A Message from Mayor Dunlavy...

I’ve heard from some of you concerning our readiness in the event we continue to get significant amounts of snow.

We have been evaluating our drainage areas for the past few weeks. The work we have been and will be doing will prepare us in the event we have spring runoff.

Hopefully, the spring will stay cool so the snow pack will come down at a slower rate; however, with the improvements that have been put in place over the past several years we are in a much better position to handle the runoff.

Mayor Patrick Dunlavy

I am really looking forward to a lot of beautiful Tooele City sunshine! This past winter has been dark, foggy and cold—although I love the beautiful snow.

Thank you for all that each of you do to make our City very special. I am very grateful.

As always, I can be reached at my office. If you have ideas or input, please contact me at 435-843-2104 or e-mail me at patrickd@tooelecitey.org.

4TH OF JULY 2017

Tooele City’s 2017 4th of July theme is **“WE THE PEOPLE”**

Watch our website **TOOELECITY.ORG** and newsletters for all of the upcoming 4th of July events!

All businesses, schools, church groups, families, etc. are encouraged to enter a float in this year’s parade! We will begin taking entries in May. Start planning now!

The Tooele City Curbside Recycling Program began in February 2017 for residential customers who had previously opted-in. Due to the unexpected high volume of customers who opted-in to the curbside recycling program during January, ACE Disposal had a shortage of recycling receptacles. If you did not receive your recycling can in February, you can expect your recycling can to be delivered to you the first part of March. We appreciate your patience while we get this new program up and running!

The opt-in period is now closed; however, we anticipate that we will re-open an opt-in period April 1, 2017. Please check our website, www.tooelecitey.org, or our Facebook or Twitter pages often for updated information. If you have any questions, you may contact the Tooele City Finance Department at 435-843-2150. Thank you!

Poison Prevention Week is March 19th-25th!
Each year, over 50,000 calls are received by the Utah Poison Control Center. More than 60% of the exposures involve children less than six years of age.

1-800-222-1222 In 2010, 94% of all poisonings occurred in the home. Fortunately 79% were managed on site with telephone follow-up. Therefore, it is critical to safeguard the home environment. The Utah Poison Control Center reminds everyone to make poisoning prevention a year-round responsibility.

The top three poison categories in children involve: (1). Cosmetics and personal care products, (2). Household cleaning products, (3). Pain killers such as acetaminophen and ibuprofen.

The top three poison categories in adults involve: (1). Pain killers including narcotics and over-the-counter analgesics, (2). Sedatives (drugs to reduce anxiety) and hypnotics (sleep aids), (3). Antidepressants.

For more information on the Utah Poison Control Center, visit <http://poisoncontrol.utah.edu/>

To report a poisoning or possible poisoning, contact Tooele County Dispatch at 435-882-5600 or the Utah Poison Control Center at 800-222-1222.
