MAYOR'S MESSAGE

MAYOR DEBBIE WINN

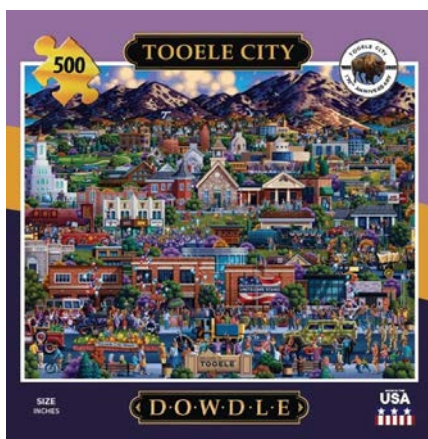

Again this year, there have been hundreds of residents who cleaned up their properties, neighborhoods, and City parks and facilities in support of our #TakePrideTooele Spring Clean Up events. Many groups spent countless hours beautifying our City—from cleaning up roadsides to planting flowers. I want to express my deep appreciation to each one of you for your dedication to our City and for making it a place to be proud of.

On Saturday May 20, members of the City Council and I, along with City staff, and community volunteers cleaned up graffiti in the Broadway area. I especially want to thank Bonneville Family Practice, New Life Church, and BSA Troop 314 for their help! There are before and after photos on page 2 of this newsletter, and many more photos from our clean up event on our Facebook page @tooelecity. The difference they made is amazing!

Tooele City is a wonderful place to live and be proud of. I'm looking forward to our traditional summer events that will include Fridays on Vine Concerts and the 4th of July week-long activities! I hope to see you there!

Thank you!

~Mayor Debbie Winn

THE COUNCIL’S CORNER

BY COUNCIL MEMBER DAVE MCCALL

As the weather warms up and the heavy snow pack melts, please take the necessary precautions in case of potential flooding. The City has a sandbag location at 505 West 900 South where residents can fill their own sandbags. Information on how to properly dispose of sandbags can be found on the City’s website at tooelecity.org.

The City Council, Mayor, and City Staff are working together to ensure Tooele City continues to move ahead in a positive direction with new industry and retail business. It is important that we ensure Tooele citizens can work, live, play, and shop in our community.

I’m excited for Tooele City summer entertainment and activities this year with the first Fridays on Vine starting June 2, and the Fourth of July Parade and Entertainment on July 4th. A complete list of all the summer fun is listed on the City’s website tooelecity.org.

~Dave

Thank you to those who helped clean up graffiti in the Broadway area on #TakePrideTooele Day 2023! Thank you to Bonneville Family Practice, New Life Church, BSA Troop 314, and residents in our community who participated in the clean up with Mayor Winn, members of the City Council, and City staff!

BEFORE

AFTER

Congratulations Braxton Jordt and Payson Jordt — Mayor’s Community Recognition Award Recipients for May 2023!

“Braxton and Payson Jordt are brothers and long time Tooele City residents. These young men were in the Walmart parking lot when they noticed a person who seemed to be living out of their car with the hood up. They did not know this person but they offered to help diagnose the car problem and when they figured out what was wrong they offered to fix the problem (all while they were in the Walmart parking lot), they even bought the part because this person didn’t have the funds to do so.

These boys made a difference helping an individual with their needed car repairs and showed a selfless act of kindness. Thank you for making our community better.”

Congratulations to Braxton and Payson!

Mixing the "Groove" of L.A. with the professionalism of "Music City" Nashville, Tennessee, this band does it all. They perform music from multiple genres, including pop, rock, country, contemporary, acoustic, Latin, jazz, reggae, Broadway, and holiday.

June 9: "Tooele Arts Festival"

June 16: "No Clear Ending" is a band of kick-back musicians and friends based in beautiful northern Utah. Interweaving a diverse range of genres into a unique and personal style, the band has few rules when it comes to its music. No Clear Ending is an indie rock/alternative band in the Salt Lake City area. Music and musings with no clear ending in sight...

June 23: "Imagine—Beatles Tribute Band" and Chamber of Commerce BBQ fundraiser (BBQ 6-8 pm) benefitting the Tooele Food Bank. From their convincing Liverpool accents with Beatles wit to their pointed Cuban heel boots and authentic vintage instruments, what you'll experience during their show is pure magic. It's like seeing the Beatles in concert for the first time! Imagine will take you back to a truly fantastic time that can NEVER BE again. Please sit back and..... Imagine.

Recognizing Suspicious Activity

The first rule of crime prevention is to always be alert. Anything that seems slightly out of place or occurs at an unusual time of day could be criminal activity.

- Never attempt to apprehend a suspect or investigate a possible crime on your own. Call the police immediately. Do not worry about being embarrassed if your suspicions prove to be unfounded; law enforcement officers would rather investigate than be called when it is too late.
- Time and accuracy are critical when reporting crime and suspicious events. Call 9-1-1 when reporting life threatening events or crimes in progress, and call 435-882-5600 ext. 1 when reporting delayed events or crimes.

HELP KEEP OUR PARKS BEAUTIFUL!

You can help keep our parks and playgrounds looking good by identifying and reporting problems.

Helping out is easy: 1. Visit tooelecity.org; 2. Click on the Parks and Recreation home page (found under City Departments); 3. Under the Quick Links Menu find the Parks & Facility Maintenance Request link or look for the icon; 4. Fill out the form and describe the problem or your suggestion; and, 5. Submit.

We encourage residents, if you SEE SOMETHING, SAY SOMETHING! We are experiencing an increase in vandalism in our parks. We spend thousands of tax payer dollars each year to repair vandalism and clean up graffiti. Please help us try to stop this and if you see suspicious behavior, call dispatch immediately at 435-882-5600. Tooele City offers a **\$250 REWARD** for information that leads to the arrest of the person(s) responsible for graffiti or vandalism. Contact the Tooele City Police Dept. through Dispatch at 435-882-5600 with information about graffiti or vandalism or go online to tooelecity.org >Departments >Police Department and choose "Make a Report" from the Quick Links Menu.

OUTDOOR WATER CONSERVATION SCHEDULE

2023 Watering Conservation Schedule

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Please do not water outdoors on Sundays.

Visit slowtheflow.org for great indoor and outdoor water wise tips!

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses-such as newly planted sod or lawn, contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.

<p>#1 North of Vine, West of Main Wednesday and Saturday</p>	<p>M A I N S T R E E T</p>	<p>#2 North of Vine, East of Main Tuesday and Friday</p>
<p>VINE STREET</p>		
<p>#3 South of Vine Monday and Thursday</p>		

The above schedule is a voluntary outdoor watering guide for Tooele City residents. Even though we received near record snowfall this winter, water conservation is still just as important as ever! Although this schedule is not mandatory, we ask our residents to follow the voluntary schedule and take steps on their own to conserve water.

Find water conservation tips and resources on our website tooelecity.org. There are great resources available to educate residents on how to save water both indoors and outdoors. We will also post tips and resources weekly on our social media sites so follow us on Facebook, Instagram, and Twitter. For good watering practices you can also follow the weekly watering guide from the State of Utah's Department of Natural Resources, which takes into account current temperatures and precipitation to recommend weekly watering intervals. Find the guide at <https://conservewater.utah.gov/weekly-lawn-watering-guide/>.

Tooele City has been implementing water conservation and water wise practices. One practice we started last year is to leave the grass a little longer at our parks and facilities in an effort to conserve water. We are trying to do our part, and we ask that you please do yours!
