## MAYOR'S MESSAGE

### MAYOR DEBBIE WINN

At Tooele City, we are all about community! It brings me great joy to witness the spirit of unity, service, and hometown pride that defines our City. I want to extend my heartfelt thanks to the many businesses, organizations, and residents who participated in this year's #TakePrideTooele Spring Clean Up efforts. Your contributions make a real and lasting difference.

A special thank you goes out to the over 30 volunteers who joined us for our Arbor Day event on May 16, 2025, at Glen Eagles Park. Together, we planted 22 beautiful trees, adding lasting beauty and sustainability to our community.

Participants each received a free tree to plant at home—a small but meaningful way to continue growing our green spaces.

I'm proud to announce that Tooele has been recognized as a Tree City USA for the 13th year—a reflection of our ongoing commitment to plant, grow, and maintain trees to benefit our community!

On May 17, 2025, the momentum continued with our #TakePrideTooele Saturday Spring Clean Up Day. Thanks to the collaborative efforts of the Tooele East Stake, Missionaries from the Church of Jesus Christ of Latter-day Saints, Tooele Walmart Employees, Bonneville Family Practice Employees, Community Members, City Staff, and our City Council, we were able to clean up and beautify the Tooele Valley Museum and Historic Park! The day was a great success!

Every effort—whether big or small—had a positive impact on our neighborhoods, parks, and public spaces. If you're looking for ways to get involved and support our #TakePrideTooele Initiative, I encourage you to visit [tooelecity.gov/takepridetooele](http://tooelecity.gov/takepridetooele). There are year-round opportunities to make a difference and help keep our City a beautiful place to live, work, learn, and play. For photos and highlights from these events, visit our Facebook page at [facebook.com/tooelecity](https://facebook.com/tooelecity).

Looking ahead, we have more opportunities to come together as a community. In addition to all of the events and activities listed in this newsletter, I hope you will join us at the following community events:

The Tooele City Fire Department is hosting the first annual Firefighter Challenge on June 7th at 9:00 a.m. at Fire Station #3 (145 East 1000 North, Tooele). Come cheer on our local heroes as they compete against firefighters from around the County!

On June 21st from 10:00 a.m. to 2:00 p.m. at the Walmart Parking Lot, the Tooele City Police Department and Tooele City Fire Department will join Mountain West Medical Center for their annual Safety Event, "Our Safe Neighborhood." Join members of our Police and Fire Departments as they participate in this important event promoting safety and neighborhood awareness. Also participating in that event will be the Tooele County Health Department, Utah Highway Patrol, Tooele County Sheriffs Office, Zero Fatalities, MWMC Ambulance, and Air Med.

Our week-long 4th of July celebration with activities and events celebrating our great nation is a favorite tradition in our City! The festivities begin on June 25th when our Historic Main Street will be decorated "Red, White, and Blue-tiful". This year is special — it kicks off many events around our nation to celebrate the upcoming 250th Anniversary of the founding of the United States on July 4, 1776.

Thank you for your continued commitment to our City! Together, we are building a "Hometown To Be Proud Of!"

*~Mayor Debbie Winn*

## THE COUNCIL'S CORNER

### BY COUNCIL MEMBER ED HANSEN

I'm excited for the month of June, as we have so many wonderful things happening in our community! One event I'm especially looking forward to is the Miss Tooele Pageant. The pageant will take place on the evening of June 30th at 7:00 p.m. in the Tooele High School Auditorium. Come support these incredible young women as they compete for the crown. Each year, I'm amazed by the talent, grace, and dedication of the participants in our community.

Another one of my personal favorite events is *Fridays on Vine*, held at the Aquatic Center Park every Friday night at 7:00 p.m. from June through August. This free summer concert series is a fantastic way to enjoy quality entertainment—perfect for a date night or a fun outing with the whole family. The level of talent showcased is truly exceptional, and it's something we can all take pride in here in Tooele.

Of course, I can't forget the *Tooele Arts Festival*, taking place June 20–22 at the Aquatic Center Park. If you've lived in Tooele for a while, you already know the amazing quality of vendors and artists who attend each year. It's a wonderful event for all ages. And if you're new to the area, you'll soon find it's a tradition worth keeping!

There are so many exciting events happening all summer long throughout Tooele City—at the Ritz Theater, Pioneer Museum, Public Library, Community Center, Dow James Complex, and many more venues. In addition to the many events happening, there are also many projects taking place throughout the City—be sure to check out the final phase of England Acres City Park as it nears completion later this summer.

It's a great time to live in Tooele City! I'm truly excited about all the wonderful things happening and the improvements being made to the place we all call home.

## -Notice- Water and Sewer Fees

Dear Tooele City Residents,

Beginning with your June 1, 2025 utility bill, Tooele City will implement updated water and sewer rates. This is the second annual adjustment based on an external rate study adopted in April 2024, which recommended gradual increases over five years due to rising operational costs and the need for critical infrastructure improvements.

We understand that rate increases can be challenging. Please know this decision was made with careful consideration to maintain the efficiency and reliability of your water and wastewater services. Revenue from these rate changes will be utilized for the repair and replacement of aging infrastructure, ensuring long-term sustainability of essential services.

Tooele City is committed to providing cost-effective, high-quality utility services without interruption. For more information, please visit our FAQ page at [tooelecity.gov](http://tooelecity.gov).

We appreciate your understanding and support as we continue to work towards securing a sustainable future for our community's vital and essential services.

Sincerely, Tooele City Public Works Department and Tooele City Finance Department

## Public Works Project Updates

In addition to managing the City's vehicle fleet, streets, water, sewer, and storm water systems on a daily basis, the following is a brief list of current and upcoming Public Works projects. If you have questions about these projects or any other projects you see happening in the City, please call the Tooele City Public Works Department at 435-843-2130. We appreciate your cooperation and patience during this very important work to our City's infrastructure!

- **200 West Road Widening:** Work on this project will begin this summer. The road is being widened and improved from 500 North to 600 North and will include curb, gutter, storm drain, and sidewalk on the west side of the road.
- **2000 North and Aaron Drive Traffic Signal:** A new traffic signal has been designed for this intersection, and we are currently waiting for the necessary parts to arrive. Once the parts are received, installation will begin. Work on this project is expected to start within the next month.
- **2025 Road Improvement Projects:** Slurry seal road projects have already been completed for this season. Chip seal projects are slated to begin mid-June. Rotomilling and overlay of new asphalt will begin on Southwest Drive on June 3, 2025. Once work on Southwest Drive is complete, 1000 West—from Utah Avenue to the north end of the road—will then be rotomilled and overlaid with new asphalt.
- **520 East 1000 North Traffic Signal:** This traffic signal was installed and went live in March 2025. New striping for left turn lanes and new lights with dedicated green turn arrows will be installed soon.
- **700 South Waterline Replacement:** Work on this project will take place this summer. We are replacing a 16 inch water transmission line with a new 16 inch transmission line from SR36 to Coleman. Water service in the area may see minimal disruptions — affected residents will be notified in advance.
- **Sidewalk Matching Grant Program:** Tooele City's 50/50 Sidewalk Matching Grant Program is available to eligible property owners who are interested in repairing damaged sidewalks adjacent to their properties by covering half the cost of approved repairs. The City manages the contractor selection and project oversight, while homeowners contribute 50% of the expenses; participation is subject to funding availability, contractor scheduling, and project eligibility. Visit [tooelecity.gov](http://tooelecity.gov) or call 435-843-2130 for more information about this program.
- **Water Wells:** Tooele City remains committed to identifying new water sources to strengthen our water system. As part of these ongoing efforts, we currently have bids out to drill two new test wells within Tooele City in the next 6 months.

There are 177.9 miles of streets (162.5 paved miles) to maintain in Tooele City? Learn more in the FY26 Tentative Budget available on our website at [tooelecity.gov/budget](http://tooelecity.gov/budget)

## Recognizing Suspicious Activity

The first rule of crime prevention is to always be alert. Anything that seems slightly out of place or occurs at an unusual time of day could be criminal activity.

- Never attempt to apprehend a suspect or investigate a possible crime on your own. Call the police immediately. Do not worry about being embarrassed if your suspicions prove to be unfounded; law enforcement officers would rather investigate than be called when it is too late.
- Time and accuracy are critical when reporting crime and suspicious events. Call 9-1-1 when reporting life threatening events or crimes in progress, and call Tooele County Dispatch at 435-882-5600 ext. 1 when reporting delayed events or crimes.

Due to ongoing vehicle burglary and vehicle theft trends, the Tooele City Police Department would like to remind you of some very important security tips:

- Remember to keep your personal belongings and valuables out of view in your vehicles. It is also important to keep vehicle windows closed and doors locked. Often, stolen items are left in plain sight within the vehicle making them a prime target for thieves. There have also been several reports of unlocked vehicles being targeted, rummaged through, and items stolen.
- Recently, the Police Department has seen an increase in vehicle thefts. Remember, never leave your car running and unattended. Never leave your keys in the car and always park in a well-lighted area, if possible.
- Finally, don't hesitate to report suspicious activity. If you see a suspicious person who appears to be looking in vehicles, or loitering in a neighborhood or parking lot for no legitimate reason, call Dispatch at 435-882-5600.

## Congratulations to Verl Coates

Verl was nominated by his family members. During the ceremony Mayor Winn said, "It's not every day you get to talk about someone who

truly is the heart of a place—but that's exactly what Verl Coates has been to Oquirrh Hills Golf Course."

## OUTDOOR WATER CONSERVATION SCHEDULE

### 2025 Watering Conservation Schedule

**Area #1** All water users North of Vine and West of Main water Wednesdays and Saturdays.

**Area #2** All water users North of Vine and East of Main water Tuesdays and Fridays.

**Area #3** All water users South of Vine water Mondays and Thursdays.

**Please do not water outdoors on Sundays.**

Visit [slowtheflow.org](http://slowtheflow.org) for great indoor and outdoor water wise tips!

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn, contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.

#1	MAIN STREET	#2
North of Vine, West of Main		North of Vine, East of Main
Wednesday and Saturday		Tuesday and Friday
VINE STREET		
#3		
South of Vine

The above schedule is a voluntary outdoor watering guide for Tooele City residents. Although this schedule is not mandatory, we ask our residents to follow the voluntary schedule and take steps on their own to conserve water.

**Be Waterwise!**  
Adjust your automatic sprinkler timer to coincide with rain events and weather changes so you don't overwater!  
[waterwiseutah.org](http://waterwiseutah.org)

Find water conservation tips and resources on our website [tooelecity.gov/waterconservation](http://tooelecity.gov/waterconservation). There are great resources available to educate residents on how to save water both indoors and outdoors. For good watering practices, you can also follow the weekly watering guide from the State of Utah's Department of Natural Resources, which takes into account current temperatures and precipitation to recommend weekly watering intervals. Find the guide at <https://conservewater.utah.gov/weekly-lawn-watering-guide/>.

Tooele City has been implementing water conservation and water wise practices over the past several years at many of our parks and facilities. We are trying to do our part, and we ask that you please do yours!

## BUSINESS LICENSES REQUIRED IN TOOEE CITY:

Anyone offering a SERVICE from their home, for compensation, requires a Tooele City Business License. Please call the Tooele City Business License Specialist at 435-843-2110 for more information or go to [tooelecitey.gov](http://tooelecitey.gov) and choose BUSINESS>BUSINESS LICENSES from the menu for business info in Tooele City limits.

## INFO on DOOR-TO-DOOR SOLICITORS

ALL door-to-door solicitors (Itinerant/Transient Merchants) must be licensed with Tooele City and must have a **2025 PINK Tooele City ID Badge** on and in plain sight. If a solicitor is not wearing a badge, call Dispatch at 435-882-5600. Please be sure to give a complete description of the individual and the direction they are headed. Thank you!

## NUISANCE ORDINANCE FOR WEEDS:

At the March 19, 2025, City Council Meeting, the Tooele City Council approved an amendment to Tooele City Code Section 8-4-4 1(a) regarding nuisance weeds. The adopted change removes the previous 6-inch height rule for weeds on properties under one acre—unless a nuisance or hazard

is present. Property owners may face fines if their property is not maintained in accordance with City Code. The 6-inch rule is still in effect in all commercial and industrial zoning districts.

Tooele City encourages all residents to be good neighbors by keeping their properties clean and well-maintained. These changes reflect the spirit of code enforcement, which is focused on safety, community pride, and mutual respect among residents.

For the full text of the amended code, visit [tooelecitey.gov](http://tooelecitey.gov). If you have questions or need more information, please contact the Tooele City Code Enforcement Officer at 435-843-2132.

## Fireworks Restrictions 2025

As we approach Fireworks season, please keep in mind that there are safety restrictions in place—areas along the outer limits of Tooele City where fireworks are not allowed. A map with complete details is available online at [tooelefire.org](http://tooelefire.org).

Lighting of fireworks is allowed July 2 — July 5 and July 22 — July 25 between the hours of 11 am and 11 pm. On July 4th and July 24th the hours are extended to midnight.
