## MAYOR'S MESSAGE MAYOR DEBBIE WINN

As I come to the end of my eight years as your Mayor, I find myself reflecting deeply on this journey—on the challenges, the triumphs, the long nights, the unexpected moments of grace, and the people who gave their whole hearts to Tooele City. Serving you has been one of the greatest honors of my life. Every decision I made, every project we undertook, every late-night worry or early-morning hope was rooted in my love for this community. When I look back, what stands out most is not the buildings we constructed or the policies we drafted, but the people—those who showed up, worked hard, lifted others, and believed in what Tooele City could become. I have been surrounded by extraordinary individuals who gave far more than their job descriptions required, and together, we built something that will last long after any of us leave office.

To Chief Adrian Day and Captain Lonnie Collings—thank you for leading one of the finest police departments in the state. I have watched our officers step into danger with courage that cannot be taught. Every time I saw an officer head out on a call, I was reminded that safety is not something we should ever take for granted. It was only fitting that we built a police station worthy of their service. Your commitment, your training, your quiet daily bravery—our City stands stronger because of you.

To Fire Chief Matt McCoy, Deputy Chief Jed Colovich, and Fire Marshal Nick Wall—thank you for guiding our 55 volunteer firefighters with wisdom and heart. Few cities this size have the privilege of being protected by volunteers who respond to hundreds of calls each year with the professionalism of a full-time staff. Your dedication, your insistence on readiness, and your willingness to adapt to a growing City have saved lives. Fire Station #3 and the new equipment we invested in are a testament to the value we place on the people who run toward danger when others run away.

Some of the most important work in a City happens out of public view, in offices where diligence, ethics, and care make all the difference.

To Finance Director Shannon Wimmer and Deputy Director Kacie Cruz—thank you for your steady stewardship, for the late nights balancing numbers, for ensuring we followed every law and protected every dollar. You brought Tooele City to one of the strongest financial positions we've had in years. Your staff, who greet the public with warmth and professionalism, are often the first impression of our City—and they make us proud every day.

To HR Director Kami Perkins—your compassion and fairness have shaped a workplace where people feel valued. You have carried the weight of ensuring every hire, every policy, every benefit, and every challenge is handled with both legality and humanity. Our staff is stronger because of you.

To City Engineer Paul Hansen—thank you for not only reviewing countless plans but also managing major construction projects with skill that saved our taxpayers over half a million dollars. Your quiet expertise has made Tooele City's infrastructure safer, stronger, and prepared for growth.

## Mayor's Message Continued

To Public Works Director Jamie Grandpre and Assistant Director Nathan Farrer—thank you for the work most residents never see but always rely on: clean water, safe roads, reliable wastewater services, and careful planning for our future. You have built wells that will sustain us for generations and infrastructure that will serve families long after we're gone.

To Community Development Director Andrew Aagard—thank you for guiding the growth of our City with integrity and balance, ensuring our community remains business-friendly while protecting the character we cherish.

To Library Director Chase Randall—thank you for making our library a place of safety, curiosity, and belonging. Your programs have made a meaningful impact on residents of all ages.

To City Attorney Matt Johnson and Deputy Attorney Derrick Larsen—thank you for guarding the City with wisdom and skill, ensuring that we operate with fairness, legality, and protection for all.

To IT Director Chris Nielson and Assistant Director Braxton Roberts—thank you for stepping into a world of constant cyber threats and leading with calm expertise. You have kept the City safe in ways most will never know but all depend on.

To Parks and Recreation Director Darwin Cook—your work has transformed the heart of our City. From England Acres Park to the new WigWam Park to more than 500 new trees, you have shaped the places where children play, families gather, and memories are made. These spaces will continue to bless Tooele for decades. To those who care for our golf course and aquatic center—Cody Lopez, Brian Roth, and Josh DeCola—thank you for providing places where people can learn, play, relax, and connect. Your work enriches daily life in ways that ripple throughout the community.

To Economic Development Director John Perez—thank you for believing in Tooele, for seeing possibility where others saw challenges, and for bringing jobs, businesses, and new opportunities to our residents. Your vision will continue to shape our City for years to come.

To newly appointed City Recorder Shilo Baker—thank you for more than seven years of unwavering dedication, support, and service as the Mayor's Executive Assistant. So much of what we accomplished was possible because of you. Your deep knowledge of City operations and your genuine kindness make you exceptional, and we are grateful to have you step into this new role. To Deputy Recorder Loretta Herron—thank you for your steady support and commitment, which help keep our office running smoothly. And to Michelle Pitt, who recently retired—thank you for your 14 years of service as City Recorder, for your kindness, and for always meeting challenges with grace.

Thank you to Tiffany Day, my new Executive Assistant, and to Clarissa Pankratz, our Web & Digital Content Coordinator. Your professionalism, compassion, and joy have brightened the Mayor's Office every day.

To Mayor-Elect Maresa Manzione, thank you for your courage in running and your willingness to serve. Leadership is never simple, yet you step forward with strength and clarity. I know the City is in good hands.

To my family, no mayor leads alone. My family has sacrificed more than most will ever know. To Shelli and Don, Stacy and Royce, Scott and Trista, TJ and Danielle, and Daniel and Mallory—I am so proud of each of you and grateful for the love and patience you have shown during these years. You have blessed our lives with 19 beautiful grandchildren who are the light of my world.

And to my husband, Tyler—thank you for 40 years of partnership, love, and unwavering support. You carried the weight of our home and family so that I could serve this community. There are no words that can capture my gratitude. I love you always.

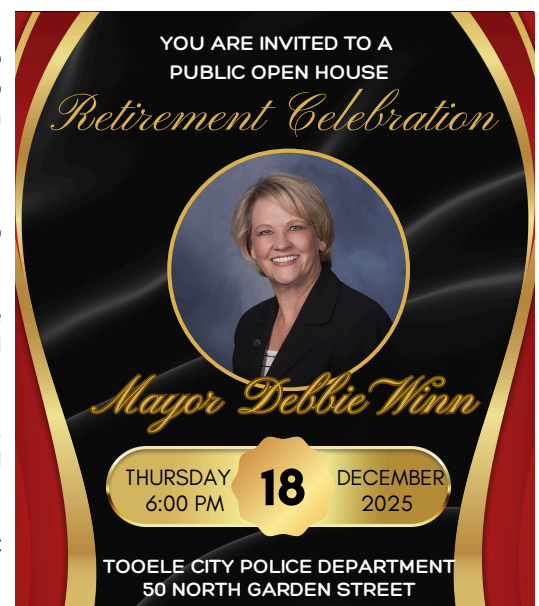

I also feel the presence of my sweet mother and my beautiful granddaughter Makenna, who are with our Father in Heaven. I know they have watched over me through difficult days and celebrated with me through joyful moments.

Finally, to the residents of Tooele City — thank you for your trust, your kindness, your honesty, your patience, your challenges, your encouragement, and your belief in what our City could become. Every decision I made, every hour I worked, was for you.

This truly is a "Hometown to Be Proud Of" — serving as your Mayor has been one of the greatest blessings of my life.

Matt Johnson, Paul Hansen, Jamie Grandpre, Andrew Aagard, Chris Nielson, Darwin Cook, Chase Randall, John Perez, Chief Matt McCoy, Kami Perkins, Shannon Wimmer, Mayor Debbie Winn, Shilo Baker, Tiffany Day, Chief Adrian Day

## THE COUNCIL'S CORNER

BY COUNCILMEMBER MARESA MANZIONE

Thank you to everyone who participated in the November election. Voting is one of the fundamental freedoms we enjoy in the United States, and your involvement helps strengthen our community.

December is a wonderful time of year—a season centered on giving, serving, and connecting with others. Tooele offers many free or low-cost activities throughout the month. You can find these events on Tooele City's website, as well as on the Ritz Theater and Arts Council websites. Enjoy the many holiday programs this season and bring friends, family, and neighbors to join the celebration. Let's spread holiday cheer throughout our community.

We also recognize that December can be a challenging month for those facing emotional or financial difficulties. Tooele has a long-standing tradition of supporting neighbors in need, and we sincerely appreciate the individuals, families, and organizations who donate their time, food, and resources. Your generosity makes a meaningful difference in our City.

As you shop for gifts this season, remember to shop local. Supporting local businesses, both small and large, keeps money in our community, helps create jobs, and ensures sales tax dollars stay in Tooele. Many of our newly opened businesses have had some of the strongest openings in their company — proof that our community is committed to shopping locally. This success helps attract even more commercial opportunities to Tooele. There is much more to come!

Wishing everyone a very happy holiday season and looking forward to an awesome 2026!

~ Councilmember Maresa Manzione

## Snow Event Parking Restrictions and Winter Weather Reminders

### Snow Event Parking Restrictions

Tooele City Code 10-3-6(1) states:  
"10-3-6. Snow Event Parking Restrictions"

- (1) It shall be unlawful to park a vehicle on any public right-of-way:
  - (a) when snow is falling upon that vehicle; or,
  - (b) when snow or ice have accumulated in any amount on the right-of-way upon which that vehicle is parked.
- (2) Any vehicle parked in violation of this Section may be removed at the discretion of the Tooele City Police Department for creating public safety risks and for obstructing the City's snow removal efforts.
- (3) The following are exempt from this section:
  - (a) Emergency vehicles and personnel in the performance of their functions and duties; and,
  - (b) Tooele City public works vehicles and employees in the performance of their functions and duties.

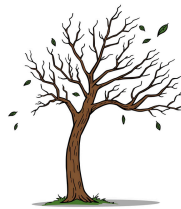

**Do not park your vehicles on the street when snow is falling or when snow or ice have accumulated.**

City Ordinances can be found on our website at [tooelecitcity.gov](https://tooelecitcity.gov) > **Our Government > City Code**

Snow parking restrictions will be enforced. You may be ticketed if you are in violation of this ordinance.

The civil penalty for parking violations during a snow event is \$50 if paid within 15 days, and \$100 thereafter.

Thank you for your help and cooperation!

As the winter months approach, we want to remind you that residential and business sidewalks must be cleared of snow, hail, ice, and sleet within 24 hours after a storm stops. This is especially important in areas that are school walking routes! Tooele City Code 4-11-15(1) states: "It is unlawful for any person owning or exercising control over any real property abutting any public sidewalk to fail to remove or cause to be removed from such sidewalk all hail, snow, or sleet falling thereon, or ice forming thereon, within 24 hours after such hail, snow, or sleet has ceased falling or ice has ceased forming."

When the snow falls, don't let our students fall! Please keep all sidewalks that border your property clear, including the sidewalk in your backyard along the street (double frontage)! We need your help especially along school walking routes!

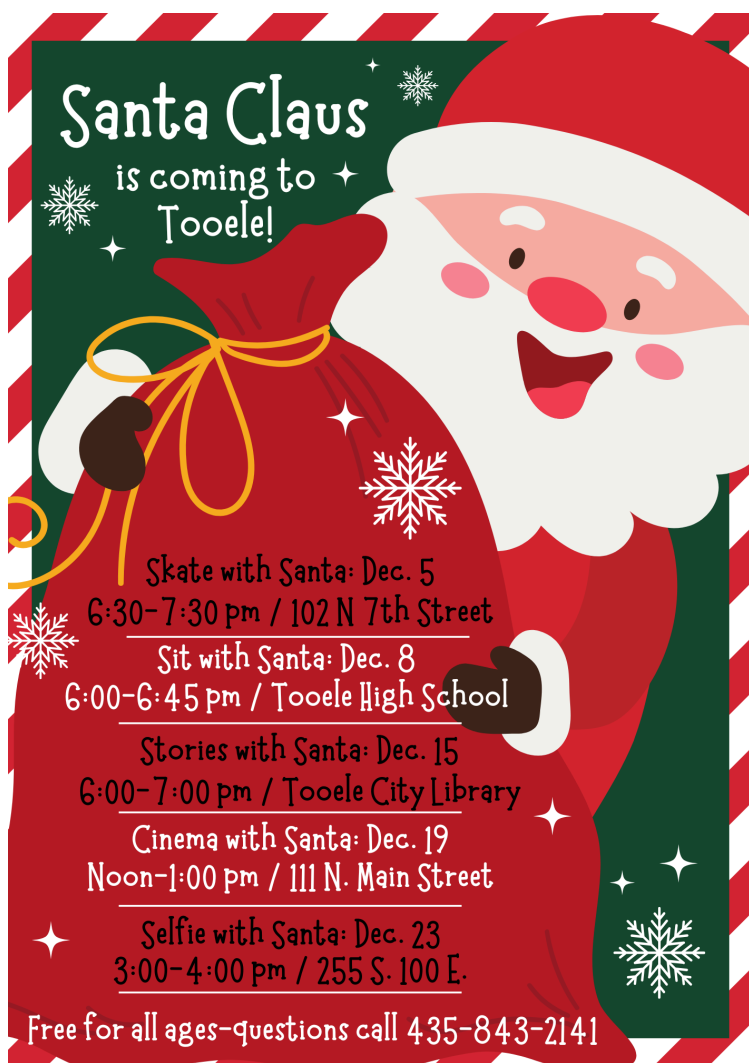

Do not place or propel snow, hail, ice, and sleet in a roadway or other portions of sidewalks. Tooele City Code 4-11-15(2) states: "It is unlawful for any person to place or propel, or cause to be placed or propelled snow, ice, hail, or sleet in the public way or in any manner which poses a hazard to vehicular or pedestrian traffic."

Please be courteous to your neighbors, do not blow leaves, snow, or other debris into their yards.

Have questions or concerns? Please contact our Ordinance Compliance Division at 435-843-2132.

## Emergency Vehicles

When dealing with emergency situations, we commonly see drivers panic and over-react or react incorrectly when they see an emergency vehicle with lights and sirens approaching. Here are some rules to remember:

1. You must yield the right of way.
2. Drive to the far right edge of the curb.
3. Clear the intersection.
4. You must STOP!

**When you see an emergency vehicle approaching** with lights and sirens, (if possible) pull your vehicle to the far right side of the roadway. If you can't pull right then leave room for the emergency vehicle to get by. If you are already stopped, stay put! Once the emergency vehicle has passed, be sure to re-enter the travel lane with caution. Always keep the intersection clear because you don't know which way the emergency vehicle will have to go. As curious as you may be, do not follow an emergency vehicle leaving a scene. If you come to an intersection blocked by emergency vehicles, slow down! Watch for directions given by police personnel on the scene and proceed as directed.

**When approaching a stationary emergency vehicle**, drivers need to reduce their speed, provide as much space as possible, and make a lane change into a lane not adjacent to the authorized emergency vehicle. This is generally a bigger issue for emergency personnel than failing to yield the right of way. Emergency personnel are hit by vehicles almost every year in Utah. We would like to remind the public to slow down and change lanes to provide a safer work environment for our emergency personnel.
