## FRIDAYS ON VINE

The Tooele City Arts Council and the Tooele Downtown Alliance would like to thank you for your support with Fridays on Vine. Entertainment this year included a great variety of music and performers, including Polynesian island dancing and a ventriloquist!

The group “Wildflowers” performed bluegrass music before a crowd at Fridays on Vine earlier this year.

The last performance was on August 29th with the Painted Desert Band. Every year our audience attendance has grown, and this year was no exception. The community's support with Fridays on Vine, the Farmers Market, and other downtown events is greatly appreciated! We hope you all enjoyed it! See you next year at Fridays on Vine!

### *Family Harvest Festival*

Did you ever make "creations" from the things that you grew in your garden? I remember very clearly how much fun our family had making these creations. I even remember my dad helping me use my mother's hairspray to make the corn silk stick to the top of my dancing corn doll for hair. We were all excited to take our creations to our school to have them put on display. I hope that your family will have just as much fun making creations and bringing them to the Family Harvest Festival.
