STATE OF THE CITY 2025

WRITTEN & PRESENTED BY MAYOR DEBBIE WINN - SEPTEMBER 17, 2025

Mayor Debbie Winn

On September 17, I had the honor of giving the State of the City address. The following are highlights from that evening. Please visit our website to listen to or read the full address: tooelecity.gov/Mayor

As I near the end of my second term as Tooele City's Mayor, I am proud to reflect on the progress our community has made. Eight years ago, Tooele faced financial uncertainty and tough choices. Today, our City is strong, stable, and ready for the future.

When I first took office, Tooele's finances were on an unsustainable path. Through careful budgeting and strategic decisions—including a necessary tax increase—we have achieved stability. Today, Tooele no longer relies on savings to cover daily operations, and our property tax rate has dropped nearly 26 percent.

The Redevelopment Agency has paid off all debts, including bonds for the 1000 North and Tooele Boulevard roadways and the Tooele Applied Technology College. Transparency remains a cornerstone of our government. Council meetings are live-streamed, budgets are easy to read, and regular updates are shared through newsletters and social media. Honest leadership and accountability guide everything we do.

We continue to invest in our community. Work is underway on the MidValley Highway, including a temporary connection to Tooele Boulevard while we await full state funding. Downtown revitalization through Main Street programs has enhanced building façades, added public art, celebrated veterans, and beautified our City streets. Parks and recreational opportunities have expanded, with major projects like England Acres Phases 2 and 3 bringing trails, playgrounds, dog parks, fitness areas, and lighting for residents to enjoy. Other parks, including Wigwam, Elton, Parker's, and Red Del Papa, have received upgrades to playgrounds, restrooms, irrigation, and parking. Our museums and community centers have also been improved with ADA accessibility updates, new displays, and hands-on educational exhibits to support learning, culture, and social connections.

Public safety has been a top priority. Our Police Department now operates in a modern Public Safety Building and has grown alongside our population, increasing from 36 to 45 sworn officers as our population grew from approximately 34,600 to 41,000. Specialized officers address semi-truck inspections and drug task forces, and new supervisory positions strengthen oversight. Technology improvements include a FARO 3D laser scanner and license plate recognition cameras, while officer safety equipment has been upgraded, including a Mine Resistant Ambush Protected vehicle and new non-lethal tools.

The Fire Department has also expanded, with a new Station #3 and upgrades to Stations #1 and #2. Equipment improvements include SCBAs, radios, hydraulic rescue tools, Engine 26, a brush truck, and command vehicles. Staff now includes a full-time Fire Chief, Deputy Chief, Fire Marshal, volunteer Assistant Chiefs, inspectors, and 55 dedicated volunteers. These investments ensure Tooele remains safe and prepared as our City continues to grow.

Our Public Works Department has completed major improvements to water, streets, sidewalks, and City facilities. We drilled two new culinary wells, replaced aging water lines, and systematically inspected fire hydrants and PRVs. The \$8 million headworks building at our Reclamation Facility has been completed, and design work for future expansion is underway. Roadway and sidewalk projects have included 7th Street, Droubay Road, 700 South, and 200 West, with four new traffic signals and all-way stops at eight intersections.

Continued on Page 2

Mayor Winn's State of the City Address Continued

Equipment upgrades, including GPS tracking on vehicles, street sweepers, camera vans, vac trucks, snow plows, and construction equipment, allow our teams to serve residents efficiently. City services are supported by Finance, HR, IT, and Community Development departments, keeping operations smooth and effective.

Economic growth in Tooele has been remarkable. Industrial companies such as Carvana, Leitner Poma, Central States Manufacturing, Minova, Plastic Ingenuity, and Ashgrove have brought hundreds of jobs to our community. In retail and hospitality, we have welcomed Hobby Lobby, TJ Maxx, Five Below, Ulta Beauty, Chili's, Wingstop, Chipotle, Home2 Suites, and Microtel Inn & Suites. Upcoming projects include Smith's Marketplace, Beans & Brews, Jersey Mike's, Einstein Bagels, Chase Bank, Ross, and Bath & Body Works. Commercial property values have doubled in less than five years—an achievement made without offering local tax incentives.

Tooele thrives through partnerships. We restored the historic Carnegie Library with the Sons of Utah Pioneers and created veteran memorials at Veterans Park, including tributes for Vietnam and Korean War veterans. We have supported homeless shelter programs, local artists, and schools, and continue to collaborate with leaders at Tooele Army Depot and Dugway Proving Ground. These partnerships preserve our history, honor service, and strengthen our community.

Looking ahead, growth will continue to challenge housing, water, and transportation, but Tooele is better prepared than ever. With strong financial footing, comprehensive plans, and a committed community, the future is bright. The progress we've made—in safety, parks, infrastructure, and people—demonstrates that honest, transparent leadership delivers real results. Tooele is a City built on resilience, hard work, and heart, and it remains a hometown we can all be proud of.

The state of our City is strong, and its future is even brighter.

~Mayor Debbie Winn

Tooele City Council

City Council meetings are generally held on the first and third Wednesdays of each month at Tooele City Hall. Meetings are open to the public and can also be viewed via livestream on YouTube (search 'Tooele City Channel'). Agendas, minutes, and video links for all meetings are available on our website at tooelecity.gov. Anyone looking to get in touch with a Tooele City Council Member can find their contact information on the City's website at tooelecity.gov.

THE COUNCIL'S CORNER

BY COUNCILMEMBER ED HANSEN

It is a very exciting time in Tooele City right now. We are seeing tremendous growth in commercial development. Founders Point is open for business with great anchor stores like Hobby Lobby, Sierra, TJ Maxx, Ross, Bath & Body Works, Five Below, and Ulta. Chili's, Chipotle, and Wingstop are also open and doing well. Smith's Marketplace will open for business on December 6, along with several other businesses in that development. If you haven't been to these new stores yet, make sure you find time to explore them.

We are also in the middle of a very important election in Tooele. We will be voting on a new Mayor and two City Council members. If you haven't researched the candidates yet, you can view their profiles on vote.utah.gov so you can make an informed choice. Ballots have been mailed, and the election is on November 4. Make sure you exercise your right to vote—your voice matters.

Tooele is the best place in the world to live. We are very fortunate to be in this beautiful valley. For many of you, the growth and new shopping centers are exciting developments. I know some of you worry that we may lose our hometown feel. I assure you that our community is close-knit and will always be our home. As we approach the holidays, enjoy your family and friends, have a wonderful time, and let's prepare for a new and exciting year to come.

~Ed

Snow Event Parking Restrictions and Winter Weather Reminders

Snow Event Parking Restrictions

Tooele City Code 10-3-6(1) states:
"10-3-6. Snow Event Parking
Restrictions"

- (1) It shall be unlawful to park a vehicle on any public right-of-way:
 - (a) when snow is falling upon that vehicle; or,
 - (b) when snow or ice have accumulated in any amount on the right-of-way upon which that vehicle is parked.
- (2) Any vehicle parked in violation of this Section may be removed at the discretion of the Tooele City Police Department for creating public safety risks and for obstructing the City's snow removal efforts.
- (3) The following are exempt from this section:
 - (a) Emergency vehicles and personnel in the performance of their functions and duties; and,
 - (b) Tooele City public works vehicles and employees in the performance of their functions and duties.

Do not park your vehicles on the street when snow is falling or when snow or ice have accumulated.

City Ordinances can be found on our website at tooelecit.gov > **Our Government > City Code**

Snow parking restrictions will be enforced. You may be ticked if you are in violation of this ordinance.

The civil penalty for parking violations during a snow event is \$50 if paid within 15 days, and \$100 thereafter.

Thank you for your help and cooperation!

As the winter months approach, we want to remind you that residential and business sidewalks must be cleared of snow, hail, ice, and sleet within 24 hours after a storm stops. This is especially important in areas that are school walking routes! Tooele City Code 4-11-15(1) states: "It is unlawful for any person owning or exercising control over any real property abutting any public sidewalk to fail to remove or cause to be removed from such sidewalk all hail, snow, or sleet falling thereon, or ice forming thereon, within 24 hours after such hail, snow, or sleet has ceased falling or ice has ceased forming."

When the snow falls, don't let our students fall! Please keep all sidewalks that border your property clear, including the sidewalk in your backyard along the street (double frontage)! We need your help especially along school walking routes!

Do not place or propel snow, hail, ice and sleet in a roadway or other portions of sidewalks. Tooele City Code 4-11-15(2) states: "It is unlawful for any person to place or propel, or cause to be placed or propelled snow, ice, hail, or sleet in the public way or in any manner which poses a hazard to vehicular or pedestrian traffic."

Please be courteous to your neighbors, do not blow leaves, snow, or other debris into their yards.

Have questions or concerns? Please contact our Ordinance Compliance Division at 435-843-2132.

ONLINE UTILITY ACCOUNTS

Tooele City offers several convenient and safe ways to pay your utility bills. Our online utility billing application gives you access to your account 24 hours a day, 365 days a year and is optimized for mobile devices. It is a convenient way to pay your bills on your own time — with no waiting! By paying your bill online you save postage, plus you have instant account access to view real time balances, payment amounts, bill due dates, and detailed consumption history. You can also submit service requests. AutoPay and Paperless Billing options are available but you must go into your account and set up those options. The first step to getting started is to set up your account by scanning the QR Code below or by visiting <https://tooelecity.gov> or <https://www.municipalonlinepayments.com/tooeleut>. You can also sign up to receive EMAIL or TEXT NOTIFICATIONS to get real time reminders about your utility account!

Questions? Please contact the Tooele City Finance Department at 435-843-2150. As a reminder—if you have water emergencies after business hours, please contact Tooele County Dispatch at 435-882-5600.

As our nation prepares to celebrate its 250th anniversary, America250 invites residents to take part in Our American Story—a national storytelling project that captures the diverse voices and experiences that make up our country's history. You can share your own story or nominate someone whose life and service deserve to be remembered as part of this nationwide archive. Visit america250.org/our-american-story to learn more and find opportunities to participate. Let's make sure Tooele's voices are included in this historic celebration of America's past, present, and future.

The Drinking Water Source Protection Plan for Tooele City is available for your review. It contains information about source protection zones, potential contamination sources, and management strategies to protect each of our drinking water sources. Potential contamination sources common in our protection areas include sanitary sewer lines, septic tanks, roads, residential, commercial and industrial areas, etc. These sources of potential contamination are typically classified as a low susceptibility. Sources which are classified as medium susceptibility include buried fuel storage tanks, accidental spills of potential contaminants, or other similar conditions. The City has developed management strategies to further protect all of our sources from contamination. Please contact the Public Works Department at (435) 843-2130, if you have questions or concerns about our source protection plan.

Parks and Recreation Update

It's been a busy and exciting season for Tooele City Parks and Recreation! We're making great progress on several projects that enhance our parks, recreation areas, and community facilities.

Parkers Park Ball Field Lights – New LED lights were completed on October 24, 2025.

Winn Way at the Tooele City Cemetery – This project is now complete.

Wigwam Park – Additional grass has been installed, and permanent ADA-accessible cornhole boards were completed on October 31.

Veterans Restroom – Completed on October 31.

Glen Eagles Park Restroom – Expected completion the first part of November.

England Acres Park – The basketball court and ninja course are open and ready for use! All turf installation and walking trails have been completed, and more than 100 trees have been planted in the Phase III area. Trail lights are currently being installed, with an estimated completion in January 2026.

Tooele Community Center – Construction on new bathrooms began on October 27.

Pratt Aquatic Center – New pool toys have arrived, and the leisure pool has been replastered. (See image below.)

Tooele Valley Museum – The Foreman's House is now open to the public.

Tooele City continues to invest in projects that make our community more vibrant, inclusive, and enjoyable for all. Thank you for your continued support as we build and maintain spaces that everyone can take pride in! For updates on park projects, visit tooelecity.gov/parks.

Mayor Debbie Winn, City Council, and Pratt Aquatic Center staff cut the ribbon on September 10, 2025, unveiling the new pool toys!

ATTENTION ALL TOOEELE CITY BUSINESSES

COMMERCIAL BUSINESS LICENSE RENEWALS FOR 2026

will be mailed out by December 1, 2025, or within a day or two after. Please watch for those! As a reminder, after December 1st, commercial businesses can renew their license online at <https://www.municipalonlinepayments.com/tooeleut>.

HOME OCCUPATION BUSINESS LICENSES FOR 2026

will be mailed out by December 15, 2025, or within a day or two after.

BUSINESS LICENSES REQUIRED IN TOOEELE CITY

Anyone offering a "Service" from their home, for compensation, requires a Tooele City Business License. Please call the Tooele City Business License Specialist at (435) 843-2110 for more information or go to www.tooelecit.gov choose BUSINESS from the menu, and then BUSINESS LICENSES for businesses within Tooele City limits.

REPORTING SALES TAX

As a reminder, if you collect sales tax in Tooele City, please use Tooele City Sales Tax Code 23048 when filing your taxes.

DOOR-TO-DOOR SOLICITORS

All solicitors in Tooele City must obtain a license and visibly wear a **2026 GREEN ID BADGE**. If someone is not wearing a badge, call Dispatch at 435-882-5600 (after 5 p.m. or on weekends). Provide a full description and direction of travel.

Holiday Trash Pick Up Schedule

There will be no trash pick up services on the following days:

Tuesday, November 11 — Veteran's Day
Thursday, November 27 — Thanksgiving Day
Thursday, December 25 — Christmas Day
Thursday, January 1 — New Year's Day

During these weeks, service will be delayed by one day starting with the holiday.

Curb Assistance

This is a free service provided by ACE Disposal for the elderly and/or people who have a disability who are unable to take their trash container to and from the curbside. For more information about this program, please contact the Tooele City Finance Dept. at (435) 843-2150 or email utilities@tooelecit.gov.
