## MAYOR'S MESSAGE

**MAYOR DEBBIE WINN**

Not many people know the significance of September 17th. This day is celebrated as Constitution Day in the United States. More than two hundred years ago, the founders of our country wrote the document that we know as the Constitution. This important document begins with three very important words, "We the People." Our government was established by the people and for the people.

President Abraham Lincoln said, "Don't interfere with anything in the Constitution. That must be maintained, for it is the only safeguard of our liberties." President Ronald Reagan said, "Almost all of the world's constitutions are documents in which governments tell the people what their privileges are. Our Constitution is a document in which, *We the People*, tell the government what it is allowed to do. We the People are Free."

I recently attended an event at Sterling Elementary where I had the opportunity to talk about the US Constitution to over 100 second grade students. I am always so impressed by how much they know about our country! They understand the importance of freedom and the rights that we have been given by living in this country. They also understand that there must be laws to protect our freedoms.

Tooele City is the only City in Utah that has a "City Charter." Our charter is much like the articles of the Constitution which states how our local government is formed, how it functions, and which powers are given to elected officials. Our city charter was put into effect by the voters. Any changes made to the charter must be taken to the voters before it can be changed. In November of this year, all registered voters will be given the opportunity to vote on a proposed change to the city charter. I encourage all of our residents to get involved, learn about the proposed change, and then make sure you vote! Information can be found on our website at [www.tooelecity.org](http://www.tooelecity.org)

I am honored to serve the people of Tooele City as your Mayor. I will never forget that I work for the people.

*~Mayor Debbie Winn*

## THE COUNCIL'S CORNER

BY COUNCIL MEMBER ED HANSEN

Fall is upon us and with that comes some fun Tooele City activities for all of us to participate in. The Haunted Historic Park is coming up at the Tooele Valley Museum starting on the 13, 14, 19, 20, and 21 of October. This has been a Tooele favorite. There are opportunities for businesses to get involved with a display. You can contact Holly (435) 843-2141 if your organization would like to participate.

The Downtown Trick-or-Treat has been a favorite tradition for years. Thousands of Tooele City Residents bring their ghosts and goblins to downtown to get treats from local downtown businesses. You'll want to be downtown on October 31st by 3:00 pm. It will last until 6:00 pm. Walk around Main Street between 200 North (Utah Avenue) and 100 South and on Vine Street from 50 East to 50 West and Trick-or-Treat with Tooele City Downtown Businesses.

While in the downtown area for the Trick-or-Treat, pay special attention to the painted buffalo. Currently, there are six buffalo placed. Stop and read the plaques, and learn about the sponsors, and learn about the artist's vision. There are still four more buffalo to be placed in the future, that are in the process of being painted. Keep watching to see them placed in the coming weeks.

Soon the mountains will remind us that fall has arrived with brilliant colors and cooler temperatures. We are all so lucky to live in this beautiful valley. I am thankful for the opportunity I have to serve you all on the City Council. Don't hesitate to reach out to me at [ehansen@tooelecitey.org](mailto:ehansen@tooelecitey.org) if you have any questions or concerns. Thank You.

*~ Councilman Ed Hansen*

### **Dow James Monument Dedication**

On August 26, 1975, a wildfire broke out near Stockton, UT about five miles south of Tooele. At the time, the procedure was to have the Sheriff's Department respond to join suppression efforts. Lauren Dow, a member of the Tooele City Volunteer Fire Department, and off-duty deputy sheriff, headed out in a brush truck with Daniel (Danny) James, a Tooele City Animal Control Officer. Both James and Dow lost their lives when a sudden updraft blew fire towards them. Although their lives ended while fighting the fire, their memories will always remain alive in the hearts of all those who knew and loved them. Lauren E. Dow and Daniel A. James made the supreme sacrifice for the citizens of Tooele County.

The new Dow James Monument was dedicated to honor Lauren Dow and Daniel James on August 26, 2023, at Dow James Memorial Park located at 438 West 400 North, Tooele.

Thank you to the many donors who helped make this monument a reality! We would like to thank Geneva Rock, Rocky Mountain Power, Tooele City Fire Department, Tooele County, Christensen & Griffith, England Construction, Ensign Engineering, Lauren Dow Families, Daniel James Families, Bit N' Spur, Tate Mortuary & Cole Houghton Family, TVFD Association, LeGrand Jensen, and the numerous donors not individually listed who contributed to the monument and have supported this memorial.

If you were unable to attend the ceremony, you can watch the video of the ceremony on our website [www.tooelecity.org](http://www.tooelecity.org), and we encourage you to visit this beautiful monument in person at the Dow James Memorial Park.

### **Congratulations to the Tooele Boys and Girls Club!**

The Tooele Boys & Girls Club held a ribbon cutting opening their new home, located at 310 South Main Street, Tooele, on September 9, 2023.

For 20 years they have been housed in Tooele City's Dow James Building and the Youth Center on 7th Street. We are so excited for them—they have waited a very long time for a permanent home to call their very own!

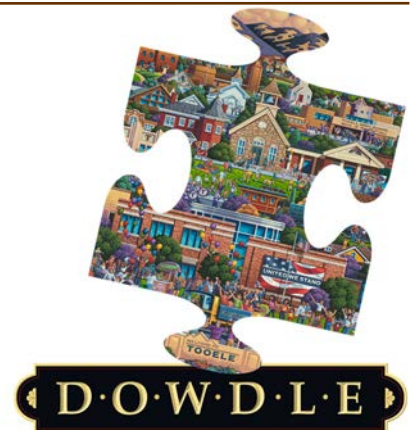

You can learn more about what the Club offers for your family and our community at [gslclubs.org/tooele-club](http://gslclubs.org/tooele-club).

# #TakePrideTooele FALL CLEAN UP

## TRASH/DEBRIS:

Per Tooele City Code Section 8-4-4 1(b) and (e) of Tooele City Code states these will be deemed a nuisance if: (b) the accumulation of garbage, refuse, or unsightly or deleterious objects or structures upon real property, unless contained in connection with an association lawfully situated and licensed for the same; (e) any other unsightly or deleterious condition that gives rise to a threat to human health or safety. Any garbage/debris/unsightly objects must be properly disposed of within a timely manner!

Tooele City provides a **YEAR ROUND BULKY WASTE PICKUP PROGRAM** to help you dispose of items which do not normally fit into your trash container. The pick up day is once a month and there is no additional cost to use this program. You can find the pick up schedule and more information on our website [tooelecity.org](http://tooelecity.org). Here are a few basic checklist items:

- ❑ You do not have to schedule a Bulky Waste Pick Up, just put your items on your curb the day before your pick up day. Please do not put items on the curb more than 24 hours in advance.
- ❑ Bulky Waste **MUST** be bagged, boxed, or bundled (with rope or twine).
- ❑ Tree branches must be cut to less than 5 feet in length and can be no larger than 4 inches in diameter.
- ❑ Bulky Waste cannot exceed 75 lbs.
- ❑ Ensure that you do not have unacceptable Bulky Waste materials such as tires, rocks, dirt, sod, oils, paints, construction debris, or hazardous materials.
- ❑ Call ACE Disposal at 435-882-7009 if you have questions.

## INOPERABLE/ABANDONED VEHICLES:

Tooele City Code Section 8-4-4 1(c) and (d) states that junked, wrecked, or inoperable vehicles may not be kept upon real property for longer than 72 hours. Only two inoperable motor vehicles may be kept upon real property if they are placed behind a screened fence, or in an enclosed building. Vehicle coverings are not considered in compliance with this code.

The full text of the above-referenced City Codes can be found on our website [tooelecity.org](http://tooelecity.org). You may also contact our Ordinance Compliance Officers at 435-882-8900 if you have questions or for more information.

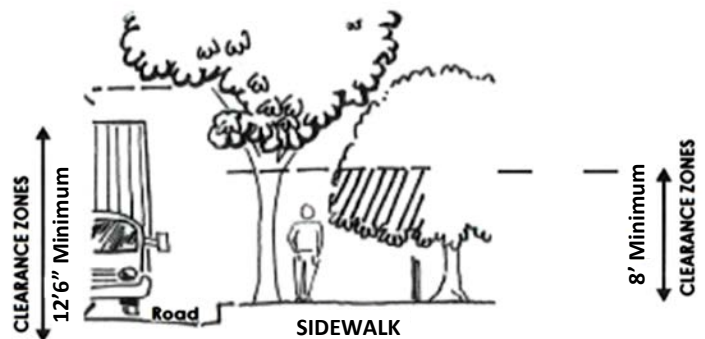

## Tree Maintenance

While trees and vegetation contribute to the beauty of our neighborhoods and community, they may also create unintended obstacles and hazards when not maintained properly. Trees that hang over the street or over the sidewalk can create nuisances and in some cases hazards. Please maintain the trees on your property, particularly the trees in the park strips, to make sure your trees are not creating some of these issues:

- Damage to vehicles, particularly large vehicles such as snowplows and garbage trucks;
- Injury to persons;
- Blocked mailboxes;
- Blocked sidewalks;
- Blocked streetlights, markers, and signs.

Have you ever wondered who is responsible when your sewer lateral or water service line needs repair? City Code 8-6-13 states "All building sewers, including the connection to the POTW sewer, shall be maintained by the property owner". Property owners are responsible for their own sewer laterals up to the wye connection to the main sewer line. City Code 9-4-6 states "Tooele City shall maintain the service pipe from the main line to and including the water meter and other apparatus within the meter box." Property owners are responsible for their own water lines from the meter box connection into the property and structure. Did you know that Utah law requires the City to educate the citizens on this?
