## MAYOR'S MESSAGE

### MAYOR DEBBIE WINN

Tooele City and I proudly honored Fred C. Barker as the 2025 Fourth of July Grand Marshal — a man whose life has been defined by dedication to country, community, and honoring the legacy of those who came before.

Fred, a member of the Navajo Nation, was born on a reservation in Sanders, Arizona, where he completed his education and graduated from Sanders High School. Soon after graduation, Fred was drafted into the U.S. Army and began a journey of service that would take him across the world.

As a member of the elite 101st Airborne Division — the Screaming Eagles, Fred trained in Fort Ord, California, and completed Advanced Individual Training at Fort Polk, Louisiana. He then went on to Fort Benning, Georgia, for jump school, before being stationed at Fort Campbell, Kentucky. While serving in Kentucky, tragedy struck when Fred's parents lost their lives in a devastating blizzard. Despite the loss, Fred returned to duty after a brief leave, continuing to serve with honor. During his time as a paratrooper, Fred completed an impressive 20 jumps in locations such as Spain, Turkey, and Iran — proudly representing the strength and courage of the American soldier.

After active duty, Fred relocated to Tooele, Utah, where his brother was living at the time. He continued serving in the Army Reserves for two more years, training on weekends at Fort Douglas in Salt Lake City, Utah. He also began a 32-year career at the Tooele Army Depot, contributing to our national defense in another vital way.

Fred's commitment to patriotism extended into his community involvement. In 1967, he began walking in the Tooele City 4th of July Parade, wearing a fully authentic World War II uniform, including a period-correct rifle. He lovingly assembled each part of the WWII uniform over the years, ensuring every detail was accurate — a tribute to the heroes of the past. His goal was simple yet powerful: to educate younger generations about the sacrifices made for our freedoms. If you've ever been to a Tooele City 4th of July parade, you've certainly noticed Fred — he's been a crowd favorite for decades, greeting children with high-fives as he walked the parade route, reminding us all of the enduring cost of liberty.

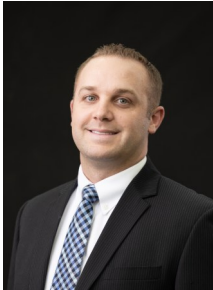

Since 1967, Fred has continued to serve as a dedicated member of the Honor Guard, paying final respects to fellow veterans in Tooele County with solemn dignity and a traditional 21-gun salute at military funerals.

Fred C. Barker's life is a living testament to honor, remembrance, and service. We are deeply proud to recognize him as our 2025 Grand Marshal and thank him for his unwavering commitment to both country and community.

Thank you, Fred.

## THE COUNCIL’S CORNER

### BY CHAIRMAN JUSTIN BRADY

I want to express my sincere appreciation to the dedicated staff of Tooele City for the tremendous work that went into making our Fourth of July celebrations a success. These events require extensive behind-the-scenes planning and coordination to ensure everything runs safely and efficiently. While much of this effort often goes unnoticed, the professionalism, dedication, and teamwork of our City employees truly deserve recognition.

I would like to provide a brief update on several exciting projects happening in Tooele City. Businesses are beginning to open at Founders Pointe, located at 1000 North and SR-36—a development that has been years in the making. It's encouraging to see this long-anticipated project come to life, bringing new shopping and dining options to our community. We're also seeing steady progress on the Smith's Marketplace and the surrounding businesses near 2400 North and SR-36. These developments not only enhance local convenience, but they also generate essential property and sales tax revenue, helping to shift the imbalance of the City's heavy reliance on residential tax sources and support the services our growing community depends on.

England Acres is finally approaching completion, with the final phase expected to wrap up this fall. For residents who live nearby, this park has been a long time coming—nearly 20 years in the making. We're excited to see this major community investment take shape without the need for borrowed funds, thanks to a mix of strategic revenue sources. This project reflects the City's ongoing commitment to enhancing public spaces, and we look forward to officially opening the final phase of the park that Tooele families will enjoy for generations.

The City Council recognizes the challenges that come with growth and remains committed to addressing them proactively. We continue to work closely with UDOT and other agencies to improve traffic flow, expand infrastructure, and secure additional water sources to support our community's future. Our goal is to ensure that Tooele continues to grow in a thoughtful, sustainable way—while preserving the qualities that make it a hometown we can all be proud of. We welcome your questions, concerns, and ideas as we work together to strengthen our community.

*~Justin*

**August 1: "Skylar Geer"** Skylar is a traditional country singer-songwriter from Sandy, Utah, blending blues, rock, R&B, and soul into his sound. Influenced by legends and modern artists alike, he delivers a timeless yet fresh style of country. Known for heartfelt storytelling and country renditions of non-country songs, he's shared stages with artists like David Lee Murphy and Russell Dickerson.

**August 8: "Swagger"** is a Celtic rock band from Utah formed in 2007 by Rick Butler blending traditional Celtic sounds with bluegrass, blues, reggae, and classical influences. Gaining a strong regional following, they've performed widely across the western U.S. and shared stages with major acts. In 2010, they launched Utah's first Irish music festival at Deer Valley. With four studio albums, the band—Butler, Dennis Harrington, Trip Marshall, Mike Bailey, and Manny Slack—is known for high-energy, crowd-pleasing live performances.

## OUTDOOR WATER CONSERVATION SCHEDULE

**Area #1** All water users North of Vine and West of Main water Wednesdays and Saturdays.

**Area #2** All water users North of Vine and East of Main water Tuesdays and Fridays.

**Area #3** All water users South of Vine water Mondays and Thursdays.

**Outdoor watering is not permitted on Sundays.**

Visit [slowtheflow.org](http://slowtheflow.org) for great indoor and outdoor water wise tips!

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses-such as newly planted sod or lawn, contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.
