Day of Remembrance and 9/11 Memorial Walk

On Saturday, September 14, 2024, the Tooele City Fire Department and the TVFD Association hosted a Day of Remembrance and 9/11 Memorial Walk in honor of the lives lost on September 11, 2001. Each participant in the walk symbolically represented one of the 343 firefighters who perished that day.

The event featured Unified Fire Authority Division Chief Michael Greensides as the keynote speaker. Chief Greensides shared his thoughts and experiences from responding to Ground Zero as part of Utah Task Force 1 in the aftermath of the attacks.

We extend our heartfelt thanks to the many fire departments and community members who joined in this moving tribute.

The Fire Department plans to make this an annual event, and we invite you to participate next year as we continue to honor those who gave their lives on that fateful day. We will never forget.

We remain deeply grateful for the brave men and women who serve our communities every day.

City Council meetings are generally held the 1st and 3rd Wednesdays of every month at Tooele City Hall. Meetings are open to the public and are available through livestream on YouTube (Search “Tooele City Channel”). Meeting agendas, minutes, and video links for the meetings are available on our website tooelecity.gov.

THE COUNCIL’S CORNER

BY COUNCIL MEMBER ED HANSEN

Fall is upon us and with that comes some fun Tooele City activities for all of us to participate in. The Haunted Historic Park is coming up at the Tooele Valley Museum starting on the 10, 11, 12, 17, 18, and 19 of October. This has been a Tooele favorite. There are opportunities for businesses to get involved with a display. You can contact Holly (435) 843-2141 if your organization would like to participate.

You’ll want to be downtown on October 31st from 3:00 pm to 6:00 pm. The Downtown Trick-or-Treat has been a favorite tradition for years. Thousands of Tooele City Residents bring their ghosts and goblins downtown to get treats from local downtown businesses. Walk around Historic Main Street between 200 North (Utah Avenue) and 100 South and on Vine Street from 50 East (Garden Street) to 50 West and Trick-or-Treat with Tooele City Downtown Businesses.

While in the downtown area for the Trick-or-Treat, pay special attention to the painted buffalo. Currently there are eight buffalo placed, stop and read the plaques, and learn about the sponsors’ and the artists’ vision. There are still two more buffalo to be placed soon. Keep watching our website tooelecity.gov/buffalo to see them placed in the coming months.

Soon the mountains will remind us that fall has arrived with brilliant colors and cooler temperatures. We are all so lucky to live in this beautiful valley. I am thankful for the opportunity I have to serve you all on the City Council. Don’t hesitate to reach out to me at ehansen@tooelecity.gov if you have any questions or concerns. Thank You.

~ Councilman Ed Hansen

EDCUtah 2024 Public Sector Leadership in Economic Development Award

For over 40 years the Economic Development Corporation of Utah (EDCUtah), a private, non-profit organization, has assisted businesses with finding the resources they need to relocate or expand their business operations in Utah. They are a statewide economic development organization supported by both public and private sector organizations.

Every year, EDCUtah recognizes the people and institutions who are making an incredible, tangible impact on Utah's economic prosperity.

Mayor Winn is this year's **Public Sector Leadership in Economic Development Award** recipient. This is what EDCUtah says about Mayor Winn, "Mayor Winn has been a visionary leader for Tooele City. During her tenure as mayor, the city secured 6 major projects, bringing \$241.5 million in investment, 1,249 jobs, and \$3.2 million in grant funding. Mayor Winn also secured over \$3.2 million in grant funding to support future development and smart growth initiatives.

Her efforts to extend the Redevelopment Area (RDA) at Peterson Industrial Depot have significantly reduced public debt through bonds and spurred further economic growth.

Congratulations, Mayor Winn, and thank you for your hard work and collaboration on creating a prosperous and resilient economy for generations of residents in and around Tooele City."

TOOELE CITY — A HEALTHY UTAH COMMUNITY

Tooele City is excited to announce that we have received the Healthy Utah Community designation by Get Healthy Utah! This designation is awarded to municipalities throughout Utah who are actively working to improve the health of their community. Tooele City was recognized as a Healthy Utah Community at the Utah League of Cities and Towns annual conference in September 2024. To receive the designation, communities must submit a letter of commitment, organize a health coalition, identify health strategies, and develop a community health plan.

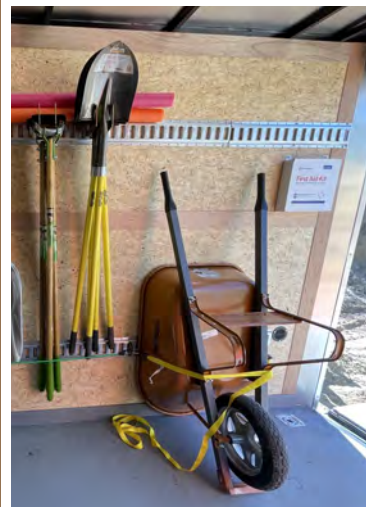

Tooele City is working hard to provide its residents with fun opportunities to live a healthy lifestyle. Over the past few years, we have added new pickleball courts and skate nights. We recently expanded the England Acres walking and biking trail, and we are in the process of building a fun, ninja-style obstacle course at England Acres Park. To support healthy eating, we have planted fruit trees at the Wigwam Park which residents are welcome to enjoy, and created a city ordinance allowing for backyard agriculture. To support mental health, the City offers places to be social and gather such as the Community Center on 7th Street, and for years have organized community clean up and neighborhood clean up programs which include use of the Neighborhood Clean Up Trailer and dump trailer at no cost to our residents.

Learn more about Healthy Utah Communities by visiting <https://gethealthyutah.org>.

TOOELE CITY'S NEIGHBORHOOD CLEAN UP TRAILER!

The #TakePrideTooele Neighborhood Cleanup Trailer is available for residents to use at no cost! The trailer is stocked with tools to help residents clean up their neighborhoods! Learn how you can reserve the trailer and have it delivered to your neighborhood at no charge for your next clean up project at <https://tooelecity.gov/TakePrideTooele>.

Questions? Please call Holly at 435-843-2141 or email hollyl@tooelecity.gov.

- The trailer includes:
- Battery powered weed eaters and blowers
 - Shovels, rakes, pruners, and other hand tools
 - Safety vests and equipment
 - Wheelbarrow
 - And much more!

Residents play a critical role in beautifying our community! Thank you for your help keeping Tooele City neighborhoods beautiful!

Reserve the trailer for your clean up project today!

#TakePrideTooele FALL CLEAN UP

TRASH/DEBRIS:

Tooele City Code Section 8-4-4 1(b) and (e) states the following will be deemed a nuisance if: (b) the accumulation of garbage, refuse, or unsightly or deleterious objects or structures upon real property, unless contained in connection with an association lawfully situated and licensed for the same; (e) any other unsightly or deleterious condition that gives rise to a threat to human health or safety.

Any garbage/debris/unsightly objects must be properly disposed of within a timely manner!

Tooele City provides a **YEAR ROUND BULKY WASTE PICKUP PROGRAM** to help you dispose of items which do not normally fit into your trash container. The pick up day is once a month and there is no additional cost to use this program. You can find the pick up schedule and more information on our website tooelecity.gov/bulkywaste. Here are a few basic checklist items:

- ❑ **You do not have to schedule a Bulky Waste Pick Up, just put your items on your curb the day before your pick up day. Please do not put items on the curb more than 24 hours in advance.**
- ❑ **Bulky Waste MUST be bagged, boxed, or bundled (with rope or twine).**
- ❑ **Tree branches must be cut to less than 5 feet in length and can be no larger than 4 inches in diameter.**
- ❑ **Bulky Waste cannot exceed 75 lbs.**
- ❑ **Ensure that you do not have unacceptable Bulky Waste materials such as tires, rocks, dirt, sod, oils, paints, construction debris, or hazardous materials.**
- ❑ **Call ACE Disposal at 435-882-7009 if you have questions.**

INOPERABLE/ABANDONED VEHICLES:

Tooele City Code Section 8-4-4 1(c) and (d) states that junked, wrecked, or inoperable vehicles may not be kept upon real property for longer than 72 hours. Only two inoperable motor vehicles may be kept upon real property if they are placed behind a screened fence, or in an enclosed building. Vehicle coverings are not considered in compliance with this code.

The full text of the above-referenced City Codes can be found on our website tooelecity.gov. You may also contact our Ordinance Compliance Officers at 435-882-8900 if you have questions or for more information.

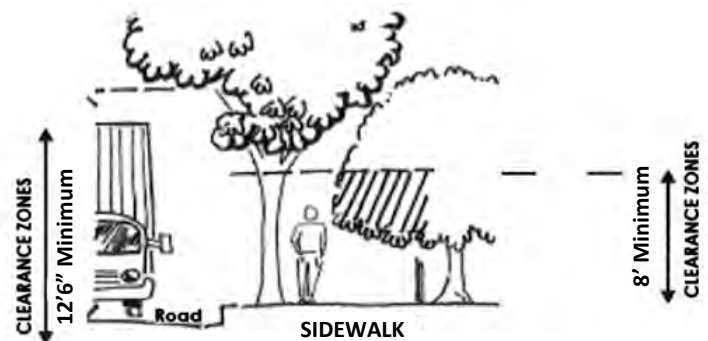

Tree Maintenance

While trees and vegetation contribute to the beauty of our neighborhoods and community, they may also create unintended obstacles and hazards when not maintained properly. Trees that hang over the street or over the sidewalk can create nuisances and in some cases hazards. Please maintain the trees on your property, particularly the trees in the park strips, to make sure your trees are not creating some of these issues:

- Damage to vehicles, particularly large vehicles such as snowplows and garbage trucks;
- Injury to persons;
- Blocked mailboxes;
- Blocked sidewalks;
- Blocked streetlights, markers, and signs.

Thank you for your help!

Fall Yard Cleanup Ideas

Fall is a perfect time to start thinking about getting your yard and trees ready for winter. The right preparation now will save you time and energy when spring rolls around!

1. Clean Out Debris—clean up leaves and weeds
2. Till the Vegetable Garden—after final harvest
3. Trim Rogue Branches—trim large or out of place branches
4. Clean Out the Gutters—clear leaves and debris from rain gutters
5. Dry Everything Out—drain water from hoses and irrigation lines
6. Aerate the Lawn—break up soil so nutrients reach the roots
7. Feed the Lawn—add a fall fertilizer
8. Rake and Mulch—rake up leaves so they don't suffocate the grass
9. Prune Trees and Shrubs—trim dead or overgrown branches
10. Give it One Last Mow—set mower to a low setting
11. Divide and Cut Back Perennials
12. Protect Cold-Sensitive Plants—add mulch to the base
13. Plant Bulbs, Shrubs, and Fall Annuals
14. Protect the Deck—weatherproof to protect from moisture
15. Clean Tools and Store—prevent rust on your gardening tools

More information about these tips can be found on our website at <https://tooelecity.gov/takepridetooele>.

New traffic light at the intersection of 100 East 1000 North went live on September 16, 2024

TOOELE CITY PROJECTS UPDATE

Infrastructure projects continue in Tooele City this fall. If you have questions about these projects, please call the Tooele City Public Works Department at 435-843-2130. We appreciate your cooperation and patience during this important work!

- ⇒ **100 East 1000 North Traffic Signal:** The newest traffic signal went live on Monday, September 16, 2024. This traffic light will improve traffic flow in the area and better prepare the area for future growth and development.
- ⇒ **200 West Road Widening:** Utility relocation is scheduled, and plans are underway for the proposed widening on 200 West between 500 North to 600 North.
- ⇒ **520 East 1000 North Traffic Signal:** A traffic signal has been warranted and has been approved for construction at this intersection. We anticipate the signal will be installed within the next 6 to 12 months.
- ⇒ **All-Way Stops:** A new four-way stop was installed at 400 West and 2000 North in late September. Please always be attentive, alert, and use caution when driving.
- ⇒ **Berra Boulevard and 2000 North:** Old asphalt was removed and replaced with new asphalt at the roundabout and on the south side of 2000 North east of the roundabout to Aaron Drive. New striping and signage will be part of this project.
- ⇒ **Cemetery Roads:** Several roads in the cemetery were repaired with new asphalt. Gillette Lane, Delamare Lane, Swan Drive, and Atkin Way have all been or will be repaired.
- ⇒ **Droubay Road Widening Project:** Construction continues on this project which will include road widening, curb, gutter, sidewalk, lighting, and a walking/biking path on Droubay Road between Vine Street and Smelter Road.
- ⇒ **Red Del Papa Parking Lot:** The parking lot at the Red Del Papa Baseball Field was improved with a new storm drain and the parking lot was repaved.
- ⇒ **Roadwork Projects:** There are several cul-de-sacs that are scheduled to be roto-milled and asphalted this fall. Chip seal work should be completed soon on 7th Street, 600 North (east of Main Street), 700 North (east of Main Street), Deer Hollow Road, Elk Meadow, and Oakridge Drive.

OPEN HOUSE The new headworks building at the Water Reclamation Facility (sewer treatment plant) is nearing completion. We anticipate a ribbon cutting and public open house will be held in October/November. Please watch our website tooelecit.gov and our social media sites for more information.
