UTAH RETIREMENT SYSTEMS

The Utah State Retirement program laws and regulations determine which retirement plan an employee is enrolled in. In summary, the plans are:

- a. Tier 1 (For employees enrolled in the Utah State Retirement System prior to July 1, 2011)
 - 1) Public Employees' Contributory Retirement Plan
 - 2) Public Employees' Non-Contributory Retirement Plan
 - 3) Public Safety Employees' Non-Contributory Retirement Plan
 - 4) Exemption from participation. Elected officials, appointed employees, or

others allowed to exempt out of participation in the Tier 1 Utah State Retirement System may file a formal request for exemption from membership in the retirement plan. In such cases, Tooele City will contribute to the employee's 401(k) plan, an amount equivalent to the Utah Retirement System's Total Cost Rate (URS normal cost + URS amortization of UAAL) for the respective plan applicable to the employee had he/she not exempted from participation. This amount is subject to change each year and is based on the rates established by the Utah Retirement System. This contribution must be included with any other Employer's 401(k) contributions in meeting the Internal Revenue Service (IRS) contribution limitations and therefore, may be limited if IRS limitations apply.

b. Tier 2 (*For employees first entering the Utah State Retirement System after July 1, 2011*)

- 1) Public Employees' Defined Contribution Plan Only
- 2) Public Employees' Hybrid Retirement Plan
- 3) Public Safety Employees' Defined Contribution Plan Only
- 4) Public Safety Employees' Hybrid Retirement Plan

Under the Tier 2 Hybrid Retirement Plan, employees are required to make a contribution to their retirement costs. For the 2024-2025 plan year, 0.7% will be withheld from your paycheck.

IRA'S THROUGH UTAH RETIREMENT SYSTEMS

Employees have an option to contribute to a Roth and/or Traditional Individual Retirement Plan administered by Utah Retirement Systems.

UTAH RETIREMENT SYSTEMS 401K SAVINGS PLAN

Eligible employees may enroll in the Utah Retirement System 401K Plan upon hire. The 401K Savings Plan provides employees with the opportunity to defer compensation on a pre-tax basis. All contributions are subsequently invested into options of the employee's choice. Employees may borrow against their 401K Plan. The Plan may also be able to accept your rollover contributions from a prior Plan. Questions should be directed to the plan administrator, the Utah Retirement Office.

LONG TERM DISABILITY BENEFITS

Public Employees Health Plan

PEHP's long-term disability insurance program is intended to be a bridge from active to retired status. Employees who are not eligible to retire from a URS pension plan (or otherwise would've been eligible to retire had they not exempted out) may apply for LTD benefits through PEHP. In the event of disability lasting more than 3 calendar months from the date last worked, both income protection and other benefit continuation options may apply. Benefits do differ based on the pension plan enrollment (i.e. Tier 1 or 2). Please contact the HR office for more information.

SECTION 125 CAFETERIA PLAN

Employees with contemplated work hours at 20-29.5 hours per week (but not less) are provided the option to defer money on a pre-tax basis for health care and dependent care reimbursement. Employees specify a minimum annual contribution that is withheld from their paycheck pre-tax. Upon acquiring eligible expenses (i.e. paying co-payments, medical bills not covered by insurance, or day care), the employee may request reimbursement. Employees will be reimbursed this money from their Cafeteria account. The benefit is that the money has never been taxed. See Tooele City's rate schedule and Policies & Procedures Manual for important information on contribution limits and other plan provisions.

PRORATED ANNUAL, SICK, FUNERAL, MILITARY, JURY & WITNESS LEAVE

Leave is prorated according to policy. See the Policies & Procedures manual for specific provisions relating to use and administration of leave.

PRORATED HOLIDAY PAY

Tooele City provides employees with 11 paid holidays off. **The number of hours you are paid for holidays will be prorated based on your average hours worked during the pay period in which the holiday occurred.** To calculate your holiday hours: 1. Add number of hours recorded in the pay period (to include actual hours, vacation, comp-time, and sick leave. 2. Count the number of days with hours recorded in the pay period. 3. Divide #1 by #2 to get the hours to record on that holiday.
