NOTE: If you are doing work above the \$1000 limit, you are required to file an “AFFIRMATION OF EXEMPTION” form with the Department of Occupational and Professional Licensing (DOPL). This will allow you to do work up to \$3000, including labor and materials, and verifies that the contractor has liability insurance and workers compensation insurance.

If you decide to file an “AFFIRMATION OF EXEMPTION,” the Tooele City Business License Specialist would need a copy of your certificate from DOPL to be able to send out a new Business License Certificate to reflect the increase of service you are able to provide. You can scan/e-mail to businesslicense@tooelecity.org and your updated business license certificate will then be mailed to you. If you are applying for a new Handyman Business you can go to the Tooele City Website at <https://tooelecity.org/city-departments/business-licensing/>
