Application Review

The purpose and intent of a Conditional Use Permit is to allow compatible uses in zoning districts which are related to the permitted uses in the zoning district, and may be suitable and desirable only by compliance with conditions specified by the Planning Commission. All Conditional Use Permit applications will be heard by the Planning Commission. Applications must be complete and filed with the Community Development Department no sooner than 15 days prior to the Planning Commission meeting. The Planning Commission will consider the following as they relate to the proposed Conditional Use Permit:

1. The proposed use is necessary or desirable to provide a service or facility which will contribute to the general well-being of the community and the neighborhood;
2. The location of the proposed use is compatible to other land uses in the general neighborhood and does not place an undue burden on existing transportation, utilities, and service facilities in the vicinity;
3. The site is of sufficient size to accommodate the proposed use together with all yards, open spaces, walls, and fences, parking and loading facilities, landscaping, and such other improvements as required by this code;
4. The site will be served by streets of sufficient capacity to carry the traffic generated by the proposed use;
5. The proposed use, upon compliance with all conditions imposed will not significantly affect other property or potential development in the vicinity, or the health, safety, convenience, or general welfare of the community
6. The proposed use, upon compliance with all conditions imposed, will not significantly increase traffic, light, odor, noise, or environmental pollution generated in the vicinity;
7. The architectural design of proposed use, upon compliance with all conditions imposed, will not significantly vary from the architectural characteristics of other structures in the vicinity; and
8. The proposed use will not involve materials which are determined by the Tooele City Fire Chief to be hazardous, dangerous, or otherwise pose a threat to the health, safety, and welfare of the community.
