

Tooele City's Benefit Package
It's About Your Health...Your Lifestyle...and Your Future!

Summary of Benefits
Full-time Elected Official / Mayor

Your benefit package is a large component of your total compensation package. Tooele City's benefits have been designed to consider your health, your lifestyle, and to improve your future. This summary is provided as an overview only and is subject to change without notice. Please reference specific plan documents for additional questions and answers. In the event this document and specific plans conflict, plan documents will prevail.

HEALTH INSURANCE

Tooele City offers three health insurance plans (or a cash-in-lieu/waiver option) so you may choose the best fit for your financial and personal situation. In selecting a medical plan, you must carefully consider how much you are willing to pay for the benefit provided. All plans use the PEHP Summit Care network and have the same prescription drug benefit. All plans include out-of-network coverage but your costs will be higher than if you stayed in network.

Base Plan Summit Custom \$1,500/\$3,000 Deductible	Premier Plan Summit 4 \$1,000/\$2,000 Deductible	High Deductible Health Plan – Star* \$2,500 Single or \$5,000 Double/Family Deductible
The Base Plan minimizes regular payroll deductions, but has higher out-of-pocket expenses when used (deductibles, copayments, and out-of-pocket max). This means that employees keep their costs down through the year, but can expect to pay a bit more when they utilize the coverage.	The Premier Plan has significantly higher payroll deductions when compared to the Base Plan, but lower out-of-pocket expenses when used. This means that employees chose to pay more through the year, but can expect to pay a bit less when they utilize the coverage.	The Star Plan differs in that employee will pay for <u>ALL</u> expenses (some preventatives are covered) up to the single or double/family plan deductible before the plan will cover anything. Eligible employees may receive a City-contribution to a Health Savings Account (HSA) that can assist them in paying those expenses or roll over unused funds from year-to-year for future expenses. This plan minimizes regular payroll deductions, but has higher out-of-pocket expenses when used due to the high deductible that must be met. On the other side, if there are minimal expenses during the plan year or the employee becomes a savvy health care consumer, they can enjoy building an HSA account with a City contribution and lower premiums (and the tax benefits associated with a HSA), for future expenses.

Health Insurance Waiver Option:

Employees who have other insurance (excluding Medicaid and Medicare if under age 65) may elect to waive their health insurance through Tooele City and will be paid an annual payback. The amount is determined each budget year.

PRESCRIPTION PLAN

PEHP Prescription Plan

(See plan description for specific details and limitations concerning benefits)

The prescription plan is identical for the Base and Premier Options.

The prescription plan is a little different on the star plan. You will pay 100% of the cost of your prescription drugs until you have met your deductible. Once the applicable deductible is met, you will then pay the cost sharing.

Mail order pharmacy is available, and encouraged, for most maintenance prescriptions in which you may receive a 90-day prescription (3 months) of prescriptions for only two co-pays.

RETIREMENT

Utah State Retirement System

The Utah State Retirement program laws and regulations determine which retirement plan an employee is enrolled in. In summary, the plans are:

- a. Tier 1 (*For employees enrolled in the Utah State Retirement System prior to July 1, 2011*)
 - 1) Public Employees' Contributory Retirement Plan
 - 2) Public Employees' Non-Contributory Retirement Plan
 - 3) Public Safety Employees' Non-Contributory Retirement Plan
 - 4) Exemption from participation. Elected officials, appointed employees, or others allowed to exempt out of participation in the Tier 1 Utah State Retirement System may file a formal request for exemption from membership in the retirement plan. In such cases, Tooele City will contribute to the employee's 401(k) plan, an amount equivalent to the Utah Retirement System's Total Cost Rate (URS normal cost + URS amortization of UAAL) for the respective plan applicable to the employee had he/she not exempted from participation. This amount is subject to change each year and is based on the rates established by the Utah Retirement System. This contribution must be included with any other Employer's 401(k) contributions in meeting the Internal Revenue Service (IRS) contribution limitations and therefore, may be limited if IRS limitations apply.

- b. Tier 2 (*For employees first entering the Utah State Retirement System after July 1, 2011*)
 - 1) Public Employees' Defined Contribution Plan Only
 - 2) Public Employees' Hybrid Retirement Plan
 - 3) Public Safety Employees' Defined Contribution Plan Only
 - 4) Public Safety Employees' Hybrid Retirement Plan

Under the Tier 2 Hybrid Retirement Plan, employees are required to make a contribution to their retirement costs. For the 2024-2025 plan year, 0.7% will be withheld from your paycheck.

401K SAVINGS PLAN

URS 401k Plan

Eligible employees may enroll in the Utah Retirement System 401K Plan upon hire. The 401K Savings Plan provides employees with the opportunity to defer compensation on a pre-tax basis. All contributions are subsequently invested into options of the employee's choice. Employees may borrow against their 401K Plan. The Plan may also be able to accept your rollover contributions from a prior Plan. Questions should be directed to the plan administrator, the Utah Retirement Office.

Tooele City is currently making a 2% employer contribution to your 401k account.

IRA PLANS (Traditional IRA or Roth IRA)

Utah State Retirement Systems

Employees are provided with the opportunity to use two additional tax-favored savings plans: the URS Roth IRA and the URS Traditional IRA. An Individual Retirement Account (IRA) combined with other retirement plans, provides additional options to save for a comfortable retirement and may assist with tax and estate planning. The ease of payroll deductions and no minimum investment amount makes the IRA plan desirable to employees.

SECTION 125 CAFETERIA (FLEX) PLAN OR HEALTH SAVINGS ACCOUNT (HSA)

Employees are provided the option to defer money on a pre-tax basis for health care and dependent care reimbursement. Employees may enroll in either the Section 125 Cafeteria Plan or a Health Savings Account. There are specific terms and limitation applicable to each plan. Employees are encouraged to carefully review plan documents and consult with their own tax advisor to determine which plan is best for their specific needs and eligibility.

WORKER'S COMPENSATION

Worker's Compensation Fund of Utah

Employees are provided with workers compensation benefits in the event the employee is injured on the job. This benefit is provided at no cost to the employee.

Employees are expected to report injuries at the time the injury occurred, and complete necessary paperwork. All reports should be made to the supervisor or department head. Workers Compensation report forms are available in the human resource department. In the event an accident results in an immediate need for service, employees are to report to Mountain West Worx, 2055 N. Main. The emergency room should only be used for life threatening injuries or when referred over by Mountain West Worx. In case the injury requires immediate attention, the injury should still be reported to the supervisor or department head immediately, or as soon as possible.

COLONIAL INSURANCE

Employees may purchase additional benefits through Colonial Life Insurance. Some of the benefits available include Cancer Insurance, Supplemental Life, Disability, and Accident Insurance. Colonial Insurance is available only during our winter open enrollment period.
