalk "gap" exists.
- Tree removal was necessary to complete the sidewalk and was desired by the property owner. With the blessing of UDOT and expectation of future reimbursement, Tooele City received competitive bids for tree removal and hoped to complete the entire project this summer (2022).
- In early July 2022, UDOT informed Tooele City that their source of Federal funding for the project had changed the rules, causing significant changes to their grant program.
- UDOT and Tooele City are confident we can find alternate funding for the project, but due to circumstances the project will not be completed prior to the start of this school year.

TOOELE CITY "SETTLEMENT AGREEMENT"

We have received many inquiries from our residents asking what the "Settlement Agreement" is all about. We have compiled a list of bullet points to summarize the Settlement Agreement. The Lawsuit and the subsequent Settlement Agreement continue to impact the finances and financial responsibility of the City.

Summary of "The Lawsuit" with Tooele Associates over the Overlake development.

In about 2001, Tooele Associates (TA) sued Tooele City, and the City countersued. Both TA and the City claimed the other had breached the Development Agreement for the Overlake subdivisions. The case was tried in the District Court in Salt Lake City in 2009. The jury decided both TA and the City had breached the Development Agreement. The net judgment was \$21 million against the City. The City vigorously contested that result in court for five years, believing it unjust, but lost the appeals. Just before arguing its last appeal to the Utah Supreme Court, the City and TA negotiated a settlement.

Here are some of the main Settlement Agreement points:

- The City made a cash payment toward the Judgment of about \$2 million from existing City funds.
- The City paid about \$7 million of the Judgment by giving TA credits to 1,805 acre-feet of water rights, valued at \$3,750 per credit.
- The City obtained authorization from the State Legislature to bond for the remaining Judgment amount of about \$12 million. The City used the bond proceeds to pay off the Judgment, and to save on judgment interest, and is now paying off the bond over 20 years.
- The City gave TA an option to purchase an additional 1,495 water rights credits at the same per-credit price.
- The total water rights credits TA can get from the City is 3,300 acre-feet.
- The water rights credits purchased by TA can be used only in Overlake, and nowhere else within the City or outside the City.
- The City accepted the roads and sidewalks in Overlake as built by TA, and completed 400 West with City funds.
- The City approved TA's zoning plan for the rest of Overlake, most of which was zoned R1-7 (single-family residential, 7,000 square-foot minimum lots) as a holding zone, anticipating future rezones.
- TA agreed to a cap or ceiling of 4,800 total dwellings in Overlake. As of 2022, about 2,100 of the 4,800 dwellings have been built or approved to be built, with about 2,700 to go.
- The North Tooele City Special Service District, which maintains the decorative public features of Overlake (e.g., street signs, street lights, boulevard landscaping), was shrunk to the existing approved Overlake subdivisions (i.e., phases 1A – 1G).
- TA gets to buy treated wastewater from the City Water Reclamation Facility (aka sewer treatment plant) to irrigate The Links at Overlake golf course, at \$20 per acre-foot.
- All disputes between TA and the City about Overlake must be resolved out of court through mediation or arbitration.

**TOOELE CITY PARKS,
ARTS & RECREATION**

THANK YOU FOR YOUR SUPPORT OF TOOELE CITY PAR!

Thank you for your support of Fridays on Vine this year! It was a fun and exciting year, full of great performances. There were some new groups this season, such as **Rewind** and **Whitney Lusk**. We also brought back some old favorites such as **Carver Louis**, **Exit 99**, and **Peter Breinholt** – just to name a few. Be sure to join us again next summer for Fridays on Vine!

The Tooele City Arts Council organized Fridays on Vine, but it is made possible through the PAR (Parks, Arts and Recreation) program. The PAR program also provides art classes and workshops, children's theater, park improvements (such as pickleball courts—see the photo below), and grants to community art organizations such as Tooele Valley Theatre and the Tooele Arts Festival.

The PAR program is funded with a 1/10 of 1% tax that the voters approved in 2004 and reauthorized in 2012. To break that down, 1/10 of 1% is only 1 cent for every \$10.00! You have the opportunity to renew the PAR program this November which will allow these types of concerts and programs to continue.

 Come see the plans for the new dog park that will be at England Acres Park.

Watch for this language on the ballot this November:

Tooele City Proposition #6—Parks, Arts, and Recreation (PAR) Tax: "Shall Tooele City, Utah, reauthorize a 1/10th of 1% sales and use tax to fund cultural facilities, cultural organizations, and recreational facilities in Tooele City?"

Funding may be used for capital improvements and operations of publically owned/operated amenities such as, but not limited to:

- Parks
- Playing Fields/Courts
- Trails
- Playgrounds
- Pavilions

Funding may be used to support municipal or non-profit organizations providing programs such as, but not limited to:

- Youth Groups
- Museums
- Theater groups
- Festivals
- Fridays on Vine and other Concerts
- Art Classes/Workshops
- Arts Councils

Thanks again for your support!

BOOO! IT'S CRAFTING TIME!
HALLOWEEN WORKSHOP

SEPTEMBER 23, 2022 | 4 - 6 PM & 7 - 9 PM
 TOOELE CITY HALL (90 N. MAIN STREET)
 FOR A LIST OF PROJECTS AND TO REGISTER VISIT TOOEECITY.ORG
 REGISTRATION ENDS SEPTEMBER 12TH AT 8 PM
 QUESTIONS CALL 435-830-2458

On August 8, 2022, 24 families participated in our Free Family Activity—Pickleball! Ninety-four (94) individuals took turns playing pickleball against one another. Six (6) pickleball instructors gave lessons on the basic rules of pickleball and a short demonstration of how to play. Families took turns playing pickleball while the instructors continued to help and give pointers. Each registered family received 2 racquets, 2 balls, racquet tape, and a printed instruction sheet with the rules. It was a fun night! The Pickleball courts at Elton Park were made possible through Parks, Arts, and Recreation (PAR). For more information about PAR or our monthly Family Activities visit our website tooelecit.org.

Congratulations and Thank You Gene Rael!

After over 21 years of seasonal and full-time work with the Tooele City Parks & Recreation Department, Gene Rael retired in July 2022. He was involved in the maintenance of our facilities, and particularly took pride in caring for the baseball fields. He often worked behind the scenes at various events such as the Arts Festival and 4th of July celebration. Thank you for your many dedicated years of service Gene! You will be missed!

As the temperatures start to cool down don't forget to adjust the timer on your automatic irrigation / sprinkler systems. Lawns and gardens do not need as much water in the Fall as they do in the Summer. Shorter watering intervals conserves water for all of us and saves you money!

BUSINESS LICENSES REQUIRED IN TOOELE CITY:

Anyone offering a SERVICE from their home, for compensation, requires a Tooele City Business License. Please call the Tooele City Business License Specialist at 435-843-2110 for more information or go to tooelecity.org and choose DEPARTMENTS>BUSINESS LICENSING from the menu for business info in Tooele City limits.

INFO on DOOR-TO-DOOR SOLICITORS

ALL door-to-door solicitors (Itinerant/Transient Merchants) must be licensed with Tooele City and must have a **2022 GREEN Tooele City ID Badge** on and in plain sight. If a solicitor is not wearing a badge, please call 435-843-2110 or Dispatch at 435-882-5600 (after 5:00 p.m. and on weekends). Please be sure to give a complete description of the individual(s) and the direction they are headed. Thank you!

RESERVE THE NEIGHBORHOOD CLEANUP TRAILER FOR THE NATIONAL DAY OF SERVICE (OBSERVED THIS YEAR ON SEPT. 10, 2022)

NEIGHBORHOOD CLEAN UP TRAILER!

The #TakePrideTooele Cleanup Trailer is available for residents to use at no cost! The trailer is stocked with tools to help residents clean up their neighborhoods! Reserve the trailer for your neighborhood at tooelecity.org.

ORDINANCE COMPLIANCE REMINDERS

Friendly reminder pertaining to trash/debris items:

Section 8-4-4-1(b) and (e) of Tooele City code states these will be deemed a nuisance: (b) the accumulation of garbage, refuse, or unsightly or deleterious objects or structures upon real property, unless contained in connection with an association lawfully situated and licensed for the same; (e) any other unsightly or deleterious condition that gives rise to a threat to human health or safety; Any garbage/debris/unsightly objects must be properly disposed of within a timely manner.

Friendly reminder pertaining to inoperable/abandoned vehicles:

Section 8-4-4-1(c) and (d) of Tooele City code states such vehicles will be deemed a nuisance: (a) junked, wrecked, or inoperable motor vehicles upon real property, for longer than 72 hours, except that up to 2 such vehicles or parts thereof may be stored within an enclosed building or completely screened by a sight-obscuring fence. (d) Abandoned motor vehicles. Only two inoperable motor vehicles may be kept and must be placed behind a screened fence, or in an enclosed building. Vehicle coverings are not considered in compliance with this code.

The full text of the above referenced City Code can be found on our website tooelecity.org. You may also contact the Tooele City Ordinance Enforcement Officer at 435-843-2164 if you have questions or for more information.

WE NEED YOUR HELP!

You can help keep our parks and playgrounds looking good by identifying and reporting problems.

\$250 REWARD

Helping out is easy: 1. Visit tooelecity.org; 2. Click on the Parks and Recreation home page (found under City Departments); 3. Under the Quick Links Menu find the Parks & Facility Maintenance Request link or look for the icon; 4. Fill out the form and describe the problem or your suggestion; and, 5. Submit.

We encourage residents, if you SEE SOMETHING, SAY SOMETHING! We spend thousands of tax payer dollars each year to repair vandalism and clean up graffiti. Please help us try to stop this and if you see suspicious behavior, call dispatch immediately at 435-882-5600. Tooele City offers a **\$250 REWARD** for information that leads to the arrest of the person(s) responsible for graffiti or vandalism. Contact the Tooele City Police Dept. with information about graffiti or vandalism or go online to tooelecity.org and choose "Make a Report" from the Quick Links Menu on the Police Department's webpage.

HOME ENERGY ASSISTANCE TARGET PROGRAM

HOME ENERGY ASSISTANCE TARGET PROGRAM

The HEAT Program will be offering a Cooling Program benefit for a limited time beginning April 1, 2022. Historically, HEAT eligible clients are only able to receive one utility assistance benefit per program year (October 1-September 30). This year, there was additional funding that allowed a second round of benefits for HEAT eligible households. Clients may apply for a HEAT Program benefit between October 1, 2021—March 31, 2022 AND a Cooling Program benefit between April 1, 2022—September 30, 2022. The Cooling Program benefit includes all of the same utilities as the HEAT Program (electricity, gas, propane, wood, coal, oil, etc.).

In addition to the HEAT and Cooling Program, there is also a Water Assistance to HEAT eligible households for a limited time. From October 1, 2021—March 31, 2022, clients were only able to receive Water Assistance if they were in danger of having their water shut off or were already without water. Beginning April 1, 2022, ALL HEAT eligible households will be able to apply for Water Assistance regardless of their water account status.

For more information and to apply go to jobs.utah.gov/heat

National Preparedness Month is an observance each September to raise awareness about the importance of preparing for disasters and emergencies that could happen at any time. Visit [READY.GOV/SEPTEMBER](https://www.ready.gov) to learn how you can be prepared for disasters.

Visit [TCEM.ORG](https://www.tcem.org) and sign up for Tooele Alerts to be notified in cases of emergency.

Dow James Memorial

We are accepting donations for a new memorial to be placed at the Dow James Park to honor Lauren Dow and Daniel James. More information about these men can be found on our website, [tooelecit.org](https://www.tooelecit.org). There is an account setup at City Hall to accept donations to make this memorial a reality. You can donate by calling the Tooele City Finance Department at 435-843-2150; come to City Hall in person at 90 North Main Street, Tooele; or mail a check to Tooele City Corporation, PO Box 89, Tooele, UT 84074 (please indicate on the check that the payment is for the Dow James Memorial). You can also Venmo @TVFD-Association. Thank you for your support and generosity!
