Mayor Debbie Winn

MAYOR'S ANNUAL GOLF TOURNAMENT

Mayor Winn held the Tooele City Mayor's Annual Benefit Golf Tournament on Friday, May 12, 2023. The tournament collected over \$20,000! Proceeds will go toward leadership scholarships for local graduating high school seniors and youth recreation programs within the City. We will have more information in August's issue about grants for youth recreation programs and how organizations can apply.

Thank you to our title sponsor Chartway Credit Union. Thank you to our breakfast sponsor Denny's Tooele, and lunch sponsor Ace Disposal. Thank you to our drink and snack sponsor Plastic Ingenuity. Thank you to our prize sponsors Goldenwest Health Insurance and the Hills Pro Shop. Thank you to Oquirrh Hills Golf Course for hosting the event!

We would like to thank all of our generous sponsors!

City Council meetings are generally held the 1st and 3rd Wednesdays of every month at Tooele City Hall. Meetings are open to the public and are also available through livestream on YouTube at www.youtube.com/@tooelecity (or search “Tooele City Channel”). Meeting agendas, minutes, and video links for the meetings are available on our website tooelecity.org.

THE COUNCIL’S CORNER

BY COUNCIL MEMBER MARESA MANZIONE

Hopefully many of you were able to attend the Downtown Fest and the Tooele City Arts Festival a few weeks ago. Supporting our local businesses and artists is very important. While downtown, please notice the five new parking spaces on the west side of Main Street near the corner of Vine Street! These spaces, along with the improvements to the curb and sidewalk on that corner will make the downtown business district more accessible. Tooele City and the Tooele City Downtown Alliance worked with UDOT to make this important change happen. This project was funded through the Tooele County 3rd Quarter Sales Tax grant.

Tooele City recently adopted improved landscape standards for new development that requires water conscious landscaping. I am excited that these ordinances will make Tooele City residents eligible for the State’s “Flip your Strip” rebate program and help to conserve water. There are specific rules that need to be followed to be eligible, including photos that have to be submitted. If you are interested in flipping your strip please check out the website, utahwatersavers.com, before you start so that you are eligible for the rebate. The Jordan Water Conservancy website has some great ideas for water wise park strip plans – and the plans are free. Visit conservationgardenpark.org for ideas.

One of my council assignments is to serve on the Redevelopment Agency (RDA). The RDA is tasked with the economic redevelopment of specified areas within the City. Economic development is important to the City’s tax base. One of the RDA areas is the Tooele Business Park. This is the land around the Community Learning Center and Tooele Technical College. Having these great educational institutions in our community has been invaluable to encourage industrial business growth because of the trained work force graduating and ready to go to work. We want to welcome Leitner-Poma of America to our business park. This is a \$35 million project and is expected to provide 236 new, high-paying jobs during the next ten years. Another of the RDA areas in Tooele is the Peterson/Ninigret Industrial Depot. This property was originally owned by the United States Army and when Tooele City took possession of the property in 1998 the taxable value was \$1.1 million. The current taxable value is \$454 million. Adding business development increases the value of this land and in turn increases the tax base of Tooele City. This means that the tax rate can be maintained at a lower rate for residential property owners than it would be otherwise. Tooele City will soon be welcoming another company to the Peterson Industrial Depot. Central State Manufacturing has just announced an expansion to Tooele! Central States is a \$25 million project and is expected to hire 90 people over the next five years. As we continue to attract and recruit these companies, we also provide jobs for our residents that do not require commuting to the Salt Lake Valley, and in turn, our residents shop in our community which keeps sales tax money here. As more people shop in the community, more retail businesses are interested in opening here. The result is a circle of benefit for Tooele City residents.

I am so happy to live and serve in such a great community! Hopefully we will see you at the upcoming 4th of July Celebration events!

~Maresa

SUMMER READING 2023 "All Together Now"

Read-Record-Reward through July 29th! Fun for all ages! Register and record your progress at tooelecit.y.beantstack.org and earn prizes!

FAMILIES

Family Karaoke: Friday July 7 • 6:30-8:00 p.m.
Enjoy a Friday night out of the house as you let your family sing their hearts out. Register at <https://linktr.ee/TooeleCityLibrary>

KIDS

Toddler Time: Tuesdays • 9:00-9:45 a.m. & 10:00-10:45 a.m.
Dow James Recreation Complex (438 W 400 N, Tooele). Bring your toddler to enjoy a different activity each week. This program is designed for children ages 1-5 years old. Registration required, space limited. Register here >> <https://tooelecit.y.org/fun>

Summer Storytime: Wednesdays • 11:00 a.m.
Storytime is a preschool program using the 7 days 7 ways principles from Very Ready to Read. *No registration required.

Wacky Wednesday: Community Helpers!
Join us each Wednesday at 1:00 for a fun activity! *No registration required.

Friday's in the Park: Registration is required, space limited. Register @ tooelecit.y.org. Join us 10:30am every Friday at one of Tooele's many Parks for a fun activity!

The Tooele Valley Museum features treasures from the early railroad and mining days in Tooele. On the property is the actual Engine 11 which transported ore and employees between Tooele and the International Smelting and Refining Company at Carr Fork. The museum is located inside of restored railcars and the old Tooele Station. For a tour of the museum call 435-843-2143. Visit tooelevalleymuseum.com.

Tooele Pioneer Museum

Memorial Day — Labor Day Fridays and Saturdays 10 am - 4 pm;
Tuesdays 10 am - 1 pm year round (call first).
For more information or to make an appointment for visits call (435) 882-3168 or go online to tooelepioneermuseum.org.

DUP Museum

Open June—September: Friday & Saturday 10 am - 4 pm
Year round appointments, special tours, or large groups call 435-496-0803 (Judy) or 435-830-9493 (Dorothy) or visit www.duptoeeeco.org.

BUSINESS LICENSES REQUIRED IN TOOEELE CITY:

Anyone offering a SERVICE from their home, for compensation, requires a Tooele City Business License. Please call the Tooele City Business License Specialist at 435-843-2110 for more information or go to tooelecity.org and choose DEPARTMENTS>BUSINESS LICENSING from the menu for business info in Tooele City limits.

INFO on DOOR-TO-DOOR SOLICITORS

ALL door-to-door solicitors (Itinerant/Transient Merchants) must be licensed with Tooele City and must have a **2023 BLUE Tooele City ID Badge** on and in plain sight. If a solicitor is not wearing a badge, please call 435-843-2110 or Dispatch at 435-882-5600 (after 5:00 p.m. and on weekends). Please be sure to give a complete description of the individual(s) and the direction they are headed. Thank you!

NUISANCE WEEDS:

Per Tooele City Code Section 8-4-4 1(a), any weeds/grass on real property under 5 acres must be cut and maintained under 6 inches. Property owners are responsible for park strip area(s) adjacent to their lot. Any lot larger than 5 acres must have a border of 30 feet cut and maintained under 6 inches. Fines may be assessed for properties not in compliance with City Code! **The civil penalties section of the Abatement of Nuisances code (8-4-7) was adopted at the City Council meeting on June 7, 2023. A new citation schedule is now in effect.** The full text of the above referenced City Code can be found on our website tooelecity.org. You may also contact the Ordinance Enforcement Division at 435-882-8900 with questions or for more info.

DRINKING WATER SOURCE PROTECTION

The Tooele City Water Quality Report is available for your review, and has been mailed to all water utility account holders within the City. The Report is also available on the City's web page at the following link: http://tooelecity.org/services/public_works/water_water_quality_reports.php

We are pleased to inform you that your drinking water continues to meet all U.S. Environmental Protection Agency (EPA) and State drinking water health standards.

Tooele City Vigilantly Safeguards its Water Supplies by:

- Establishing drinking water source protection zones for each of the City's sources;
- Adopting City Ordinances and relying on County Ordinances which regulate potential hazards to the City's drinking water sources; and,
- Collecting and analyzing water quality data to evaluate watershed protection efforts.

How You Can Help:

- Read and follow usage guidelines on detergents, fertilizers and pesticides;
- Do your part to prevent runoff into the storm drain system;
- Properly dispose of household products such as cleaners, oil or gasoline and unused medicines;
- Continue your water conservation efforts; and,
- When you notice someone else contaminating the water, remind them that "We all live downstream."

Public Works Project Updates

A lot is happening around Tooele City! In addition to managing the City's vehicle fleet, water, streets, sewer, and storm water systems on a daily basis, the following is a list of current and upcoming summer Public Works projects. If you have questions about these projects or any other projects you see happening in the City, please call the Tooele City Public Works Department at 435-843-2130. We appreciate your patience during this important work!

- **1220 South Roadwork (from SR36 to approximately 1010 West):**
 - ⇒ 1220 South is being rebuilt and a new waterline was put in prior to road work. This project is in progress and water services should be getting tied in soon. Asphalt will go in after utility work is complete.
- **Lisa Way and Clifford Drive Roadwork:**
 - ⇒ Lisa Way and Clifford Drive are both being rebuilt. Milling work was anticipated to start on June 26, 2023. Notices will go out to affected residents prior to work beginning.
- **7th Street Roadwork Widening (between 500 N to 600 N):**
 - ⇒ 7th Street is being widened between 500 North and 600 North. The project is currently in progress with continued utility re-location work (power and communication utilities). A new storm drain will be installed prior to the road expansion work. *This project is taking longer than anticipated due to unforeseen utility issues under the road.*
- **Vine Street Sidewalk:**
 - ⇒ This project is nearly complete. A new sidewalk was installed at approximately 450 - 550 West Vine Street using UDOT Safe Routes to School grant funding.
- **Main Street Parking:**
 - ⇒ This project added 5 new parking spaces to the west side of Main Street at approximately 29 North Main Street. The project is nearly complete. Irrigation work still needs to be finished. This project was completed with Tooele County 3rd Quarter Sales Tax grant funding.
- **Southwest Drive Storm Drain:**
 - ⇒ Adding new storm drain on Southwest Drive will help mitigate flooding in this area.
- **Roadwork Projects:**
 - ⇒ We anticipate that chip seal/slurry seal projects throughout town will be going out to bid soon. Affected residents will be notified prior to work beginning.
- Crews are painting fire hydrants and red curbs throughout town.
- Work continues on the Red Del Papa Well and the Berra Well and Reservoir. The Red Del Papa well is expected to be added to our water system soon.
- **Iron Street Sewer:**
 - ⇒ This rehab project is scheduled to begin at the Peterson Industrial Depot as we continue efforts to upgrade aging infrastructure with available budget.

Other projects of interest:

- UDOT is installing a traffic light at the 600 West 1000 North (State Road 112) intersection. A temporary signal will help with the current traffic situation at this very busy intersection. UDOT will continue working on the design of this intersection (it will most likely be widened) before installing a permanent traffic light.
- All West Communications is installing fiber communication lines throughout the City. All West is notifying residents when they are in the area. If you have questions about that project, please contact All West at 833-386-9498 or go online to <https://info.allwest.com/tooele>.

Chase Randall NEW Tooele City Library Director

Chase Randall was sworn in as the new Library Director on June 7, 2023. Chase has extensive management, budget, and information technology experience, and has a Master of Business Administration (MBA) degree.

Chase says he has an amazing wife Chelsea Randall and two wonderful kids. He looks forward to serving the people of Tooele.

Welcome Chase!

Andrew Agard NEW Tooele City Community Development Director

Andrew Agard was sworn in as the new Tooele City Community Development Director on May 3, 2023. Andrew earned a Bachelor of Science degree from Utah State University in Landscape Architecture and Environmental Planning (2000), and a Master of Public Administration degree from the University of Utah (2005). He holds a certification from the American Institute of Certified Planners (2008) and, has worked as a city planner for 21 years, the last five of which have been for Tooele City.

Congratulations Andrew!

WHAT DO WE DO WITH ALL OF THESE SANDBAGS?

Tooele City and our residents did an amazing job this Spring with flood mitigation efforts! Residents filled over 18,000 sandbags in preparation for potential flooding. We are grateful Mother Nature cooperated with this year and we did not experience flooding in Tooele City! Now that the risk of flooding from snowmelt has passed, the question comes, "what do I do with my sandbags?"

Sand or sandbags that have come into contact with only precipitation, but not floodwater, are normally considered to be not contaminated and can be reused without restriction. Potential reuses include flower beds or gardens, playgrounds or sandboxes, snow and ice control, or as base for paving blocks. If you typically have issues with flooding during the late summer monsoonal rainstorms, you can keep your sandbags to use during those storms this year.

Tooele City does plan to have disposal days this July. Watch our website, tooelecit.org, or our social media sites @tooelecit for more information on days, times, and locations.

Do Not dump sandbags in creeks, rivers, canals, ditches, roadway gutters, or storm drain inlets. PLEASE DO NOT THROW SANDBAGS AWAY WITH YOUR REGULAR GARBAGE!

WE NEED YOUR HELP!

You can help keep our parks and playgrounds looking good by identifying and reporting problems.

Helping out is easy: 1. Visit tooelecit.org or scan the QR Code on the left; 2. Click on the Parks and Recreation home page (found under City Departments); 3. Under the Quick Links Menu find the Parks & Facility Maintenance Request link or look for the icon; 4. Fill out the form and describe the problem or your suggestion; and, 5. Submit.

REWARD!

We encourage residents, if you SEE SOMETHING, SAY SOMETHING! We are experiencing an increase of vandalism in our parks, especially to construction equipment. We spend thousands of tax payer dollars each year to repair vandalism and clean up graffiti. Please help us try to stop this and if you see suspicious behavior, call dispatch **immediately** at 435-882-5600. Tooele City offers a **\$250 REWARD** for information that leads to the arrest of the person(s) responsible for graffiti or vandalism. Contact the Tooele City Police Dept. through Dispatch at 435-882-5600 with information about graffiti or vandalism or go online to tooelecit.org and choose "Make a Report" from the Quick Links Menu on the Police Department's webpage.

OUTDOOR WATER CONSERVATION SCHEDULE

2023 Watering Conservation Schedule

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

Visit slowtheflow.org for great indoor and outdoor water wise tips!

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses-such as newly planted sod or lawn, contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.

#1	M A I N S T R E E T	#2
North of Vine, West of Main		North of Vine, East of Main
Wednesday and Saturday		Tuesday and Friday

VINE STREET

#3
South of Vine Monday and Thursday

The above schedule is a voluntary outdoor watering guide for Tooele City residents. Even though we received near record snowfall this winter, water conservation is still just as important as ever! Although this schedule is not mandatory, we ask our residents to follow the voluntary schedule and take steps on their own to conserve water.

Be Waterwise!
Learn more about water-wise plants that are suitable for Utah landscapes. You can find water-wise plants at conservationgardenpark.org.

The Tooele City Council recently updated the outdoor landscaping requirements in Tooele City which will soon make us an eligible community so our residents can apply for state incentives to replace lawn with waterwise landscaping through Utah Water Savers. Find more information on their website at utahwatersavers.com. Utah Water Savers is your one-stop shop for conservation programs and rebates. Ready to start saving money on your landscape or in your home? Create a Utah Water Savers account to apply for and redeem cash incentives and see available programs (fixture rebates and landscape incentives). Visit utahwatersavers.com to start saving today.

The Mayor and City Council want to lead out in reducing water use in Tooele City, to extend the life and capacity of the City's existing water resources, and to encourage responsible thinking about the conservation of water.

FRIDAYS ON VINE

The 2023 Fridays on Vine Free Summer Concert Series is held most Friday nights throughout the summer months at 7:00p.m. at the Aquatic Center Park (200 W. & Vine St., Tooele). Bring your lawn chairs, families, and friends for great entertainment at Fridays on Vine! Visit tooelecity.org for the schedule and a full description of the artists.

July 7: "Vocalocity" is an all vocal band creating rad harmony, gnarly beats and wicked sound.

July 14: "Wildwood" is Utah's new favorite country band. They keep crowds singing along and dancing by performing original songs plus hits from Keith Urban and Vince Gill to Carrie Underwood and Shania Twain to classic 90s country and everything in between.

July 21: "Army Band" has been providing music for both Military and Civilian events for nearly a century. With roughly 60 performances per year, the 23rd Army Band is one of the busiest Military Bands in the Country. The members are proud to serve as soldiers in the Utah Army National Guard, and are grateful for the opportunity to perform for you.

July 28: "Peter Breinholt" is a well-known performer who has performed for countless sold out crowds across the State of Utah and has been performing at our Fridays on Vine Concert series for a number of years. He is always a crowd favorite!

Food trucks are available most nights!

Join the Tooele City Arts Council for their July 2023 classes held at Tooele City Hall, 90 North Main Street (Basement Classroom). You must register for all of the following classes online at: tooelecityartscouncil.org

ADULTS AND TEENS (\$15 All supplies provided)

- July 13: Blossom Paint Night • 6:00 - 7:30 p.m.
- July 19: Watercolor Class - Utah Trout • 7:00 - 8:30 p.m.
- July 20: Macramé Earring Class • 6:00 - 7:30 p.m.
- July 26: Watercolor Paint Night • 7:00 - 8:30 p.m.
- August 17: Miniature Figure Paint Night for Beginners • 6:00 - 7:30 p.m.

KIDS SUMMER CRAFT CLASSES (\$7 all supplies provided)

- July 12: Dream Catchers (ages 3+) • 9:00 - 10:00 a.m.
- July 19: Salt Painting (ages 3+) • 9:00 - 10:00 a.m.
- July 19: Camping Lanterns (ages 4+) • 10:30 - 11:30 a.m.
- July 26: Under the Sea Art (ages 3+) • 9:00 - 10:00 a.m.

FOR MORE DETAILED FIREWORKS INFORMATION VISIT OUR WEBSITE AT WWW.TOEELEFIRE.ORG

Please use extreme caution when handling fireworks! Each year, the Tooele City Fire Department publishes a Fireworks Restrictions Map. This year's map is posted above and can also be found online at www.tooelefire.org along with other recommendations and fireworks safety tips. We encourage residents to enjoy the City's fireworks show on Saturday, July 1st instead of lighting their own fireworks. Professional shows are much safer and more controllable than personal fireworks, which is why residents are encouraged to leave the fireworks to the pros. If residents choose to light their own fireworks, we urge you to be careful, and always use common sense. Please be safe! **Please note: Fireworks are not allowed to be discharged in any Tooele City Parks. Thank you for your cooperation!**
