NOTICE OF PROTECTION PROVIDED BY THE UTAH LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This disclaimer provides a **brief summary** of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- a) Life Insurance
 - 1. \$500,000 in death benefits
 - 2. \$200,000 in cash surrender or withdrawal values
- b) Accident and Health Insurance
 - 1. \$500,000 in health benefit plans
 - 2. \$500,000 in disability income insurance benefits
 - 3. \$500,000 in long-term care insurance benefits
 - 4. \$500,000 in other types of health insurance benefits
- c) Annuities
 - 1. \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to health benefit plans.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefit as the base life insurance policy or annuity contract to which it relates.

To learn more about the above protections, please visit the Association's website at www.utlifega.org or contact:

FAMILY MEMBER PROVISIONS

1. **Eligibility:** Coverage is provided for your eligible family members only if you apply for coverage for them and pay the required premium. Family members eligible for coverage include your lawful spouse and dependent, unmarried children of yours and/or your spouse who are under age 19 years (23 years if enrolled as a full-time student in an accredited college or university). Your eligible children shall include any legally adopted children and foster children provided they are dependent on you for support and maintenance. Family members eligible but not covered on the Certificate Date may be covered upon acceptance, by us, of your written application and payment of any required additional premium.

2. **Newborn Children:** Any child of yours and/or your spouse born while this certificate is in force will be included automatically as a covered dependent child under this certificate until the first day of the second month following birth. Coverage for such newborn child will continue in effect thereafter, without evidence of insurability, if dependent child coverage is in effect or upon receipt by us of your written request for dependent child coverage and payment of the required additional premium prior to the end of the automatic coverage period. Coverage will be subject to all provisions of this certificate applicable to dependent child coverage.

3. **Termination of Coverage:** Coverage for each dependent child will terminate on the renewal date following his or her 19th birthday (23rd birthday if enrolled as a full-time student at an accredited college or university) or marriage, whichever is first.

If a dependent child, on the termination date, is incapable of self-sustaining employment by reason of mental retardation or physical handicap and is dependent upon you for support and maintenance and if satisfactory proof of incapacity is submitted to us within 31 days of termination, the coverage for such child shall continue while this certificate is in force and so long as such incapacity continues and the applicable premium is paid.

You should notify us in writing when or if an insured spouse and/or your last child is no longer eligible for coverage. If we accept a premium for spouse or child after we get your written notice, the insurance for them will continue until the end of the period for which the premium is paid. If you do not give us notice, we will refund the premium we accept for family members coverage after they are no longer eligible.

CLAIMS PROVISIONS

Notice of Claim: You must give us written notice of claim within 20 days after a loss occurs or starts, or as soon as is reasonably possible. You may give the notice or have someone do it for you. The notice should give your name and certificate number as shown on the Schedule. Notice should be mailed to us at Omaha, Nebraska, or to any of our agents.

Claim Forms: When we receive your notice, we will send you forms for filing proof of loss. If we do not send them within 15 days, you can meet the proof of loss requirement by giving us a written statement of what happened. We must receive this statement within the time given for filing proof of loss.

Proof of Loss: For a loss for which this certificate provides periodic payment, you must give us written proof of loss within 90 days after the end of the period for which we are liable. For other losses, written proof must be given within 90 days after the date of the loss. If you cannot give us proof within the time required, it may be given as soon as is reasonably possible. It must, however, be furnished no later than 12 months from the time it is otherwise required, except in the absence of legal capacity.

Payment of Claims: If your certificate provides loss of time coverage, we will make periodic payment for loss of time for which benefits accrue during a period of more than one month. Subject to written proof of loss, all accrued benefits for such loss of time will be paid at the end of each month. Any balance unpaid when our liability for such loss of time ends will be paid as soon as we receive proof of loss. All other benefits will be paid as soon as we receive proof of loss.

All benefits will be paid to you, your beneficiary or your estate.

Benefits for loss of life will be paid to your beneficiary (your estate if no beneficiary is named). Other benefits unpaid at your death will be paid, at our option, to your estate or your beneficiary.

If any benefits are payable to your estate, to a minor or to any person not legally able to give a valid release, we may pay up to \$1,000.00 to any relative of yours who we find entitled to the payment. Payment made in good faith shall fully discharge us to the extent of the payment.

GENERAL PROVISIONS

Term of Coverage: Your coverage starts on the Certificate Date at 12:01 a.m., Standard Time where the main office of the Policyholder is located. It ends at 12:01 a.m., the same Standard Time, on the first certificate renewal date. Each time your certificate is renewed, the new term begins when the old term ends.

Premiums and Payment of Premiums: The premiums for the coverage provided under this certificate are shown in the Schedule. The first premium for each person who is to be insured is due with the person's application. A renewal premium must be paid before the end of the preceding term of insurance. All premiums and applications will be submitted to us, or to our authorized agent.

Grace Period: Your premium must be paid on or before the date it is due or during the 31-day grace period that follows. This certificate stays in force during your grace period. You always have your grace period unless we write and tell you it does not apply.

Reinstatement: Your certificate will lapse if you do not pay the premium before the end of the grace period. Your insurance will be reinstated if we accept a premium after this certificate has lapsed. The reinstated certificate only covers loss due to an injury that is received after the date of reinstatement.

Other Insurance with Us: A person may be insured under only one certificate of this Form at any one time. If a person is insured under more than one, the certificateholder may select the one that is to remain in effect. In the event of death, the selection will be made by the beneficiary or estate. We will return all premiums paid (less claims paid) for certificates that do not remain in effect.

Termination: Unless otherwise shown in the Schedule or attached rider(s), your insurance will end on the first of the following dates:

- (a) The date you cease to be eligible;
- (b) The date any premium is due and unpaid, subject to the grace period; or
- (c) The date the policy terminates.

Change: Any change in coverage will become effective on the renewal date of this certificate which next follows acceptance of the change by you and us.

If there is a change in the amount or type of benefits provided to you under this certificate, such change shall apply only to loss due to an injury that is received on or after the effective date of change.

Change of Beneficiary; Assignment: Only you have the right to change the beneficiary. This right is yours unless you make a beneficiary designation that may not be changed. Consent of the beneficiary is not required to make any change in this certificate. Also, no such consent is required for surrender or assignment of this certificate.

Physical Examinations and Autopsy: We, at our expense, may have a covered person examined when and as often as is reasonable while a claim is pending. We may also have an autopsy done (at our expense) where it is not forbidden by law.

Legal Actions: You can't bring a legal action to recover under your certificate for at least 60 days after you have given us written proof of loss. You can't start such an action more than three years after the date proof of loss is required.

Conformity with State Statutes: The provisions of this certificate must conform with the laws of the state in which the Master Policy is issued. If any do not, they are hereby amended to conform.

AMENDMENTS

Eligibility: Eligible dependents include: (a) your spouse and unmarried dependent children up to age 26; and (b) any child you are in the process of legally adopting. Dependents eligible but not insured on the policy or certificate date may be covered if we accept your application and premium for that dependent.
