Mayor Debbie Winn

MAYOR'S MESSAGE

MAYOR DEBBIE WINN

On Saturday, March 29, 2025, we celebrated the ribbon cutting, dedication, and open house for Fire Station #3, along with a traditional push-in ceremony for our newest apparatus, Engine 26. We were truly overwhelmed by the incredible support from you—our community.

Photos from the event and the full messages shared that day are available on our website at tooelecity.gov/station3.

I extend a heartfelt thank you to everyone who helped make this day possible! Below are excerpts from the remarks delivered at the event. You can read the full messages on our website by scanning the QR code or going online to tooelecity.gov/station3.

"We are blessed to live in a community where volunteer service is alive and well.

Words cannot express the deep gratitude that I feel for the members of the Tooele City Volunteer Fire Department and their families. Their dedication to our community is unparalleled. That is why this building is so important. We owe it to them to provide all necessary equipment and facilities to carry out their duties of protecting the public from not only fire, but other hazardous conditions that are present in our City. They respond 24 hours a day, 7 days a week. They are always 'on call'. Their safety is the most important duty that we owe to them, as they in turn protect the lives and property of our residents.

I am proud to live in this wonderful community! May God bless our firefighter family and all that serve in Tooele City. Thank you!"

~Mayor Debbie Winn

"Today is a momentous day for Tooele City and for our fire department—a day 15 years in the making. We gather not just to cut a ribbon or push in a truck, but to honor the past, celebrate the present, and prepare for the future."

~Fire Chief Matt McCoy

"As we push this truck into its new home, we reaffirm our promise to always answer the call, to serve with courage, and to protect this community with everything we have. This is not just a piece of equipment—it's a symbol of our commitment to Tooele."

~Deputy Fire Chief Jed Colovich

THE COUNCIL'S CORNER

BY COUNCIL MEMBER MELODI GOCHIS

"March winds and April showers bring forth May flowers." This proverb suggests that periods of hardship are followed by happier times (May flowers). It is also a literal observation about the weather and plant growth, with April showers providing the moisture needed for May blooms. Spring is often seen as a season of new beginnings, hope, and growth — a powerful symbol of life's cyclical nature and the potential for renewal — and its spirit is alive in our community! Tooele City continues to grow and develop as evidenced by the new businesses that are locating in Tooele City! Tooele City Staff is hard at work keeping up with the demands of a growing City and providing services to the residents! If you see a Tooele City employee, give them a wave and word of thanks for their hard work and dedication! Tooele is an active and thriving community with many events, activities, parks, and facilities for residents and visitors of all ages and abilities to enjoy! Our Historic Ritz Theater is back, thanks to a generous donation by the Peterson Industrial Group! Delight in the "Ritz Theater for the Arts", featuring concerts, movies, art, and antique events! England Acres Park offers a multi-use paved recreation trail that starts at 1000 North and 400 East in Tooele City and traverses sporting fields, playgrounds, a dog park, and pavilions with plenty of seating for parties! The Oquirrh Hills Golf Course offers lessons, tournaments, and league play with some of the best views in the City. Visit the Tooele City Library which features a large selection of books, computers, and children's areas. Come take swimming lessons and classes at the Pratt Aquatic Center or enjoy the 3 pools, lazy river, slide, and diving board! Explore the Tooele Valley Museum and Historical Park and honor our heritage, create memories, and strengthen the bonds that make Tooele City special. Springtime is a celebration of life! It's a time when families gather, children laugh, and friends reconnect, reinforcing the home town charm that makes Tooele City a "Hometown to be Proud of!"

-Notice- Water and Sewer Fees

Dear Tooele City Residents,

Beginning with your June 1, 2025 utility bill, Tooele City will implement updated water and sewer rates. This is the second annual adjustment based on an external rate study adopted in April 2024, which recommended gradual increases over five years due to rising operational costs and the need for critical infrastructure improvements.

We understand that rate increases can be challenging. Please know this decision was made with careful consideration to maintain the efficiency and reliability of your water and wastewater services. Revenue from these rate changes will be utilized for the repair and replacement of aging infrastructure, ensuring long-term sustainability of essential services.

Tooele City is committed to providing cost-effective, high-quality utility services without interruption. For more information, please visit our FAQ page at tooelecity.gov.

We appreciate your understanding and support as we continue to work towards securing a sustainable future for our community's vital and essential services.

Sincerely,
Tooele City Public Works Department
Tooele City Finance Department

OUTDOOR WATER CONSERVATION SCHEDULE

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

No outdoor watering on Sundays.

Visit slowtheflow.org for great indoor and outdoor water wise tips, tools, and resources!

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn, contact Tooele City at 435-843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.

The above schedule is a voluntary outdoor watering guide for Tooele City residents. Although this schedule is not mandatory, we ask our residents to follow the voluntary schedule and take steps on their own to conserve water.

The way our conservation schedule is designed allows tanks in different areas of the City to refill on the days when those areas are not watering. This helps our overall system by not pulling from all of our tanks at once. We appreciate your help!

Find water conservation tips and resources on our website tooelecity.gov. There are great resources available to educate residents on how to save water both indoors and outdoors. Interested in the Landscape Incentive Program (formerly known as "Flip Your Strip" and "Turf Buy Back")?
